Madam, Stop Buying Your Flour on a Guess

Which do YOU buy, Mistress Housewife?
Flour on a *GUESS?*
Or
Flour on a *GUARANTEE?*
When you hand over *the Hard-Earned*—suppose you *guessed wrong?*

If you *can* purchase flour that is guaranteed *positively*, surely you will not buy a "guess" brand which leaves you no recourse in the event of *dissatisfaction* or *loss of good material.*

As a thrifty kitchen manager, Madam, YOU will buy FIVE ROSES flour every time—the only "money-back" flour where you take no chance since *every sack is warranted.*

We know what FIVE ROSES will do for you, Madam. 'Twill save you *time, trouble, disappointment*—ay, and MONEY, too.

We know what it has done and is doing for thousands of happy housewives, not only in Canada, but in England, Scotland, even in South Africa.

A household help for 21 years.

* * * *

The label on every sack or barrel is your *absolute guarantee, as redeemable as a signed statement*, that the flour is RIGHT, the packing *right*, the baking *right*, the results *right.*

When we say FIVE ROSES is right, we mean it is *all* right. Not one pound, or two pounds at the top of the sack, but the *whole* sack, the *entire* barrel from the first cupful to the very last grain at the *bottom.*

Even if it takes you *six months* to reach the bottom, the guaranty *still* holds—the strongest guaranty ever given by any miller anywhere.

FIVE ROSES, Madam, will "make good" every time. Try it for bread, cakes, biscuits, puddings, pies, puffs—anything you like.

Try it with that *difficult* little recipe which has floored every other flour you know.

Use it down to half the sack. Then if you don't want the flour after *that*, your grocer will take it back and refund the *full* price charging you nothing for the flour used.

Surely, that's fair enough, isn't it?

* * * *

Do you know, Madam, why the LAKE OF THE WOODS MILLING COMPANY, a responsible and honorable concern backed by 21 years of "square" dealing, *can* give this *binding pledge*, which no other miller in Canada cares to give?

Because FIVE ROSES doesn't need a guarantee.

Decide NOW, Madam, whether you will continue buying on a GUESS—
Or
Will get FIVE ROSES which *guarantees YOUR success every time.*

The only nourishment that bread affords is that which the flour contains.

Bread baking is merely putting flour in appetizing form.

Flour making is merely putting wheat in shape for bread making.

Royal Household Flour

is made from carefully selected Manitoba Hard spring wheat. Every pound is almost a pound of food; clean, and nutritious.

It goes farther, does better baking and is more satisfactory in every way than any other flour. Ask your grocer. 12

KILLED WIFE IN POLICE STATION

WILKESBARRE, Pa., Jan. 24—No murder case in years has attracted more attention in this section than is now manifested in the case of George L. Marion, the former theatrical man whose trial for wife murder was called in the Luzerne county court this week. Theatrical people throughout the country have contributed liberally to a fund raised to aid in the defense of the accused man.

On the night of August 20 last Marion shot and instantly killed his former wife in the office of Chief of police Long in this city. The victim was Marion's common law wife. After living together for seven years as man and wife it is alleged the woman ran away with another man, taking her child with her. Marion tracked the couple to Wilkesbarre and found that they had been married. He nevertheless adjusted his troubles with the woman and apparently became reconciled to the situation. A conference to settle the matter was held in the office of the chief of police. When the two were left alone Marion, apparently driven to desperation by the refusal of the woman to return to him, drew a revolver and shot her dead.

The victim was formerly Miss Frances Lee of Zion City, Ill. She and Marion had lived together in Atlanta Detroit abd other cities where Marion was employed as a hotel clerk when not engaged during the summer as a theatrical agent.

NOT A NEW THEORY.

Sir:—In Monday's Guardian there appeared a letter from Mr. Doull on a "New Theory of Sunlight." He claims he has been eighteen or twenty years trying to persuade people that we are living in a thin skin of air illuminated, and all the rest between us and the sun is darkness. Some years ago I read a paper before the Natural History Society on "Dust." I think the above was clearly set forth in it. I quote the following from my paper:

"We might suppose that with no dust in the air we should have more light, but while it is undoubtedly true that the sunbeam shows the motes; it is no less true also that the motes and finer dust actually show us the sunbeam, and that one is invisible without the other. A beamof sunlight if admitted into a room of which the air is perfectly pure at once disappears, and is replaced by pitchy blackness, except where it strikes the wall or some other object.

"Balloonists tell us the higher they ascend the deeper becomes the color of the sky, until at a height of a few miles it looks almost like a black canopy, because, though the sun is shining in unclouded splendor, there is little or no dust to scatter his light. The space between the stars (called stellar space) is accordingly absolute darkness, notwithstanding the blaze of light which passes through it, and becomes visible on striking our dusty atmosphere. The air which we breathe out at the end of an expiration is so absolutely free from dust, that if breathed across the track of an electric beam, the latter will be pierced by an intensely black hole for the reason already given."

The paper was discussed at the meeting, and no member took exception to the above theory.

Suffered Terrible Pains From His Kidneys.

Perhaps no other organs work harder than the kidneys to preserve the general health of the body, and most people are troubled with some kind of kidney complaint, but do not suspect it.

There is no way of getting the kidney poisons out of the system except through the kidneys, and no medicine so effective in taking them out as Doan's Kidney Pills.

They help the kidneys to flush off the acrid and poisonous impurities which have collected, thus clearing out the kidneys, bladder and urinary passages.

Doan's Kidney Pills are entirely vegetable, and may be safely taken by old and young.

Mr. Dougald A. McIsaac, Broad Cove Banks, N.S., writes:—"I was troubled with my kidneys for nine months, and suffered with such terrible pains across the small of my back all the time that I could hardly get around. After taking two boxes of Doan's Kidney Pills I began to feel better, and by the time I had taken three I was completely cured."

Price 50 cents per box, 3 boxes for $1.25, at all dealers or mailed direct by The T. Milburn Co., Limited, Toronto, Ont.

In ordering specify "Doan's."

"We've just received a big order of advance cap styles. They are simply handsome—call and see them—priced $1.00. H. H. Brown, the young men's man. 1—26dr3i.

GAGGED POLICE CHIEF ROBBED POST OFFICE

LITTLE FALLS, N. Y. Jan. 24—Four armed yeggmen descended upon Mohawk, a small town near here, at 3.30 o'clock this morning, seized Police Chief Bronner on the street, held him up at the point of revolvers, and forced him to enter the post-office, where they bound and gagged him and made him watch them slowly open the post-office safe. They secured $100 in stamps and money and effected their escape, leaving the police chief a prisoner in the post-office building. Bronner, after working for more than an hour at the ropes which bound him, managed to set himself free and sound an alarm. A posse was organized and endeavoured to pick up the trail of the yeggmen, but without success. This is the fourth robbery of this kind that has occurred in Massachusetts and New York, and the police believe they are the work of the same gang. The operations of this quartette are very much similar to those of the post-office robbers who operated near Hull, Quebec, a month or two ago.
