No further action has been taken by the refiners of Montreal or the Acadia Refining Co. of Halifax.

HALIFAX Recorder: St. Dunstan's beat St. Francis Xavier yesterday at Charlottetown, 3 to 0, and a despatch says: In view of the recent tie match between Dalhousie and St. Francis, St. Dunstan's feel that they are worthy claimants for the championship of Eastern Canada.

How about Mount Allison claiming the championship under such circumstances? Dalhousie only beat the Wanderers 6 to 0 and 8 to 3, while the St. John's team beat the Wanderers 14 to 0. King's College also might come in with a claim against Dalhousie, as Mount Allison only beat them 5 to 0. Acadia college also have a claim as they played a draw with Mount Allison which also brings the Y. M. C. A. into consideration, as the latter played a draw with Acadia. This claim, however would bring in the army, who had won the place from the Y. M. C. A. for senior league and the Navy have twice beaten the army. And if this decided championship were continued, Dalhousie II. would have a claim by their defeat of the Y. M. C. A.; then Navy II. could come in with their defeat of Dalhousie II. and the Wanderers II might be heard from for defeating the Navy II and even the Crescents might be considered as Navy II' forfeited to them. (Champions are decided on contests, not on paper.
