TO SAVE EYES

Is the Object of This Free Prescription—Try It if your Eyes Give You Trouble.

Thousands of people suffer from eye troubles because they do not know what to do. They know some good home remedy for every other minor ailment, but none for their eye troubles. They neglect their eyes, because the trouble is not sufficient to drive them to an eye specialist, who would, anyway, charge them a heavy fee.

As a last resort they go to an optician or to the five and ten-cent store, and oftentimes get glasses that do not help, or which, after being used a few months, do their eyes more injury than good.

Here is a simple prescription that every one should use: 5 grains Bon-Opto dissolved in 1/2 glass of water. Use three or four times a day to soothe the eyes. This prescription and the simple Bon-Opto system keeps the eyes clean, sharpens the vision and quickly overcomes inflammation and irritation; weak, watery, overworked, tired eyes and other similar troubles are greatly benefited and often cured by its use. Many reports show that wearers of glasses have discarded them after a few weeks' use.

It is good for the eyes, and contains no ingredient which would injure the most sensitive eyes of an infant or the aged. Our own druggist can fill this prescription, or the Valmas Drug Co. of Toronto will fill it for you. It is a simple matter to know for once what real eye comfort is.

A prominent City Physician to whom the above article was submitted, writes in a very interesting letter: "Bon-Opto is a very valuable remedy. Its constituent ingredients are well known to me. It can be obtained from any good druggist and is one of the very few preparations I feel bound to keep on hand for regular supply."

"E. A. Foster and Reddin Bros. fill many Bon Opto prescriptions, and will gladly fill yours!"

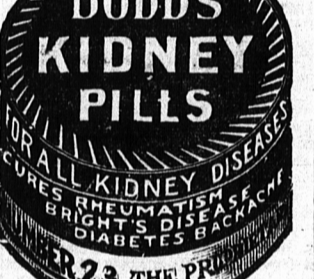

STRATEGIC POINT WRESTED FROM HUNS BL LANCASHIRES.

British headquarters in France May 18, via London, May 19—It develops that the action of the battalion of the loyal North Lancashires and the Lancashire Fusiliers on the 15th was a strategically important attack, and gained a strategic point, the crest of the redoubt about Vimy ridge, the possession of which means the command of the plan of Lens.

Since the British took over this section from the French in the early stage of the battle of Verdun, the Germans had been holding stubbornly the vantage of the higher ground, and inflicting heavy casualties on the British. After a successful explosion of mines, just after dark, the Lancashires, who are made up largely of cotton operatives from Manchester rushed from their trenches to the lips of the craters.

Every detail in the programme of the operation, from the putting of machine guns out of action, bringing up sandbags with which to build breastworks, and defending the position by means of bombs, was carried out successfully. Morning found the Lancashires thoroughly entrenched and had connected their old line by communications six feet deep.

DODD'S KIDNEY PILLS

Border Wilkes NO. 29 GRADE.

One of the most beautiful carriage stallions in the maritime provinces will make the season 1916, at the owners stables where he will be cheerfully shown. He is a complete duplicate of his celebrated sire Broder 2.11 1/2 bred in Tennessee and owned by H.C. Lydiard N. S., dam Shandon Belle by Almont Wilkes dam of Score card 2.30 in a winning race on a heavy track, was one of the best all round blood nesses in the province. By his breeding on both sides it can readily be seen Border Wilkes is not of the mixed gaited hop step and leap kind that are always known to be busy in the bunch killing time in the rear whilst the up headed, straight gaited, graceful striders are winning the money. Terms \$10.00 for season set to Dec. 1st, 1916. Insure \$13.00. JOSEPH McDONALD, Vernon Rier Bridge, Vernon Bridge, R. R. No. 2, Owner. 9909-5-24MwfmESTh61pdt.

There will be very low rates on the P. E. I. Railway line from all points.

The admission fee will be 25 cents, which takes to the Grand Stand.
