

QUAKER Puffed Wheat SPARKIES

Crisp! Fresh! Delicious!

WHEAT SHOT FROM GUNS!

DARK SWIM SUIT MINIMIZES SIZE

The woman who says she's "too old" to wear bathing suits isn't up on her fashions. She can find as many smart suits of the cover-up type as she can styles of breath-taking brevity. Ready to give her a flattering fit is a wide variety of suits with built-in bras, elasticized midriff bands, longer, slightly flared skirts made in quick-drying fabrics which won't cling while wet.

Such a swim suit plus a toss-on beach jacket or coat will turn her out on the beach as modestly dressed as any Miss Prim. The woman who feels self-conscious in a swim suit because she is overweight can find fashions that will do much to minimize size. Her choice of color should be a dark one: black, navy or deep gray. The longer her skirt can be within fashion's limits, and the less flared it is, the slimmer she will look in the beach parade.
