Notice To DEBTORS

We have just sent out our monthly accounts and respectfully request a prompt settlement of same. To the great majority of those having accounts with us this notice is sufficient, but there is another class to whom we refer principally, viz: those having accounts overdue for the past year or more, and who neglect to make any provision to meet them. All such accounts, if not settled on or before the 10th day of December, will be sued for. This to be regarded as a final notice. We would strongly advise a prompt settlement in order to avoid law expenses.
