NASH

Announces 3 new EIGHTS and a new SIX

NEVER was such motor car quality offered at prices so sensationally low. The literally startling difference becomes at once apparent when you contrast the prices of the new and finer Nash series, with prices of corresponding models a year ago.

Its low non-productive overhead, its elimination of borrowed capital, and remarkably foresighted manufacturing alone enable Nash to offer so much for so little. The unique example in value-giving thus provided

the industry was planned last November. At that time, C. W. Nash and the strong group of executives surrounding him, clearly foresaw present conditions. They at once began to design cars affording value so great, so unmitigable, as to overcome all buying reluctance.

The result is instantly apparent. Even casual inspection of the four new Nash cars establishes the fact that nothing even remotely approaching them in downright dollar value has ever been available in their respective price fields.

LETTER OF SYMPATHY
Midgell, P. E. I.,
Sept. 26, 1930

Mrs. John Jay,
Midgell, P. E. I.
Dear Mrs. Jay:

We, the members of Marie Women's Institute desire to extend to you our sincere sympathy in the recent death of your father.

Although Mr. Birt was not a resident of this district, he was highly esteemed by those who had the pleasure of his acquaintance. Death at all times is sad but more especially so when a kind and loving father leaves his home and loved ones.

May God, Who does all things best, give you strength to bear your great loss.

Signed on behalf of the members of Marie Women's Institute,
Emma Mobbs, Vice President,
Mrs. T.R. Cullen, Secretary.

Robbery More Than Incident

CHICAGO, Oct. 8.—Robbery in Chicago, generally regarded as merely an incident, becomes more than an incident when the wife of the Mayor is held up and robbed of \$17,000 in jewels. It may mean an upheaval of the entire police department.

son's jewels from her at pistol point tonight are not captured in short order, something may happen to "Hard Bolled" Commissioner John Alcock. "It's up to the Commissioner," said the Mayor. "We will see if he can make good."

Rumors spread that the robbery consummated plans of the "Scarface Al" Capone syndicate to force Alcock from office as spectacularly as possible. Then, according to the same rumor or an attempt would be made to put

a reasonable Commissioner in Alstoner Alcock replied: "I have my own ideas about them and they will be fully investigated." He said he expected the robbery to be solved soon.
