A Wonderful Woman.

Perhaps the most remarkable digestive apparatus on record, so far as human beings are concerned, passed out of existence recently when a certain Mrs. Williams died at Bristol, England, "at a good old age." One time it is said, the lady seized a box of dominos and swallowed twenty-eight pieces. On another occasion she consumed one and a half pounds of gravel, and later she swallowed thirteen iron screws. None of these things apparently harmed her.

Explained.

Must Be!

Pains in the stomach and attacks of the colic come on so suddenly and are so extremely painful that immediate relief must be obtained. There is no necessity of sending for a doctor in such cases if a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy is at hand. No doctor can prescribe a better medicine. For sale by all druggists.

Appetite Was Poor!
Dizzy Most of The Time!
Could Not Sleep at Night!

Many people are unaware of having anything wrong with their heart or nerves till some little excitement or overwork makes them feel faint and dizzy, or perhaps simply going up or down stairs causes dizziness and specks to float before the eyes. People troubled in this way should heed the warning, and not fail to take treatment before something more serious occurs.
