ONLY 1-50 OF A GRAIN

Fruit is good for you. Ripe figs are a splendid laxative to regulate the bowels. Prunes are good for stomach and liver. Orange juice is splendid for the nerves and sleeplessness. Apples heal the kidneys and increase the flow of urine. If apple juice be evaporated to a gray powder, 1-50 of a grain of this powder has the same action on the kidneys as half a pint of fresh apple juice. Two "Fruit-a-tives" tablets contain more than 1-50 of the medicinal part of apple juice, besides the healing, curative virtues of oranges, figs and prunes. More than that, "Fruit-a-tives" are concentrated and combined with tonics and antiseptics by a secret process which increases their powers over disease many times.

In the death of Mrs. Neil MacGougan on Wednesday evening, Feb 28th, the community of Malpeque loses an aged and respected member. She had reached to well past even the four score years, and had through weakness, been compelled to keep to her room for about 10 years. This long period of trial, she bore with Christian resignation, always assured of the presence of the unseen friend and helper, and rejoicing even in her afflictions. The family surviving are Janies at home, John in Kensington; Mrs. Thos. Ramsay of Hamilton; Mrs. Compton, St. Eleanors and Mrs. Gordon of Georgetown; Mr. McGougan pre-deceased his wife by a few months.

Today the Bank of Nova Scotia will occupy their new offices in the Schurman block for the first time. These offices present a very fine appearance as they are entered from the corner of Summer and Water Streets. The fittings are of quartered oak and burnished brass procured from the London Office and Specialty Co. of London, Ont. and were set up under the superintendence of M. F. Schurman & Co. The Manager's office is in the rear of the corridor and faces on Summer street. It is not yet completed but will be furnished the same as the main office. There are two vaults, one in the basement for the books of the institution and the other for the cash of the main office. No doubt the efficient local management of this bank will meet with even greater success in the future than they have in the past.

They purify and cleanse the system, prevent headache, billiousness and sick stomach. Island Blend TEA Competition

How many days, hours and minutes will it take the new Steamship lately purchased by the Charlottetown Steam Navigation Co. to come from the pier she last casts off her lines at in Britain until she is moored at the first port of call in P. E. Island?

To establish the superiority of Island Blend Tea over all others, I am going to give the people of P. E. Island an opportunity to thoroughly test its good qualities in the following way:—

To the FIRST person sending the correct answer to the above, or who comes the nearest to the correct answer, I will ship 50 lbs. Island Blend Tea; to the three next nearest to the correct answer, 20 lbs. each: to the next five, 10 lbs. each; to the next seven, 5 lbs. each; to the next ten, 3 lbs. each.

CONDITIONS—Each person making a guess must purchase at least one pound of Island Blend Tea from a merchant. All answers must be forwarded in a special envelope, which will be furnished by the merchant. No other answers than those contained in these special envelopes will be considered. The statement of the captain of the new steamer as regards time taken will be accepted as correct.

All answers must be received by me at least three days before arrival of the steamer. The result will be announced in the newspapers and the tea forwarded to the successful competitors not later than two weeks after the arrival of the steamer.
