..\*PEMBROKE SCHOOL — An entertainment followed by a Christmas Tree and luncheon was held at Pembroke School on the afternoon of December 23rd. Mr. James Llewellyn presided. After a short speech by the chairman an interesting program of choruses, dialogues and recitations was presented by the pupils. Then Santa Claus in the person of Mr. Andrew McKenzie appeared in his furs and bells and merrily dispensed his annual gifts to the children. Following the distribution of presents a splendid lunch was served to pupils and visitors by the Women's Institute of Pembroke.

..\*STURGEON INSTITUTE—The December meeting of the Sturgeon Women's Institute was held on Wednesday, Dec. 9, at the home of Mrs. Hugh Collings. The ten members present were pleased to welcome three new members. Meeting opened with Institute Ode, followed by roll call which was answered with verses of crepe paper. Minutes of previous meeting were read and approved. Committees heard from and new ones appointed School, Mrs. Benj. Graham and Mrs. Thomas Creed. Sick, Mrs. Richard Llewellyn and Mrs. Maurice Daly. Voted to pay the teachers \$3.00 for treat for school closing, also to pay C. H. Hicken and son \$10.00 on account. Decided to use the \$2.50 voted for best attendance in purchasing small gifts for each child with perfect attendance. The members planned to hold a Bazaar in the school room on December 16, for the purpose of raising money for school work. Meeting closed with the National Anthem. After which the hostess served refreshments.

..\*ARMADALE SCHOOL — The semi annual examination of Armadale School was held in the school house on the evening of Dec. 23rd. Besides the people of the district upward of thirty visitors were present. The school room was very tastefully decorated for the occasion. A very pretty Christmas Tree occupied one corner of the room heavily laden with presents for all. Hugh C. MacPhee was appointed chairman. The pupils were examined in different subjects by their teacher, Miss Margaret Long, ably assisted by Rev. L. P. Callaghan and Miss Lucy Long teacher of St. Charles. The prompt and correct answers showed very careful training on the part of the teacher. After the examination an enjoyable programme of drills and recitations was carried out by the pupils. Following is the programme. "A Christmas Greeting" by Carrie MacPhee. Recitation "The Bachelor's Hall" by Elmer McInnis. "The Christmas Quiz" by Joseph MacPhee. Drill, "Christmas Morn" by thirteen pupils. Recitation, "When Pa is Sick" by Regie McKinnon. Recitation, "The New Cook" by Lauretta MacPhee. Recitation, "I'm Thankful" by Tdna MacPhee. Drill, "Canada East and West" by eleven pupils. Recitation, "My Brother Dan is Acting Queer" by Lemuel MacDonald. Recitation "Warning to Santa Claus" by Francis McKinnon. Drill "O Little Town of Bethlehem" by four girls. Recitation "Grandpa and Grandma" by Dora MacPhee. Recitation "Coming of Santa Claus" by Hugh MacInnis. "The Favorite Tree by three little boys. "Christmas Over All The Land" by four pupils. After the programme music was furnished by Nell McInnis and Hugh MacPhee. But much louder than the strains of the violin could be heard the jingle of bells outside and Santa Claus as was expected appeared in his usual good humor. After treating the pupils to fruit and candy and presents from the tree, including a prize for attendance, awarded by the teacher, won by Dora MacPhee, he tripped the light fantastic with some of the people present, much to the delight of the younger audience. Then he, after many adieus, left. The house was called to order and appropriate words addressed to the teacher and pupils were spoken by Rev. L. P. Callaghan and Allan J. McAdam. A vote of thanks was tendered the teacher and the meeting closed by singing the National Anthem.

### Royal Commission To Investigate Coal Situation

(Canadian Press) GLACE BAY, N.S., Jan. 6.—In a statement to local unions of the United Mine Workers of district 26, issued tonight by President D.W. Morrison and his executive, locals are asked to prepare any evidence they may care to present to the Royal Commission which is to investigate the coal industry under appointment by the Nova Scotia Government.

The statement reviews the three-day conference of Government, union and company officials at Halifax, which led to the decision to extend the present wage contract one month pending a commission's action.

### Civic Politics In Sydney

(Canadian Press) SYDNEY, N. S., Jan. 6.—Former Mayor William FitzGerald and Carl D. Ryan, President of local branch Canadian Legion, are opposing candidates for the mayoralty of Sydney, vacated this year by J. W. McConnell, after several years' office. The elections are set for January 12.

Four aldermen have been chosen by acclamation. They are S. E. Mughah, Angus McDonald, Seymour Hines, and Starr McLeod. Three vacancies on the City Council will be filled by ballot.

### When Your Cough Hangs On, Mix This at Home

For coughs due to colds, the best remedy that money could buy can easily be mixed at home. It saves money and gives you the most reliable, quick-acting medicine you ever used. The way it takes hold of stubborn coughs, giving immediate relief, is astonishing.

Any druggist can supply you with 2½ ounces of Pinex. Pour this into a 16 oz. bottle, and fill up with plain granulated sugar syrup or strained honey. It's no trouble at all to mix, and when you once use it, you will never be without it. Keeps perfectly and tastes good—children really like it.

It is surprising how quickly this loosens the germ-laden phlegm, and soothes the inflamed membranes. At the same time, part of the medicine is absorbed into the blood, where it acts directly on the bronchial tubes, and helps the system throw off the whole trouble. Even those severe coughs which follow cold epidemics, are promptly ended.

Pinex is a highly concentrated compound of Norway Pine, containing the active agent of creosote, in a refined, palatable form. Nothing known in medicine is more helpful in cases of severe coughs and bronchial irritations. Do not accept a substitute for Pinex. It is guaranteed to give prompt relief or money refunded.

### Trouble Follows N. S. Family

(Canadian Press)

HALIFAX, N. S., Jan. 6.—Last spring Joshua Keddy, 65, went to Montreal to work; within two weeks he was back at his home here ill. Mrs. Keddy's sister, an invalid for years, lived with the family. In November a son, Basil, broke his leg playing football. On the same day, a daughter, underwent a serious operation, and is also convalescent.

The pinch was too great for the one daughter who was still working. Joshua Keddy decided that he would have to risk what remained of health. Last Monday he secured a job on Chebucto road sewer construction.

Yesterday afternoon he dropped dead of natural causes.

"We've been living on hypocrisy and bunk and catchwords ever since the war!"—John Dewey.

"There is no canon against using common sense in construing laws as saying what they obviously mean."—Oliver Wendell Holmes.
