CROP REPORT

Below will be found a brief synopsis of telegraphic reports received at the Head Office of the Bank of Montreal from its Branches. The Branch Managers have complete and intimate knowledge of each local situation and are in close touch with crop conditions in all sections of the districts mentioned.

General

Rains have been practically general in the Prairie Provinces during the past two days, the precipitation being particularly heavy throughout Saskatchewan and Southern Alberta. These rains have followed a week of cool weather and scattered showers—conditions that have been beneficial to the crops, which, generally speaking, are making satisfactory progress. Grasshoppers are numerous on a date still a menace, but beyond some damage reported in Southern Saskatchewan and Manitoba, the destruction of crops by these pests has not so far been serious. In Quebec all crops have responded to favourable weather and are showing healthy growth. In Ontario recent rains have improved crops generally and have revived grass pastures throughout the Province. In the Maritime Provinces the ground contains ample moisture, and warm weather is now needed. In British Columbia good growing conditions continue, and in most districts there is sufficient moisture for present requirements. Details follow:

Prairie Provinces

Alberta Northeastern Area—All grains are making good progress and pastures and hay crops are heavy. Alberta Southeastern Area—Summerfall crops are fair, but others are patchy. Pastureage has improved. Alberta Western Area—In the north wheat is in shot blade and shows a good stand. In the south grain crop conditions continue fair, but the hay crop is light. Beets are progressing satisfactorily. Saskatchewan Northern Area—Wheat generally has stood out well and early sown fields are well advanced. Coarse grains are progressing satisfactorily. Saskatchewan Southern Area—The outlook is improved but crops are uneven and small yields are expected, even under favourable conditions. Manitoba—In the northern and eastern sections moisture conditions are favourable and wheat is now in shot blade and making satisfactory progress. In the southwest some wheat is heading out but is short and uneven. Well organized measures to combat grasshoppers are proving effective.

Province of Quebec

Hay lands in all sections of the Province have approved the result of recent rains and a fair crop is now in prospect. Grass pastures are in good condition. Grains have germinated well and are progressing satisfactorily; there is sufficient moisture in the ground but warm weather is needed to stimulate growth. The apple crop is likely to be small. A good yield of strawberries is indicated and other small fruits have blossomed well. Root crops are progressing satisfactorily, potatoes particularly being well advanced.

Province of Ontario

Cutting of sweet clover and alfalfa has commenced; indications point to a light harvest. Fall wheat shows satisfactory growth, but the crop is very spotty. Oats and barley are heading out and average yields are anticipated. Corn has made good

—LIQUOR SEIZURES—The R. C. M. P. of the Summerside detachment made several liquor seizures over the week end. Saturday afternoon five and a half gallons of rum were seized and on Monday several bottles of whiskey in two different places were taken care of. The whiskey amounted to nearly two cases. No arrests were made up to the present in connection with the seizures.—S.

—WRITING ENTRANCE EXAMS—168 pupils from East Prince are writing the entrance examinations at the Summerside High School this week. The work is in charge of Professor Blanchard, assisted by School Inspectors Smith, Williams and Gallant; C. B. Jelly, principal of Summerside High School; teachers, Norman MacDonald, Elmer Roberts, Alfred Linkletter, Orville MacGausland and H. H. Harrington. The examinations started yesterday morning and will conclude on Thursday. At Alberton about seventy pupils are writing the exams under the direction of Professor J. G. Bennett. There are about 700 entrance pupils in the province.—S.

—TIGNISH SCHOOL—On Thursday, June 29th the commencement exercises of Tignish high school and Notre Dame convent were held jointly in St. Mary's hall where a large number of those most interested gathered. Mr. John Gillis, Principal, at the opening gave a very splendid review of the work covered during the year. Miss Isabel McNeill of Notre Dame then read the Salutory after which the children were examined in the various subjects, by their teachers, needless to say they reflected great credit on those responsible for their tutoring. After the distribution of prizes by the Pastor, Rev. J. A. MacDonald, a short program was presented by the pupils. Speeches were then made by the Rev. J. A. MacDonald, Rev. J. D. McNeill, Mr. A. J. Poirier and others.—T

—WEDDING BELLS—A very pretty marriage was effected in the home of Mr. C. P. Yeo, Kensington, at 9 p. m. on Wednesday. The bride, Miss Florence Dunbar Yeo was given in marriage to Mr. David Walker Murphy, Kelvin. Rev. W. S. Loring performed the ceremony. The contracting parties were unattended. The wedding march was played by Mrs. Loring. The bride-elect was given away by her father, Mr. C. P. Yeo. The bride was dressed in white organdie over pale pink satin, and carried a bouquet of pink roses and maiden hair. After the ceremony congratulations were extended and all partook of a buffet lunch, which was enjoyed by all. The young entrants into matrimonial bliss will holiday for a brief space, then they will assume household duties at the groom's home in Kelvin. On Monday evening a miscellaneous shower was conferred upon the couple by many of their friends, and numerous gifts, useful and ornamental, were bestowed.—Y.

—BIRTHDAY CELEBRATIONS—Many friends called on Mrs. William MacMurdo at her pretty home on Granville Street, Summerside, on Monday day to wish her many congratulations on the occasion of her 80th birthday, which occurred on Sunday, July 1st, and also to her brother, Mr. J. C. Minto, who will be ninety years of age on July 13th. The house was justly decorated with lovely spring flowers for the occasion. All during the afternoon and evening, Mrs. Minto and her brother were kept busy receiving guests, who came from all parts of the Province, and from all denominations. Mrs. Minto had been a resident of Summerside for many years and is highly esteemed by all classes of citizens. Mrs. Minto received many lovely gifts and appreciated very much the kindness shown her. An object of her great admiration was a beautiful inlaid table, the top of which showed the sun, moon and stars, 1,167 pieces of different kinds of wood went to make up the design. This clever piece of work was the handiwork of Mr. Minto during this last winter, and a wonderful piece of cabinet-making. Mrs. Minto also had on display a pretty silk patchwork quilt, which was begun by herself when quite a little girl, and laid aside at various times, and was completed on her 80th birthday. It has over 3,000 pieces worked into the design. Mrs. Minto served afternoon tea, and in the evening, ice cream and cake to her many visitors. Out of town guests were Mr. and Mrs. Moses Minto, of Tryon; Mr. and Mrs. John Rogers, of Hampton; Mr. and Mrs. Watson Sillocker and Mr. and Mrs. Harris of O'Leary.—S.

—DELEGATES FROM SUMMERSIDE—The delegates from Summerside attending the annual association of the United Baptist Churches at Long Creek last week were Rev. and Mrs. J. B. Wilson, Mrs. Isabella Hadden, Mrs. (Dr.) J. P. MacNeill, Mrs. Jack MacLeod, Mrs. Oliver MacNeill and Mr. and Mrs. Reuben Large, S.

—FUNERAL OF MRS. PAUL WEDGE—The funeral of Mrs. Paul Wedge was held on Tuesday morning from her late residence to St. Paul's Church. There was a very large attendance of friends who came to pay their last respects to a dear friend. Rev. Bennett MacDonald celebrated the Requiem Mass, while Rev. G. J. MacLellan, D.D., V.G., performed the last rites at the grave. The pall bearers were Mayor Lidstone, J. J. Dunphy, A. S. MacKay, Fred Murphy, Henry Gaudet, Henry Ferry.—S.

—FUNERAL OF M. P. DRISCOLL—There was a very large attendance of friends and relatives at the funeral services for Mr. M. P. Driscoll of Summerside. The funeral cortege left the late residence of the deceased at 8:30 Monday morning and wended its way to St. Malachi Church, Kinkora, where Requiem High Mass was celebrated by Rev. Dr. Smith, parish priest. The church was filled to the doors. The pall bearers were: Messrs. A. E. MacLean, M.P., T. L. Compton, E. P. Foley, Wm. Noonan, Austin Scales and W. Dean. Interment was in the Roman Catholic Cemetery at Kinkora.—S.

—PLAY ENJOYED—The theatre clientele at Tignish was delightfully surprised on Wednesday of last week when it was handed, by the local dramatic club, a very classic program, which, unlike yesterday morning, was not comedy but tragedy. Throughout the three acts our local troupe lived up to the requirements of professionals and successfully carried its burden of tragedy, while an enraptured audience followed with growing interest, from first curtain to last. The stage which was transformed from its usual denuded everyday appearance into a veritable rose garden, flanked by spruce and cedar hedges which contributed the realistic touch of aromam made a beautiful background for the talented cast to make real their actions. At the conclusion of events Mr. J. A. Bernard, on behalf of the C. W. L., under whose auspices the entertainment was staged, graciously thanked all those who in any way assisted in the success of the evenings entertainment.—T

SAFETY SPEED COMFORT SERVICE

Certainly.... Take the Children With You.

Sometimes parents who would like to take a vacation involving a railway journey are deterred from doing so by the fear that the children will be uncomfortable and become fretful and irritable. To these parents Canadian National Railways say 'don't hesitate to bring the children along.'

Everything possible will be done to make the trip a pleasure for the little ones, and no other form of transportation can provide them with the attention and comforts which railways do. On long journeys hot water may be had, day or night, for the asking, and at very low prices milk, tea, and fruit can be obtained. In the dining cars special suitable meals will be prepared and served at small cost, and at night the berths provide restful and refreshing sleep.

Children between the ages of five and twelve years travel at half fare, and if under five years and accompanied by a parent or guardian travel free. These fares are available, not only in connection with ordinary railway services, but also with all special trips, week-end and day excursions.

So do not hesitate to give the children a big thrill. Whether the journey be long or short we want them to travel with us, and promise them a hearty welcome.

HOUSE WARMING

On Wednesday, May 2nd, a very pleasant evening was spent at the home of Mr. and Mrs. Ivan Clow when a goodly number of friends and neighbors assembled to bid them a hearty welcome to their new home in Meadowbank. During the evening an address was read by Mr. Colin MacPhail and Miss Tena MacKinnon presented Mr. and Mrs. Clow with a purse of money. Mr. Clow, on behalf of himself and family, thanked the people for their kindness and generosity. Following is the address: To Mr. and Mrs. Ivan Clow: Dear Friends,—As we gather here tonight to extend to you and your family a hearty welcome, we feel that it is indeed a happy occasion for instead of coming as strangers you come as friends whom most of us know, but whom we shall now have the privilege of knowing just a little more intimately than before.

French Destroyer Will Visit Canada For Celebration

(C. P.—Havas) (By Guardian's Special Wire) PARIS, July 2.—The French destroyer Vaquelin will visit Canada during the summer to participate in the celebrations of the 400th anniversary of the arrival of Jacques Cartier in the St. Lawrence Valley. It was announced today. Aboard will be Admiral Depontevet, who will represent the French admiralty. The announcement was made to a group of distinguished Canadians in Paris to attend the French celebrations of the fourth centenary of the discovery of Canada.

Headed by Hon. Philippe Roy, Canadian Minister to France, the group called at the Ministry of Marine to acknowledge the courtesy of the French government in sending the destroyer. Present were Senator C. P. Beaubien of Montreal, joint chairman of the committee in charge of the Cartier celebration in Canada, Mayor J. E. Grogan of Quebec City, Professor Edouard Montpetit, General Secretary of the University of Montreal, and others. The visit was one event in a busy day for the Canadians. In the morning they attended the unveiling of a bust of Jacques Cartier in the Place du Canada, on the bank of the St. Lawrence. Hon. J. Beaubien, Minister of Marine, presided, delivering a brief address on the work of the St. Malo mariner. The ceremony was followed by a luncheon at which the Canadians were the guests of Sebastian Charlety, rector of the Sorbonne. During the afternoon Senator Beaubien was also received by Premier Gaston Doumergue.

REGINA, July 3.—Diet of the grasshopper on his march of destruction through the west has been well-balanced by succulent nips of vegetable fare as many amateur gardeners in the outskirts of prairie cities and villages will testify. Stripped beds of cucumbers, vegetable and squash plants, beet and carrot tops are reminders of their voracious attack. Among flowering plants they are partial to asters. Alderman J. Ellison, of Regina, declared there was a grasshopper in his garden sitting on top of every seed, waiting for it to come up.

WERE IN A TIGHT CORNER (By The Canadian Press) PROVOST, Alta., July 3.—It's a frog's life Joseph Zender, district farmer, opined when drilling post-holes for a new fence. Under deep layers of hard rock-like clay, he found three frogs imprisoned in a small cavity with no apparent outlet. When released they hopped briskly away.

...The Family Physician—The good doctor is always worth his fee. He is not always possible to get a doctor just when you want him. In such cases, common sense suggests the use of reliable home remedies, such as Dr. Thomas' Electric Oil, which is wonderfully effective in easing inflammatory pains and healing cuts, scratches, bruises and sprains. The presence of this remedy in the family medicine chest saves many a fee.
