Painful, Fatal Kidney Disease

One of the most common symptoms of kidney disease is the smarting, scalding sensation when passing water, which is likely to come very frequently and at inconvenient times. Then there is the dull, heavy aching in the small of the back and down the limbs.
 When these pains are accompanied by deposits in the urine after it has stood for twenty-four hours, you may be sure that you are a victim of kidney disease, and should not lose a single day in securing the world's greatest kidney cure—Dr. Chase's Kidney-Liver Pills.
 Don't imagine that you are experimenting when you use Dr. Chase's Kidney-Liver Pills. They are almost as well known as his great Recipe Book, have made some of the most surprising cures of kidney disease on record, and have come to be considered the only absolute cure for kidney disease. Ask your neighbors about them. Nearly everybody can tell of some remarkable cure by their use. One pill a dose: 25 cents a box, at all dealers', or Edman-son, Bates & Co., Toronto.

THE EDITORS' MAIL.

Letter From Mr. Whear, M. L. A.

SIR.—The unexpected ending of the Martin-McKinnon election trial prevented me from giving evidence on oath respecting a statement made by John Larkins, one of the witnesses examined, in which my name is used. I may say in the first place that I do not know Mr. Larkins and while it is true he did not positively state that I was the man who gave him the liquor or the order for it, or the money, still he did in a general way mention my name and leave the impression that I had given him liquor or an order for liquor as well as money.
 I desire now publicly to state over my own signature what I would have stated on oath had the case not ended so suddenly, namely, that I did not give Larkins directly or indirectly any liquor or any order to get liquor nor did I give him any money whatsoever.
 So far as I am concerned I am innocent of any connection with the matter.

CLAIMS SECRET OF PERPETUAL MOTION.

Jersey City Man Says Weights and Springs Furnish All the Necessary Power.

NEW YORK, Feb. 2.—James Conroy, of 127 Hopkins Avenue, Jersey City, says he has solved the problem of perpetual motion, as applied to the driving of machinery without the use of electricity, fuel or like power of any kind. He says his discovery is a combination of weights and springs.
 Mr. Conroy insists that through the use of his machine power to any extent can be obtained and that the power will go on forever.
 One of the most practical things about the discovery, Mr. Conroy declares, is that in a case a portion of the power is, through accident, disarranged for the time being the engine can go right on working with a diminished power.

CHRONIC BRONCHITIS.

Rev. J. N. Van Natter, of Streaton, Ill., writes:—"About one year ago I obtained from you six bottles of Dr. Chase's Syrup of Linseed and Turpentine. I gave way two and took the other four. I had been seriously afflicted with Chronic Bronchitis for ten years and could get no relief. A leading physician told me that it was only a question of time until it would wear me out, but thanks to this wonderful remedy for Dr. Chase I am now a strong man." 25 cents a bottle, at all dealers.

BRITAIN'S SHIP BUILDING INDUSTRY.

Last year the ever lunched vessel-692, aggregating 1,424,711 tons. Vessels totaling 2,304,183 tons were built for the whole world. This shows that more than half the ship building for the world was done in the British Isles.

COULD SCARCELY WALK.

Mr. George Thompson, a leading merchant of Blenheim, Ont., states:—"I was troubled with itching piles for fifteen years, and at times they were so bad I could scarcely walk. I tried a great many remedies, but never found anything like Dr. Chase's Ointment. After the third application I obtained relief, and was completely cured by using one to six." Ask your neighbors about Dr. Chase's Ointment, the only absolute cure for piles.

LAURIER'S MOVEMENTS.

VANCOUVER, Feb. 1.—It is announced here that Sir Wilfrid Laurier has abandoned the proposed trip to Australia and next summer will visit British Columbia and the Yukon district.

TO NERVOUS WOMEN.

Mrs. D. W. Crossberry, of 168 Richmond Street, Toronto, says:—"My daughter's nerves were so exhausted and she was so weak and debilitated that she had to give up work and was almost a victim of nervous prostration. Dr. Chase's Nerve Food proved an excellent remedy in restoring her to health and strength. After having used four boxes she is at work again healthy and happy. 25 cts. a box at all dealers.

ANNOUNCEMENT

To the Free and Independent Civic Electors of Charlottetown:—
 LADIES AND GENTLEMEN:—
 I beg to say that I will be a Candidate for re-election as a Commissioner of Sewer and Water Supply in the coming election, to be held on Wednesday the 13th of February next.
 In making this announcement I am most anxious that my position be clearly understood.
 I have been alleged and freely reported during the last few days that in this election I have formed an alliance with, or am in some way associated with, the candidature of Mr. S. W. Crabbe. I most emphatically deny that any such alliance or connection exists.
 No doubt Mr. Crabbe is perfectly capable of taking care of himself in the coming contest, and has never spoken to me in reference to his or my election.
 I am simply seeking re-election on merit, as one free and independent of any combine, party or persons having a desire only to gain my election honestly and fairly without prejudice to any.
 I now solicit for myself the same generous and hearty support you so freely gave me when you so handsomely re-elected me at the last election for a Commissioner.
 Should you again elect me as one of the said Commissioners I shall endeavor as in the past, to represent you honestly and faithfully to the best of my ability.
 Yours truly,
CHAS. MCGREGOR,
 Com. of Sewer and Water Supply,
