Mike Jacobs Reviews Year

NEW YORK, June 29 (AP)—With nothing on tap in Madison Square Garden's ring until July 14, promoter Mike Jacobs took time today to thumb through his books to see how he's been doing. He also decided that the year, despite its heavy loads on pugilistic talent, hasn't hurt the game. He also decided that the little fellows can draw about as well as the big guys, including the world champ.

For the last three years the 20th Century Club has sponsored 11 shows annually between the first of the year and the middle of April, when the circus moved into the Garden.

And for those 11 shows, the last three seasons the figures show:

Year	Attendance	Receipts
1942	150,340	\$84,188
1943	152,372	\$85,372
1944	182,822	\$107,002

Army Team Hard Hit By Transfers

A game in the City Senior Softball League, between the R.C.A.F. Abroadmen and the Army failed to materialize last night when the army outfit depleted by transfers to other training camps, was unable to field a team. It was not known immediately whether the Army would continue in the league or be forced to withdraw.

Gives Figures Re Juvenile Delinquents

OTTAWA, June 29 (CP)—The Dominion Bureau of Statistics said today 33 juveniles per 10,000 of the population of ages 7 to 16 were convicted of breaches of the law during 1943, of whom 33 were convicted of major offences and 20 for minor offences.

Ontario led all provinces with a rate of 73 convictions, with British Columbia second with 57. Prince Edward Island followed with 52, Quebec 50, Nova Scotia 49, New Brunswick 49, Manitoba 37, Alberta 32 and Saskatchewan 29.

Ontario led the Dominion in convictions of juveniles for major offences. The rate per 10,000 of the juvenile population being 49.

New Brunswick was second with 39, followed by Nova Scotia with 38, British Columbia 37, Prince Edward Island 31, Manitoba 31, Alberta 25, Quebec 23 and Saskatchewan 22.

Quebec had the highest rate of convictions of juveniles for minor offences, the figure standing at 27 per 10,000 of the juvenile population. Ontario followed with 24, Prince Edward Island 21, British Columbia 20, Nova Scotia 19, Manitoba 18, Alberta seven, Saskatchewan six and Saskatchewan four.

Allied Planes Strike Deep Into Germany

LONDON, June 29 (CP)—Two thousand American planes—1,000 heavy bombers with an equal number of escorting fighters—struck deep into Germany today and blasted aircraft production centres and railway and other targets, while other formations of the Allied fighters and medium bombers swarmed in scoring support of ground troops.

Another prong of this ceaseless aerial offensive was aimed again at the Pas de Calais coast of France against the German flying-bomb installations. As the robot bombers continued to fall on England, R.A.F. heavy bombers swept over the channel during the afternoon and blasted launching ramps and equipment, losing five of the attacking force.

The heaviest day of air operations since last Sunday began in darkness when some 500 R.A.F. and U.S. bombers carried heavy bombs against German supply lines to within a few miles of the German border, hitting Metz in France.

All day the Allies poured explosives both on the inner and outer bastions of Europe, and Supreme Headquarters disclosed that the Germans now were forced to send their fighters from bases more than 100 miles beyond the lines, as the result of Allied attacks on airfields.

The air ministry said the Germans have moved "a considerable number of night-fighter squadrons into France and Holland in a related effort to check the widespread destruction of the continental rail systems."

German factories in northern France now are so extensively disrupted that traffic in many sections has been cut to a trickle.

Stalin's Message On Cherbourg's Fall

LONDON, June 29 (CP)—Premier Joseph Stalin congratulated Prime Minister Churchill on the capture of Cherbourg in these words:

"Accept my warm congratulations on the liberation of the town of Cherbourg from the German invaders. I greet the heroic British and American troops on the occasion of this brilliant success."

Mr. Churchill replied:

"We are honored by your congratulations and for your greetings to the American and British troops on the occasion of this most pregnant victory."

The messages were made public tonight.

Oppose Liquor Advertising

SACKVILLE, N.B., June 29 (CP)—The Maritime branch of the Woman's Missionary Society today adopted a resolution disapproving publication in Canadian magazines and newspapers of recipes including liquor. The Federal and Provincial governments were requested to prohibit such advertising and to restrict further the sale of liquor.

Speakers today included Mrs. W. A. MacLean, Inverness, N.S., and Mrs. J. E. Campbell, Berwick, N.S.

When the school for leaders held each summer at Berwick, N.S., emphasizing new recruits for missionary duties was stressed this afternoon. Some missions have had to be closed for lack of workers.

The custom of English parents selling their children to the Irish for slaves was prohibited by King Canute about 1017.

DOWN - THE - BACK STRETCH

Middleton, N.S. postponed race meet was held on Saturday with three classes. The Match Race between Gaiety McGregor and Lina Volo was won by the former in straight heats. She is owned by C. H. Phinney. Time, 2:25, 2:51. The name Gaiety McGregor at once recalled to mind the good pacing mare Gaiety McGregor 2:07 which "Red" Hanafin raced here some ten or twelve years ago. Well, gentlemen, she is one and the same with the winner of the match race at Middleton and she must answer to at least seven-year-old, perhaps more.

Like Heatherbell she is a daughter of McGregor the Great 2:03 1-4 and that never say die spirit and vitality which characterized Heatherbell is much possessed by her half sister. It is an inheritance from Robert McGregor 2:17, known as The Monarch of the Home Streets, and the sire of Crescens 02, former world's champion trotter that, as the height of his fame, was sold for a reputed sum of \$20,000 to a Russian nobleman and ended his career ingloriously in that country.

Another match race on the program was between Joe Direct 2:07, owned by B. Baxter, and Tracey Hanover 2:08, owned by Jack Scott. Joe was 1-1, best time 2:20. Named Race rounded off the program and had four starters, Tommy Volo, driven by Cecil Phinney, was 1-2, Queen Dewey (C. Phinney) 1-1, Joe Volo (R. H. Norton) 2-3, Evelyn Worthy (H. Butler) was 3-4. Best time 2:28.

Matinee race were also held at Harry O'Brien's track at Alburton but we have not received any particulars regarding the meet.

Last evening we had a letter from John A. MacDonald, Secretary of the Union Trotting and Saddle Club, New Glasgow, N.S., where race meets will be held on the track and next Wednesday, July 1st, and 5th. Here is the news: "Due to the dry month of May we were held up for a while on the track, but the heavy rain last week has helped wonderfully and we are sure we will have the track in perfect shape for Saturday, Monday and Tuesday. All three classes for the holiday are well filled. In the 2:30 Stake, purse \$500, there will be nine starters viz: Johnny Eager 2:11 1-4 owned by Dr. F. Seaman, Charlottetown, that arrived at the track on Monday; Helen K. 2:08 1-4, formerly owned by Milton Bell of Charlottetown and now owned by St. John, who has been in the track since 1943; Pearl Direct 2:18 1-4, Bud the Tramp, Delaware, Manchester's Alberta 2:18, with Nitro 2:19, Leo Reynolds, a possible starter.

Johnny Eager is the only trotter in the bunch but if he lives up to his name he will be a real hot horse. He should make it hot for the pacers, although Belle of Brooklyn has been working excellently well in the past. He is a real hot horse. The track record is 2:06 1-4, as you know Colonel, and was made by Hal B. Direct 2:04, June 14th, 1943. Some of the boys think it may be lowered tomorrow.

The 2:30 green class has a large entry and very little is known about them which will perhaps make it even more interesting. They are as follows: Shaugh, owned by Cyril Dauphinee, Halifax, Johnny Early by Singing Sam, owned by Dan Collier, Stellerton, Patrick Abbe, a three year old by Bert Abbe, owned by William Stewart, Moncton, Ac, a five-year-old by Peter Henley, owned by Dave Nelma, New Glasgow, and Peter as Court Rover 2:45 1-4, owned by W. G. Stewart, New Glasgow.

Now for Wednesday, July 5th, the No. 2 Free for All for five entries, Dale H. 2:06, that raced so well for Walter Hennessey of Charlottetown last year, Mighty Hanover 2:02 3-4, owned by W. G. Stewart, New Glasgow, Gay Law 2:05 1-4, brought in early this spring from Ohio, Willie 2:08, another Ohio racer of class, and The Great G. 2:02 1-2, owned by Cyril Dauphinee. No need to tell you that this should make a dandy race. Around here the talk is Mighty Hanover, Gay Law and Willie. Who knows, Dale H. or The Great G. may upset the dope.

The 2:15 class has a nice list with the champion race winner of 1943, Bonnie Budlong 2:10 at the top. She will have a new driver—Pat McKenna, Alice Grattan 2:07 2-4, Stanley D. 2:09, Lullubelle Abbe 2:10 1-2, Peter Direct, Jr. 2:11 1-4 and Colleen Scott 2:10 1-2. The entries in the remaining class have not been announced yet but there are plenty of horses to fill it up and make real racing. They include among others Sir Admiral 2:11 1-2, O. U. Volo 2:23, Peter Reamer, 2:11 1-4, which by the way is back again in Joe O'Brien's stable. You will remember he was the season's leading race winning pacer of 1942.

Here are some of the workouts the past week. Mighty Hanover 2:10 1-4, has been a mile in 2:14 with the last quarter in 30 seconds. Nate Hanover 1:59 1-2 was a mile in 2:14 1-4 with the last quarter in 31 seconds. Dale H. 2:06 has not beaten 2:18 with his last quarter in 32 seconds. Colleen Scott 2:10 1-2, now round into good shape. She was a bit hard to get started in the hoppers but is going good now. A new import from Ontario is Helen K. 2:08, a fine looking mare, five years old, dam acey axter. Don't forget to send entry blank for Old Home Week races, well all be there.

Thanks, John A. we were anxiously looking forward to the above list of starters and let us congratulate you on having brought together such a wealth of great race material and we sincerely hope that you will have the best meets of all time—July 1st and 5th.

Last week we gave a list of the probable starters at Summerside, July 1st, and since then race secretary Willard MacDonell has published them in this paper. We are all familiar with them and we know that you are having a really pleasant afternoon with plenty of good finishes. Take the 2:14 Trot and Pace with Brownwood Tiger 2:07 1-2, the high priced Dr. Brodie Jane Harvester 2:10 1-2, Padmalci 2:09 1-2, Basil Hanover 2:04 1-2. There is a class that is the makings of real speculation. Don't overlook Basil Hanover, he is in tip top shape for Teddy Weil, and Jean Henley of course, whose Basil having paced any fast miles is in the pink.

The 2:27 Pace will be a battle royal between Bud Bishop 2:17, Margaret Rose 2:15 1-2, Marjorie 2:14 TROT AND PACE

DOWN THE BACK STRETCH

Budlong 2:17 and several others, and keep your eye on the ice champion pacer, Peter Budlong 2:14, who has been a mile in 2:17 mile in 1:03 1-2 which is really stepping.

The 2:19 Trot and Pace will see the first appearance on a Maritime track of the Ontario pacer star, Gift Line 2:08, who has won the June French 2:12, Wait 'N' See 2:12, Raymond Budlong 2:13, Winnie Scott 2:12 and Royal Jim 2:17.

In the 2:19 Trot the entries include Christie Budlong, Kelly's Nightmare, both of which have worked in 2:17 or better, Mickey Volo 2:15 1-2, Lusty's First, San TON, now now retired for the season and Baron. It is particularly pleasing to the writer to see such a good array of trotters and it is a class that we feel many will be greatly interested in. Yes, Willard MacDonald has done a good job and the race meet at Summerside promises to be one of the best of the season.

J. Leo Praught will hold a matinee race at Riverside July 5th, and he has built stables, erected a grand stand and improved his race track. Leo tells us he has plenty of horses and will give the public a fine afternoon's sport.

They had a big race meet at Marion, Ohio, on June 17th, and the surprise of the week, in fact the biggest surprise so far this season, was the victory of F. R. G. in the 2:04 pace. Starters included the high priced Dr. Brodie Cartynagle and Prince Yahlma, with several others of lesser class, but the old warrior proved too good for them. He was sold two years ago for less than \$500, thought to be washed up but has won over a dozen races since.

Hanover's Bertha 3, 1:59 1-2, one of the greatest trotting mares of all time and an equally good producer, died June 14th at Hanover Shoe Farms. She was one of three sisters that acquired records of better than two minutes, the others being Miss Bertha Hanover 4, 2:00, and Charlotte Hanover.

Danish Patriots In Huge Demonstrations

STOCKHOLM, June 29 (AP)—More than 1,000 bonfires burned in the streets of Copenhagen tonight as Danish patriots continued anti-Nazi demonstrations in which 11 persons have been killed and 24 wounded, the free Danish press service reported.

Danes ran through the streets, hurling pictures of Hitler into the air and singing "God Save The King," the news service said, adding that British flags were hoisted at many places.

Major Al Rogers Heads Co'y In Italian Fighting

By DOUG HOW
WITH THE CANADIAN CORPS IN ITALY, June 29 (CP)—In nine days of action, the West Nova Scotia Regiment advanced through the Liri Valley from Pigliatore delivered the final blow which permitted exploitation of the breach in the Hitler line, and made it possible for Canadians to exploit by establishing a bridgehead across the Melfa River.

In a period when Canadians are fighting as a corps for the first time in this war, these were spectacular days in the unit's history.

After reaching its objective and clearing numerous houses almost an entire company was surprised and captured while digging in during a period of deceptive quiet.

Then the Germans, apparently unaware that the Canadians had advanced so quickly, marched them straight into the lines of another company.

The company opened fire on the Germans and all became confusion. Lieut. Gordon Hebb, Bridgewater, N.S., knocked aside the machine-guns, a paratrooper was holding at the back of Cpl. L. A. Shaule, Rydal Bank, N.S., and with that threat removed the brawl began. Shaule went at the German with his fists. Nova Scotians fought with their fists, entrenching tools, German weapons and their own. Sydney, N.S., was shooting them with his rifle butt. Pte. C. D. Williams, Sydney, N.S., was shooting them with his Bren.

It ended with 18 Germans dead and four as prisoners.

Tanks and infantry counter-attacked a company under Maj. Al Rogers, Charlottetown, and were taken off by the Canadian tanks firing from the rear and by infantry fire. When another attack came in against a company under Capt. R. K. Rhodes, Middleton, N.S., artillery took charge of the tanks, infantry fire killed many German infantrymen.

Agriculture In Post-War Years Is Discussed

SAINT JOHN, N.B., June 29 (CP)—Agriculture in post-war years was discussed tonight by Hon. John A. McDonald, Nova Scotia Minister of Agriculture, in an address at the annual banquet of the National Association of master plumbers and heating contractors of Canada.

"Agriculture has a duty to perform to show the people of Ontario that not only in the economy of the country as a whole is to prosper," he said, "economically sound to take a third of the population of any country, give them as low as a living wage to live on in the future, and unless we can in the future the rural population would continue to decline and urban population continue to increase."

Before the war farmers did business on a less-than-cost basis of production and kept alive by having lower standards of living than their hours of work, industry and investment warranted.

Statistics showed that Canada's farming population—one-third of the country's workers—received 10.5 per cent of the national income in 1939. This position was two and a half times better than in 1922, if Canada must be developed agriculturally or eventually it would become a country of waste lands.

The farmer must be given a fair chance to get a return on his investment for his work and investment. He had no better chance in the past, and unless he can in the future the rural population would continue to decline and urban population continue to increase.

The Federal Government would have a "colossal" amount of plumb material available for disposal after the war. These articles, paid for by the people of Canada, should be used to the best advantage for the people of Canada.

The annual cutting of English printers and their apprentices is called a waygoose.
