STYLE AND FINISH

Without quality can't make permanent business. But quality without Style and Finish never gets any business. It's so the world over. So we crowd in our boots, all that catches the eye—but we never forget to put into them that inherent wearing value which makes them "stand the racket". One of the correct things for men's wear is a heavy soled calf with wide toe, \$4.50, leather lined. Worth it! Worth more!

Dr. A. Gilmore

An assistant surgeon in the British East India Army says a native, swallowed 15 rupees worth \$7.50 one of which is shown in the museum of the College of Physicians and Surgeons of London. Now we are going to give a reduction of 40 per cent off for three or four weeks as we part money on account of having a dull trade the past winter, and we are going to make better of it than swallowing it or putting it on exhibition or museums. We want the money to pay for our new goods just arrived and also to pay other bills, so come along and help us. We have some very nice Brooches, rings, sleeve links, watches and chains, ladies' guard chains, stick pins, clock, silverware, spectacles, etc.
