

PATERSON'S
COUGH DROPS
THEY WILL CURE

A. Timely Suggestion

Everybody experiences a certain degree of lassitude during the period of early spring and summer. While this may not be at all alarming in the case of the robust and healthy, it is an entirely different matter to those who are not naturally strong, who take cold easily, who are predisposed to consumption, or who, from any cause are not "up to the mark." These require something to build up and fortify the system, something that will assist nature to restore a healthy and normal tone, not a stimulant, but a builder. The ideal system builder is

FERROL

a combination of Iron and Phosphorized Oil. FERROL is a food rather than a medicine. It is a perfect concentrated medicinal food, containing neither alcohol, dope nor harmful drugs of any kind. FERROL is the original and only combination of Iron with Cod Liver Oil, and owing to the peculiar method of compounding and manufacture, FERROL is palatable, easy to digest, can be taken in all seasons, and never fails to restore the run-down system.

ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupation space that directs attention along given and desired lines can be reachably resorted to unless it can carry forth its appended to this end the advertising advantage.—American Medical Journal

"Sir, I came across a bottle of your MINARD'S LINIMENT in the baggage of one of the students at the University of Maryland, and being so kind as to let me use it for a very bad sprain, which I continued in refusing for some time, and so convinced in referring for some time, I saw that it helped me would be putting it very mildly, and I therefore ask if you would let know of one of your agents that I could obtain some of it. Thanking you in advance, I remain,
Yours truly,

When the Liver is out of Order

calomel, cascara, salts, strong liver pills and purging mineral waters won't do any permanent good.

When a person is bilious, the liver is not giving up enough bile to move the bowels regularly—and some of the bile is being absorbed by the blood. In other words, the liver is in a weakened, unhealthy condition.

Now, purgatives don't act on the liver at all. They merely irritate the bowels, and afford only temporary relief. But FRUIT-A-TIVES are the one true LIVER TONIC. They act directly on the liver—strengthen and invigorate this vital organ—and put it in a normal, healthy condition.

FRUIT-A-TIVES also stimulate the glands of the skin—and regulate the kidneys and sweeten the stomach. When skin, liver and kidneys are normally healthy, there can be no biliousness, no constipation, no kidney trouble, no impure blood, no headaches.

No other medicine known to science is so reliable and so effective in curing Biliousness as these fruit liver tablets.

FRUIT-A-TIVES are fruit juices with tonics added—and are free from alcohol and dangerous drugs. 50c. a box or 6 for \$2.50. Sent on receipt of price, if your druggist does not handle them.
