**ADDRESSES ARE** Presented to Rev. H. Carter on eve of Departure To Take up the Work in Another Field of Labor. Murray Harbor Honors departing Pastor.

Notwithstanding the very unfavorable condition of the roads, a few friends met to pay a parting visit to Rev. H. Carter of Murray Harbor who was to leave for Port Hillford, N. S. a few days ago. Rev. E. Gillis representing the Presbyterian Church was present, also E. T. Geddings representing the Methodist Church. These with others spoke very encouraging words to the departing pastor and his wife which will long be remembered.

The following address with a cash donation, was then presented by Miss A. E. Horton, to which a suitable reply was made: **REV. H. CARTER,** **REVS. SIB AND BROTHER:**—As you are about to leave our midst, and go to another field of labor, we who have been your associates in Church, Sunday School, temperance and other works, and who have enjoyed meeting you also in our homes, feel that before you leave, we must express our regret that you are going away. We need not say we are sorry and will sorely miss you, who have been in the habit of meeting you in the Lodge room and Sunday school and listening to your words of advice and counsel as well as those of us who have had the privilege of listening to the warnings, advice, and admonition, given to us from the pulpit the last five years. We fear it will be long before we get one so much interested in every phase of Christian work, and we trust in the new home to which you go, you will carry the same earnest spirit of self sacrifice, for the good of God's cause, and that we will hear of your being foremost in every good word and work. We will pray for your success and trust the people among whom you go to labor, will appreciate your work as we do. We trust God will bless you and Mrs. Carter and family in your new home, and make you ever more useful than you have been here.

Please accept this small token of the esteem in which you are held by your associates on the executive of the Grand Lodge of I. O. G. F. The lodges of our district, the members of the Baptist church and personal friends outside of our church. And now in closing let us say may the God in whom you trust, watch over and lead you, make you instruments for good. Signed on behalf of the friends. **REV. E. GILLIS** **D. MCKEANAN** **A. E.
