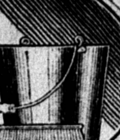
"GILLETT'S LYE EATS DIRT."



IN MEMORIAM

MRS. S. J. ALLEN.

On Sunday, December 27th, 1914, the grave closed over what was mortal of the late Mrs. Sadie Jane Allen, Murray River, who departed this life, on Christmas Day at the early age of twenty-seven years and six months. A year previous to her death the deceased, then residing in Pictou, N. S., was stricken with a severe attack of rheumatic fever which necessitated her entering the Hospital there for treatment. She recovered sufficiently to permit of her return in the Spring, to her old home at Murray River. A slow but gradual improvement in her condition was evident till the beginning of the winter, when complications of a serious nature set in, and despite the highest medical skill available, combined with the tender nursing of a faithful and affectionate mother, the end came suddenly on the evening of Christmas Day. Possessing singularly lovable qualities, a quite nature generous and kind deceased was highly esteemed by a wide circle of friends. She was a well read, intelligent young woman, and took an active part in every movement for the moral and intellectual welfare of the community in which she lived. Besides a sorrowing mother, there survive to mourn her departure two sisters, Ms. A. H. McLeod, Murray River, and Margaret now a resident of Montreal. The funeral service held in the Presbyterian Church was most impressive and was conducted by the pastor, Rev. A. J. McNeill, B. A.

MRS. ROBERT MITCHELL.

The late Mrs. Mitchell was born in the historic Seaman home at ...audie on Nov. 6th, 1836, and was therefore at the time of her death in the eighty-first year of her age. Her husband, the late Dr. Mitchell, died December 27 1905. The deceased is survived by two daughters and three sons. The daughters are Mrs. W. A. Fillmore, Amherst, and Ms. H. D. McLean Souris, P. E. I. The sons are John and Robert,of Amherst,and George,of Sheldon, Iowa The late Mrs Mitchell was widely connected with many of the old families of Cumberland, such as the Hibbards, the Vernons, and as the Seamans. Mrs. M. M. Sterne, of Amherst, is a niece, and Rufus Hibbard, of River Hebert, a nephew.

AN ACCIDENT.—A runaway accident, which luckily did not prove fatal, occurred on the ice at Victoria, Saturday afternoon, while the races were in progress. Three young ladies were taking a pleasure drive near the starting point, when their sleigh slewed and one of the runners hitting a crevice in the ice, was upset thereby throwing the young ladies out. The mare fell flat, on her side and in getting to her feet the shafts were broken clear of the sleigh. The excitement now commenced in earnest, for at each bound of the mare the crossbar of the shafts would strike her heels which made the beast almost frantic. She was making straight for open water, when suddenly one of her feet plunged through the ice, near a group of spring holes on the edge of the channel, and she fell forward on her head. This seemed to take the good out of her, for when she got up she stood still until certain parties were able to come up and catch her. Had she veered a few feet to the left in her mad pace she would have gone into the spring holes and nothing could have saved her, as she would have been carried under the ice by the force of the current. The young ladies escaped without injury, as the mare was not going very fast when the sleigh was overturned.—V.

Creston, Iowa.—"I suffered with female troubles from the time I came into womanhood until I had taken Lydia E. Pinkham's Vegetable Compound. I would have pains if I overworked or lifted anything heavy, and I would be so weak and nervous and in so much misery that I would be prostrated. A friend told me what your medicine had done for her and I tried it. It made me strong and healthy and our home is now happy with a baby boy. I am very glad that I took Lydia E. Pinkham's Vegetable Compound and do all I can to recommend it."—Mrs. A. B. Boscamp, 504 E. Howard Street, Creston, Iowa.

As shown by the reports the company had a very successful year and a dividend of 6 per cent. was declared. Y.M.C.A. DIRECTORS MEET.—The regular meeting of the Directors was held last evening. The usual reports were presented, and were approved. The different committees are planning for the activities of the coming months, and a very busy time is expected. A special effort is being made to finish up the financial canvass by the end of the week. The Board decided to offer the services of the Association in making the stay of the Recruits mobilising in Charlottetown as pleasant as possible. It was suggested that writing material might be supplied to the men, also magazines and other reading matter. An attempt will also be made to provide sports for the soldiers at the Drill Shed. A committee was appointed to look into this matter, consisting of Dr I. J. Yeo, R. H. Campbell and H. C. Cross.

FIELD ARTILLERY WANTED.— Yesterday the following telegram was received by Captain T. E. MacNutt: "Recruits are now wanted for overseas Battery of Field Artillery. Men with artillery experience preferred. Drivers required who can ride and are used to care of horses." This is an opportunity for artillerymen who may desire to enlist for service with the third contingent. It is not, however, necessary to have previous training so the chance is now again open for young men to offer their services to their King and Country. Those wishing to enlist should for the present correspond or report to Captain T. E. MacNutt, Charlottetown.

(Charlottetown and Summerside papers please copy.)

INFANTRY RECRUITING CLOSED —Yesterday Captain T. E. MacNutt received a wire from Headquarters Sixth Division stating that recruiting for Infantry was to cease as the Regiment was complete. This speaks well for the patriotic spirit of the Maritime Provinces as a whole, as almost eleven hundred men were raised for the 40th Infantry Battalion in about three weeks. It is, however, to be regretted that the number from P. E. Island is not nearly as large as it ought to be. The following is a complete list of men who have been enlisted for the Infantry of third contingent on the Island: Joseph Harrington, Coleman; Frank Brown, Mount Albion; Edward Muttart, Bothwell; Harry McLeod, Alberton; Charles Misner, Stanhope; William Riley, John Riley Wilmot Valley; Joseph Gerrier, Summerside; Rowland Day, York; J. W. Hume, Wood Islands; Gordon McKay, Murray Harbour; Ronald Gauthier, North Rustico; Herry W. Gallant, Summerside; Ambrose Mahar, Charlottetown; Theo. Arsenault, Abram's Village.

BEAUTIFUL PRAYER.—The following beautiful "prayer for mothers," which will no doubt be of interest to readers of the Guardian, was written by a clergyman in Charlottetown: "O God, we offer Thee praise and benediction for the sweet ministries of motherhood in human life. We bless Thee for our own dear mothers who built up lives by theirs; who bore us in travail and loved us the more for the pain we gave; ;who nourished us at their breast and hushed us to sleep in the warm security of their arms. We thank Thee, O God, for their tireless love; we thank Thee for their prayers which had no voice and were heard by Thee alone. We thank Thee for the pain and agony with which they followed up through our sins and won us back. We thank Thee for the Christly power of sacrifice and redemption in mother-love. We pray Thee to forgive us if in thoughtless selfishness we have taken their love as our due without giving the tenderness which they craved as their sole reward. And if the great treasure of a mother's love is still spared to us, may we do for her feebleness what she did for ours."

WILL FILED.—The will of the late Mrs. Dodd has been admitted to probate. The value of the entire estate is set at $46,000. The chief beneficiaries under the will are: F. Walker Ings (her adopted son), to whom she leaves in trust the sum of $20,000; to her sister, Mrs. Julia F. Pope, she leaves $1,000 absolutely; to her sister, Mrs. I. A. Sears, $1,000 absolutely; to her niece, Ruth Parker, $1,000 absolutely; to her niece, Mollie Ellis, $1,000 absolutely; to the Church of England, Zanana Mission, $1,000; to the Clergy's Widows' and Orphans' Fund of the Church of England $1,000; to St. Paul's Episcopal Church and Sunday School, Charlottetown, $500 each; to five named friends, $100 each; to her housekeeper, Lizzie McInnis, $500 and other benefits. After directing the disposition of various articles of her household and other personal effects, she directs the sale of the remainder thereof and the division of the net proceeds equally between the Prince Edward Island and Charlottetown Hospitals. Her wardrobe, jewelry, etc., she distributed amongst her relatives and intimate friends. The residue of her estate is to be divided equally between the minister, church wardens and vestry of St. Paul's Church, Charlottetown, the Clergy's Widow and Orphans' Fund, the Prince Edward Island Hospital and the Charlottetown Hospital. The executors named are Hon. F. L. Haszard and Mr. Gilbert Gaudet.

EXCELLENT OPENING BILL AT PEOPLE'S

The opening bill of the week at the People's Theatre last night was of six reels and exactly as advertised, "A programme with a punch in every item."

The well-known portrayer of western plays, G. M. Anderson, was seen in one of his greatest successes, "Broncho Billy the Gunman." It is some months since the "fans" have seen this splendid actor perform at the People's and his acting last night in this interesting drama elicited great applause and renewed the former enthusiasm to the excellent merits of "Broncho Billy," the western actor.

Pleasant diversity was given in the production of a two-reel Keystone comedy, "Caught in a Cabaret." Of this picture it will suffice to say that Chas. Chaplin, who it is claimed is the funniest man in motion pictures, was the main source of amusement.

Chapter 39 of "Our Mutual Girl" was sensationally interesting.

"The Embarrassment of Riches" was a particularly funny Edison play, in which Pat comes into his own, but makes the discovery that the worries of a rich man are even worse than those of the man in humble walks of life.

To-night there will be practically a complete change of programme. A feature of to-night's show will be a two-part drama, "In the Moonlight," a strong society play with beautiful mountain and lake scenery.

On Wednesday and Thursday at the People's a remarkable patriotic production will be put on entitled "For King and Country."

NOTRE DAME ACADEMY MUSICAL RECITAL

A most successful and enjoyable musical recital was given by the pupils of the Notre Dame Academy in their hall last evening. Included among the contributions were vocal solos, duets and choruses, violin solos, piano solos and duets; string orchestral selections and recitations. All of these reflected the highest credit on the teachers and performers alike, and easily proved that a great deal of pains and executive ability had been expended in tuition and training. Was Troubled for Years With Kidney Disease

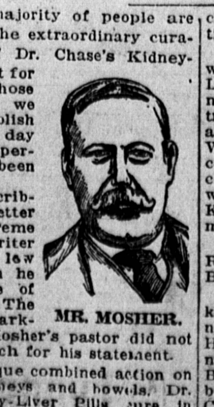
And This Treatment Cured Me—This Statement Endorsed By a Baptist Minister.

The great majority of people are familiar with the extraordinary curative powers of Dr. Chase's Kidney-Liver Pills. But for the benefit of those who are not we continue to publish from day to day reports from persons who have been actually cured.



MR. MOSHER.

The case described in this letter was an extreme one, and the writer was in a very low condition when he began the use of these pills. The cure was so marked that Mr. Mosher's pastor did not hesitate to vouch for his statement.

By their unique combined action on the liver, kidneys and bowels, Dr. Chase's Kidney-Liver Pills cure in complicated cases which defy the action of ordinary kidney medicines.

Mr. W. H. Mosher, Brockville, Ont., writes :—"I used Dr. Chase's Kidney-Liver Pills, and firmly believe there is no medicine to equal them. I was troubled for years with kidney disease, and this treatment has cured me. When I began the use of these pills I could only walk from my bed to a chair. Now I can go to the field and work like any other man. Dr. Chase's Kidney-Liver Pills are an excellent medicine."

This statement is certified to by the Rev. E. H. Emett, Baptist minister of Brockville, Ont.

By awakening the action of liver, kidneys and bowels Dr. Chase's Kidney-Liver Pills cure Constipation, Headaches, Chronic Indigestion, Kidney Disease, Liver Complaint and Backache. One pill a dose, 25 cents a box, all dealers, or Edmanson, Bates & Co., Limited, Toronto.
