"THE BEST YEAR I'VE EVER HAD, JIM"

The farmer who puts in a successful year knows how to farm. Did you have your best year? Weather troubles? Of course, every farmer has those. What is it then? Here's the secret - read it. It's fertilizer, the best fertilizer, Albatros Granular Fertilizer. It provides the necessary elements your soil needs for bigger crops and more profits at the end of the year. For the best investment use Albatros, the time tested granular Fertilizer.

Each granule contains all the vital elements your farmland needs. Its dustless, porous nature and its balanced content of Nitrogen, Phosphoric Acid and Potash make it the ideal plant food. For increased fertility of soil and more abundant crops use time-tested Albatros Granular Fertilizer - it pays!

Free-flowing, dustless Albatros Granular Fertilizer will not lump or cake. It is clean and easy to handle and stores without deterioration or loss of weight. It insures uniform distribution when applied... an important factor for an even stand, a good yield and a better crop. This year invest in Albatros!

ALBATROS FERTILIZER Granular THE BEST IN A BETTER FORM
