Jesse Owens, sensational negro school-boy sprinter of Cleveland, Ohio, has given several amazing performances in the past two months. At the National Inter-Scholastic Championships in Chicago he equaled the world's record for 100 yards 9.4, stepped the 220 yards in 20.7 seconds and hung up a new mark of 24 ft. 9 5/8 ins. for the running broad jump. By scoring 30 points he gave to his school the Inter-Scholastic Championship of the U. S. A.

In addition to the above remarkable feats he won the Senior National Amateur Athletic Union Championship of the U. S. A. for the running broad jump with a leap of 24 ft. 6 3/4 ins., making a clean sweep of the Inter-Scholastic Junior and National Championships. The first time this has ever been done.

It is interesting to note how negroes dominate the sprint events of the United States. To-day Inter-Scholastic, Junior and Senior Championships for 100 yards and 220 yards are held exclusively by negroes.

This has been a year for record breaking in athletics. The sixteen pound shotput world's record which had stood for years was broken by Jack Torrance, giant shot-putter of Louisiana, who hurled the iron ball 62 ft. 10 ins. The 800 metre record which was established by Or. Otto Peitzer at the Olympic Games in 1926 was reduced by the western U. S. A. runner, Charles Hornbostel to 1:50.9. The world's record for 220 yards low hurdles was reduced from 23 secs. to 22.9 secs. by Hardin. The world's record for 100 yards of 9.4 was equalled by Metcalfe and Owens and the 220-yards reduced by Ralph Metcalfe to 20.4 secs.

The roll of world's champion pugilists is made up of three Jews, two Italians, one Irishman, one Englishman, two Negroes, one from Cuba and the other from Panama, one Frenchman and one German. For years the Irish and English held the limelight in pugilism. Now it is the Jews and Italians who are prominent in fistfights.

The National Football League of the U. S. A. has adopted the hockey playoff system for 1933. The reason is that it boosts the gate receipts, which of course are necessary to carry along any form of sport.

Pigeon racing is a form of sport which has many devotees. In a race which ended last Monday from Romeo, Mich., to Boston, Mass., there were 671 pigeons entered and a great lot of interest was taken in the outcome.

Jack Sharkey believes that his defeat by Primo Carnera was due to the fact that he had not engaged in a fight for over a year prior to meeting the giant Italian. He now plans to fight three times between now and the end of the year and then once more attempt to regain his old title of world's champion slugger.

The largest betless race meeting in the world will be staged by the Westchester Racing Association of New York State at Belmont Park Sept. 4 to 16. Over \$1,000,000 will be paid out in purses to the runners. Although betting is banned there will be lots of it on the sly no doubt.

Three cities are said to be anxious to purchase the Ottawa Hockey franchise in the National Hockey League. These are Baltimore, Md., Cleveland, Ohio and Milwaukee, Wis. Baltimore is said to be willing to pay \$200,000 for the franchise and entire team.

Following is the list of tennis champions crowned at the close of the annual Wimbledon tournament. Men's Singles, Jack Crawford, Australia. Women's Singles, Helen Wills Moody, Berkeley, Cal. Men's Doubles, Jean Borotra, and Jacques Brugnon, France. Women's Doubles, Elizabeth Ryan, California and Mme. Rene Matteu, France. Mixed Doubles, Baron Gottfried von Cramm and Hilda Krahwinkel, Germany.

In September 1913 we had the pleasure of witnessing Parker Hooper in a wonderful race win the quarter mile championship of the Maritime Provinces and lower the record held by Ralph Forbes from 51.1-2.2 secs to 50.4-5 seconds. Just the other day a boy of nineteen, Frank Nicks, reduced that record in the Inter-Scholastic races at Halifax to 50.1-5 secs. It had remained for twenty years. Col. J. P. Hooper has been one of the first to eulogize the new champion.

The greatest price ever paid for a trotter or pacer in Canada was the \$28,000 in Canadian money paid by Tommy Murphy of the U. S. A. in 1920 to Frank Murehey of Milltown, N. B., manager of Bill Sharen 204 1-4, owned by Archie Alcorn, Blackville, N. B. Bill at that time had a record of 2:11 1-4 made at Charlottetown Exhibition in September of that year. He had raced undefeated as a four year old and five year old.

One of the greatest mile races that the world has ever seen is expected to result when Jack Lovelock of Oxford University, who recently won the mile in the Oxford-

## ISLAND RIFLEMAN MAKES GOOD SHOWING

### Sgt. P. Hooper Makes 48 Out of Possible 50 At 200 yd. Range.

BISLEY CAMP, ENGLAND, July 14.—(OP Cable)—Canadian marksmen got their first taste of action in the National Rifle Association's great Empire meeting today and acquitted themselves creditably, but they didn't pull down the prizes. Two big matches were run off as the heavy competition got under way and in each the best Canadian scorer was two points below the top.

Lieut. G. Booth of the City Rifle Club captured the Conan Doyle challenge stautette, a service rifle shoot at 200 and 500 yards, by showing a perfect score of 70 for the two stages. Lt.-Col. C. W. Gibson, of Hamilton, best of the 15 Canadians competing, had a 68, 34 at each range.

Several English marksmen tied for leadership in the Donegal Service Rifle match at 200 yards earlier in the day, having highest possible scores of 50. Here three Canadians had 48's—Lt. A. G. Gunter of Saint John; Sgt. P. Hooper of Prince Edward Island, and Sgt.-Maj. N. J. McLeod of Toronto.

The Canadians were especially confident in their outlook to the keen competition that is ahead in view of the performances of Gunter and Hooper, who are making their first trip to the historical annual gathering.

Saturday is a big day with the Wimbledon, Times, Stock Exchange, Daily Mail and Duke of Cambridge shoots, a great preparation for the week that lies ahead and which winds up the big meeting with the final stage of the classic King's Prize a week from tomorrow.

## RAINVILLE AND EDWARDS IN TENNIS FINAL

(Canadian Press) OTTAWA, July 14.—The Eastern Canada tennis title dangled before two veteran players tonight, Marcel Rainville, perennial Davis cupper from Montreal and J. C. I. Edwards of Ottawa, ranking third in Ontario. Rainville will go into the final tomorrow as a result of his 6-4, 6-4, 6-1 win over Ross Wilson of Toronto. Edwards put out his fellow clubmate, George LeClerc, also in straight sets, 6-4, 6-1, 6-2.

All Toronto Final The final in the women's singles will be an all-Toronto event, between Jean Burditt, ranked second to Olive Wade in Ontario, and Beatrice Symons, fourth player in the Province. Miss Burditt had a straight set win today over the Toronto veteran of tennis and badminton, Mrs. E. F. Cope, 6-4, 6-4, 6-1. Miss Symons had more difficulty advancing to the final, taking a three-set match from another veteran of Ontario tennis, Mrs. H. L. Beer of Ottawa, 4-6, 6-4, 6-2.

Battle in Doubles Ontario's champion doubles combination, Edwards and Leclerc of Ottawa will meet Rainville and Wilson in the final. The Ottawa team eliminated the Montreal combination of A. McMartin and E. Savard, 6-4, 6-2, 6-1, but the Rainville-Wilson team almost caught a tartar in Grant McLean, singles champion of Toronto and 18-year-old Bill Piggott of Hamilton. In the hardest fought match of the day, Rainville and Wilson won 6-3, 4-6, 8-6, 7-5, through steadier play and greater experience.

P. R. A. The Annual Prize Meeting of the Prince Edward Island Provincial Rifle Association will be held on Charlottetown Rifle Range July 17th and 18th, commencing at 8:30 a.m. Make your entries early. CHARLES LEIGH, Lieut.-Col. Secretary Treasurer.

## FAST LIST OF ENTRIES FOR NORTHAM RACES

### WORD FROM RACE COURSE REVEALS FAST SET OF STEPPERS FOR RACE MEET

The Free-for-all class at Milligan and Morrison's big meet on Wednesday, 19th, has seven of the fastest horses that ever faced a starter in the Maritime Provinces.

The following are some of the entries: Darkey Gratton, owned by H. T. Fulton, Upper Stewiacke, N. S.

Nell Frisco, owned by Chas. Ballard, Sydney. Calumet Browning, the Canadian champion for 1932, will arrive at Northam Saturday night.

Marjorie M. I Am Alone, and King Spruce, who holds the Northam track record, are already on the grounds, not forgetting Volo Rico, who won from Lucky Lindy on Dominion Day in Summerside, (his mark being 2:04) who, under the skillful reismanship of Pat McKenna, will make them all step.

An experienced horseman has stated that he would not attempt to pick a winner in this bunch. What a chance for the Par-mutual!

It will not be at all surprising to see a new Maritime track record made on Wednesday next.

The other classes are all well filled, twelve entries in already for the 2:15 trot has such starters as King Frisco, High Toby, Shenandoah, Peter Daves, Golden, Frank J. Ortolan, and last but not least Addie McGraw, entered by McNeill and Raymond of Charlottetown.

## TENNIS STARS FOR PROVINCIAL TOURNAMENT

### Aug. 7-12 Are Dates Set For Local Meet — Splendid Entry List Assured.

The big Open Provincial Tournament, sponsored by the Provincial Tennis Association will be played at the Charlottetown Courts, Victoria Park, August 7 to 12 next.

Already a splendid outside entry list is assured. The brilliant Halifax entry of last year will be supplemented by Mr. Hugh McLennan, recently returned from Oxford University, England. McLennan was Nova Scotia champion in 1931; he remained in England last year.

Miss Currie, P. E. I. lady champion and Mrs. Woodbury, will be here again, also "Cliff" Wiswell, Harry Roper, Bev. Piers, Bob Donahoe and other N. S. stars. Ottawa will again be represented by the same outstanding players as participated last year—Mrs. Beer, Miss Ryker, Messrs. Condon, LeClerc, Commander Edwards and Stuart Sharpe. Mrs. Edwards, who is also a brilliant player, will very probably accompany her husband.

Last year's champion, Mr. Laird Watt, by virtue of becoming Quebec champion last week, has been selected as representative of that Province at the Dominion Championship at Vancouver, beginning July 24th. Word has not yet been received from him as to whether he can reach here in time. Interest will however centre on George LeClerc, who conquered Watt in the Ottawa Tournament now being played. The popular team of Renne and Little from Toronto, will again appear on Aug. 7th and before the entry list closes on August 1st, a splendid array of tennis talent will be arranged for the classic event.

The grounds at Victoria Park have been greatly improved this season; the playing surfaces are about perfect and should be productive of the finest tennis ever witnessed here.
