DOWN THE BACK STRETCH

John B. Andrew, East Royalty, is very pleased with the foal which recently arrived, sired by Calmet Budlong 202 3-4, out of Nellie A. by the British Soldier. The dam of Nellie A. produced fourteen, the major part of which took marks of 2:20 or better, including the great campaigner Brenton H. 2:15 1-2. Nellie A.'s dam was by Almont Wilkes and her granddam by Alright She. Her twenty-four years of age and is as smart and fit as a fiddle.

The writer can recall twenty years ago when she appeared on the ice as a four-year-old and caught the fancy of the crowd with her smooth action and bursts of speed. Mr. Andrew received many offers for her but turned them all down stating that he would not part with her for far more money than she would bring. In addition to the foal of Calmet Budlong she has a two-year-old by Abbe Worthy and a year-old by Abbe Worthy, that bring visitors to the Andrew property because of reports that have gone out of their beauty and style as well as splendid development. It seems to me that Mr. Andrew has in the produce of Nellie A., material that will, if trained, leave their impress on the training or pacing annals of the Maritimes.

We received a letter on Thursday from Bob Brown, well known race man of Woodstock, N. B., which states that in the past few weeks he has not looked very much like training or racing weather. However, the track is drying out fast and horses will be ready to go double-Headers right away. He believes that with all the new horses in Nova Scotia there will be more interest than ever in horse racing this season, and is looking forward to his annual trip to Charlottetown.

At present Earle Avery is training four aged horses and breaking a filly by Calmet Budlong 202 3-4 out of Fairweather. Ray Henley 201 3-4 is real fat and rested up and Earle looks for him to have a good year. He won at Skowhegan last August in 2:05. Miss O'Brien Volo 2:08 1-2 is in great shape, her feet are good and she seems to be full of zip. She is one lovely trotter, as I know. What a wonderful brood mare would be. Volodia 2:08 1-4, Henry Clukey's former pupil, eligible to the 2:14 pace, should win a lot of races for a good year. He got his first start at Rochester, N. H., at the end of the season. He is also training Miss America 2:05 1-4, eligible to the 2:16 pace. Later on he expects three horses from Maine.

Al Langille has Tracy Hanover 2:04 1-4, Calmet Duds 2:03 and The Baker. They look good and Al will win quite a few races with them. Peter Cole will be giving his attention to colts. Billy 2:10 1-4 and Almee Chan 2:11 3-4, owned by Haley McLaughan 2:10 1-4, owned by Fairfield, Maine, arrived in Woodstock in charge of a caretaker who will likely do the training.

Vic Holdaway, Houlton, Maine, well known to Islanders, is training his free-for-all horse Laurel Hanover 1:59 1-4 and Peter Dale 2:03 1-4, eligible to the 2:11 pace. They will likely turn them over to Earl Avery in the near future. Earl Avery of Houlton, is the man who bought Dr. H. 1:59 1-4 for the free-for-alls. He is a mighty good pacer, has manners and speed.

Ted Grant, who won second in the 2:11 pace and first in the 2:14 pace with Doliv Asoff 2:08 1-4 at the Provincial Exhibition, Charlottetown, last week, is training with Calmet Coburn 2:10 1-4 in the 2:17 trot. Will be training these two again. Calmet Coburn will be on the pace. This is all the horse news in Bob's section. Thanks, Bob.

When Jim Pendergast visited us a couple of weeks ago we expected a promise that he would use his facilities to give us some particulars regarding the horses in training and prospective speed candidates in Washington and vicinity. Well, Jim is a man of his word, as we have always found, and here goes: "In conversation with horsemen here we think it would be advisable to refer to the rules as enacted by the amnated Trotting Association, New rules are regarding driver's license, eligibility, certificates, starter's qualifications and registrations of two-year-olds that are to be raced this year. These appear to be the most important at present. We have made out this list as well as we could, but possibly have overlooked some.

Tyndal Sample, veteran trainer who is always to be found at each racing season, is again training the good trotter Squire Hancock 2:15, owned by Sample and Alexander. Guy Todd 2:17 1-4, owned by Captain J. Head, and a two-year-old filly by Grant Hal Norboro. Other speed here that looks good is Nancy Scott by

Belini Scott 2:08, four-year-old owned by the veteran horseman William Toombs, of "Happy George" fame. Cameron Hal by Sampson Hal 2:02 3-4, sired an imported mare owned by James Gorman, Kensington. Babe McElwain, five-year-old pacer eligible to the 2:25 class, looks real good. She took a record of 2:10 1-4 as a two-year-old and is now owned by Peter McMahon, Kensington.

Myron McArthur's stable is as usual in good shape, with Ethel Bellini (2) 2:29, by Bellini Scott, Laciopa Lass, owned by George Brooks, and Bellini Scott 2:09, Guy Ann 2:11, owned by Geo. A. Calbeck, Summerside, now wintered by Myron and left for home last Saturday in excellent shape.

Robert Humphrey has a promising two-year-old by Abbe Worthy, out of Monna, a full sister of Pickle 2:14 1-4, by San Francisco 2:07 1-4, both bred at Walnut Hill Farm, Lexington, Kentucky. He also has a yearling from Monna, named by Calmet Budlong 2:02 3-4, and a filly which arrived May 3, by Calmet Budlong 2:02 3-4 from the same dam. Mrs. J. Lawless, Norboro, is the proud owner of Calmet Budlong foal just ten days old. He also has a yearling by Budlong from the same dam, Mr. Lawless is the man who sold the Willis 2:14 1-4 to Charles Reardon some years ago for a big price.

George A. Calbeck is training Guy Ann 2:11 1-4 and Lady Guy, a five-year-old given to Dr. H. M. Marshall's stable, but owned by Charles Horton, Murray River, who gave her winter jogging. Little Aubrey, by Kalmuck, is also owned by Mr. Horton. This pair will be cared for by Austin Tierney, Charles Reardon will have charge of Millie Kalmuck 2:12 1-2, Royal Todd, and Mollie Gratton 2:14 1-4, by Orestes Gratton, eligible to the 2:26 pace.

Mollie, raced as a four-year-old last season over Ontario and Quebec tracks in fast company, but acquitted herself well. She was a bit thin from her strenuous campaign when she arrived here last fall, but has filled out and looks like a formidable competitor for the slow paces.

Other stables expected to move out today or early next week are the following: Fred O'Brien, in charge. Power Bros., Pete McKenna's, Hugh and Neil Walker's with Teddy Weir in charge, so it looks like lots of fun and a lively Spring. The following are the winter grounds made through the winter in splendid shape and many people are remarking on their beautiful appearance. They are certainly to be used in a way that few plants in Canada can excel.

Miserable weather conditions through the first seven days of the Narragansett, R. I., Spring meeting for the runners failed to show an appreciable effect on the track. People did the Chamberlain act, forcing themselves with umbrellas or raincoats and at the close of the seven days \$5,000 of bets had been made, showing an average daily betting of \$360, 774.

Andrew Perry of Summerside has sent his two colts and Dude Potomkin 2:07 1-2, in charge of Lloyd O'Brien, to Alberton, where they will receive their training. Volo Scott, four-year-old pacer, owned by Fred and G. E. Summerside, in Lloyd's string has also gone to Alberton.

Silver Bars 2:06, by Grittan Bars 1:59 1-2, that she took from Winnipeg to Charlottetown with others in the Robie Inor stable that arrived too late to race at the Provincial Exhibition. In 1937 and 1938 she has won the 2:11 pace with Betty Bars, made good in the west last season, winning eight races and taking a record of 2:06 over a half-mile track. Betty Bars did not reduce her record that she came here with of 2:08 1-4. She started in thirteen races but only won two.

H. T. Fulton of Upper Stewiacke N. S., who owned Jane Asoff p. 1-59 1-2, the last two years she was raced in the Parshall stable concluded a three weeks visit to Pinehurst recently. Her own the two-year-old trotter Gallant Heart, by Volomite 2:03 1-4, and the two-year-old pacer Marvel, by Abbe-dale, in the Parshall stable. He was greatly pleased with their speed showing.

The Duke of Windsor, two-year-old in the H. M. Parshall stable, a full brother to Ella Macey 1:59 1-4, was a mile in 2:19, last quarter 34 seconds, at Pinehurst recently.

Simmerings Around The Sport Front

BY ALAN RANDAL
Canadian Press Staff Writer
NEW YORK, May 5 (AP)—It pays to be laughed at... Al Schacht, the baseball clown, is making so much money at his trade in the minor leagues, that he's worrying about the income tax collector... Connie Mack, veteran of 55 baseball campaigns, opposes suggestions of big clubs distributing player strength to help eventually even up... "things will eventually even up," says the old optimist...

At Churchill Downs tomorrow it may be that Xalpa Clow will be running to save the "old homestead". Mrs. Bessie Franzheim, owner of the Clow, is a defendant in a suit which asks that she be removed from the debts of the late E. F. Simms, Mrs. Franzheim's father...

Lou Nova is training for Max Baer on the estate of Dr. Pierre Bernard, teacher of Yoga philosophy and the camp seems more like a centre of Hindu magic than training quarters... towering book-cases adorn Nova's practice ring... in them are such mystic tomes as "mysteries of Mythra", "Ojibwa texts", and "senescence and rejuvenescence"...

Seems only yesterday Larry MacPhail was thinking of Van Lingsa Mungo and warbling "I get along with you very well"... but things change... now Brooklyn Dodgers view Van Mungo as a starting pitcher they're very pleased with him... Mickey Walker, one-time waterweight ruler, needs spare change these days... so he's sponsoring nightly exhibitions of girl boxers now... Peppery Martin is thinking of running for deputy sheriff of Oklahoma City...

Seven-man rugby makes its American bow Sunday at Manhattan Beach... Manager Bill Terry of New York Giants and his two stars, Mel Ott and Carl Hubbell turn teachers tomorrow... they will conduct classes at the World's Fair court of sports for the big league stars of tomorrow.

Armstrong To Defend Titles

NEW YORK, May 5 (CP)—Tiger Terry Warrington, of Liverpool N. S., heavyweight and light-weight boxing champion of Canada, will defend both titles against Eddie Weinstob of Edmonton at Edmonton, June 1. Bobby North, the champion's manager announced today.

Reds Down League Leading Bees In 13-Inning Battle; Cards Defeat Giants 7-5

NEW YORK, May 5 (AP)—St. Louis Cardinals swarmed from behind today to beat New York Giants 7-5 on the six-hit pitching of Art Davis. Bob Seods put on an individual hitting display with a home run in the second and another in the fourth with two on base but the visitors overcame this margin with a five-run flurry which chased Cydell Castelman and Bill Lohrman in the sixth. After pitching two-hit shutout ball for five innings, Castelman was removed when he walked Terry Moore with the bases full. Then Don Guttridge scored two more with a Texas Leaguer to left field. Mickey Owen doubled Moore home and Guttridge scored as Jim Brown hit into a double play. Cincinnati maintained its tie-for-second place whipping the league-leading Boston Bees, 5-4 in a 13-inning battle despite the courageous pitching of Dick Erickson.

The Reds took advantage of a momentary lapse by Erickson to lash out two singles in the 13th inning to win the game and advance to within a game of first place. Frank McCormick, who singled, advanced on an infield out by Ernie Lombardi, and raced home on a hit by Harry Craft.

Fourth Straight Win Pittsburgh Pirates chalked up their fourth straight victory, but it took their veteran relief pitcher Mace Brown, to cut short a ninth inning rally by the Phillies to save the game. The final score was 10-7. Trailing by eight runs going into the last of the ninth, the Phils combined three hits with three errors to outnumber the other team score five runs before Brown replaced Truett Sewell with men on first and second and two out. The veteran Chuck Klein, up for the second time in the inning, was the first man to face Brown. He took a called strike, then grounded out to end the game.

Tribe Drops Yankees To Second Place With 2-1 Win

NEW YORK, May 5 (AP)—Cleveland Indians nosed out New York Yankees 2-1 in the 11th inning today and dropped the championship from second place in the American League behind Boston.

Hal Trosky, veteran first baseman for the tribe, wrecked a nicely pitched six-hit game by Lefty Gomez when he doubled his own pitcher, southpaw Al Milnar home in the second extra frame. Milnar walked to open the inning and Trosky pitched over the Indians after Tom Henrich's single and Bill Dickey's double had scored for the Yankees in the first half of the same inning. A three-hit pitching performance by Rookie Woodrow Rich sent Boston into the League lead with a 4-1 victory over Detroit. Tigers, who were downed last night by the Indians, scored nine Boston hits but home runs by Manager Guy Crozin and Jimmy Fox gave the Sox their winning margin. Rowe batted in the lone Detroit run with a single in the 11th inning. He struck out Ted Williams, Boston's star, and knocked two successive home runs yesterday, three times.

Chicago White Sox, specializing in high-scoring defensive play, won their ninth victory in 11 starts as Larry Rosenthal, sixth inning home run gave Lefty Lea a 2-1 decision over Washington. Lee and Joe Krukaukas, Washington southpaw, yielded eight hits and each saw an unearned run run.

Connie Mack returned Sam Chapman to the Philadelphia lineup and the young centre-fielder responded by hitting a single, double, triple and home run to lead the Athletics to a 10-5 victory over St. Louis Browns.

Bob Johnson and Wilson Miles, who flanked Chapman in the A's outfield, each got three hits. Johnson's collection, including a double and a homer, tied the Athletics for hits in all of Bill Trotter, Horry Kimberlin and Fred Johnson, the Browns, pitchers.

Will Not Promote Tennis Tourney

VANCOUVER, May 5 (CP)—Secretary Harry Monk of the Vancouver Lawn Tennis and Badminton Club said today officials of the club had decided the Canadian Tennis Championships would not be played here as scheduled this summer.

The decision was made, he said, because the Canadian Lawn Tennis Association had not decided until the May whether Canada would enter the Davis Cup competition. This would not leave sufficient time to promote the Dominion title event satisfactorily.

LONDON, May 5 (AP)—The British Boxing Board of Control today declined to sanction a world light-heavyweight championship bout between Len Harvey of England and Johnny Lewis of the United States after giving a physical examination.

At the same time the Board declined to grant Lewis permission to box in England.

IN THIS CORNER

Tom Claybourne and Kid Nickerson promise to be in the best of condition for their ten round scrap at the Sporting Club Monday, a fight that features the second boxing card of the season. Both have been training steadily and indications point to a bristling encounter.

Nickerson the underdog in the betting today is confident of giving the cool-working Claybourne in the centre of the ring and the manner in which he has been working out has given his handlers confidence that their batter is ready to put up the fight of his life.

Plymouth Rocks Capture Exhibition Candle Pin Game From Saint John Team

Plymouth Rocks, classy Charlottetown girls bowling team last night defeated the visiting St. John Police Force team in an exhibition game of candle pins rolled on the Charlottetown Alleys by the narrow margin of 48 pins.

Asking for a previous defeat suffered at the hands of their male opponents on a recent visit to Saint John the local girls last night chalked up victories in each of the three strings but it was only by the narrowest of margins and the outcome of the match was in doubt right up to the final frame.

Rocks in a body contested first game took a 6 point lead; during an equally close second string they came through in the final frames to increase their margin to 22 as they outscored their opponents 425 to 406 and then they enjoyed their biggest margin in the best string of the match rolling a total pinfall of 473 to Saint John 449.

Leading the scorers was Mrs. Dot McDonald with a total three strings of 282 while the high single went to Spinney of the visitors as he topped the maps for 107 in the final string of the match.

In the afternoon game Saint John had a little too much on the ball, beating the local R. C. M. P. team by 69 narrowest of margins gained most of their margin in the first game by getting a majority of 52 points; they again outscored the locals in the second by 8 pins and then won by nine in the final string of the match.

McLesse of the visitors rolled high three total of 277 pins while the same bowler shared high single honors with teammate Spinney with 105, both scores being rolled in the first string.

Lineups and scores: Afternoon game:— R. C. M. P.:— Ellison 91 81 71 Monaghan 80 66 80 MacLellan 80 81 87 C. Lish 70 79 91 Lawlor 79 88 93 Total—1218.

St. John Police bowling team yesterday split two exhibition matches with Charlottetown squads defeating the R. C. M. P. team in the afternoon game but then being upset by the Plymouth Rocks, stary ladies bowling team in the evening encounter.

The girls' victory was sweet revenge for a game they had lost to the same squad on a recent visit to the Loyalist City. The winners won every string but only by the narrowest of margins and the outcome of the match was in doubt right up to the final frame.

The games, witnessed by large crowds of spectators proved entertaining from every angle. The visitors were sportsmen of the highest order and they made a big hit with the railbirds and on any further visits they may pay they will be assured of a hearty welcome.
