MARKED INCREASE REPORTED IN HOLDINGS OF GOVERNMENT AND OTHER HIGH GRADE BONDS—Total Assets Stand at \$769,166,272—Quickly Available Assets are as High as \$439,768,506 and are Equal to 63.46 Per Cent of all Liabilities to Public—Excess of Assets Over Liabilities is \$76,160,954.

Bank of Montreal Report Shows Maintenance of Usual Strong Position

Marked Increase Reported in Holdings of Government and Other High Grade Bonds—Total Assets Stand at \$769,166,272—Quickly Available Assets are as High as \$439,768,506 and are Equal to 63.46 Per Cent of all Liabilities to Public—Excess of Assets Over Liabilities is \$76,160,954.

Featured by unusually strong liquid reserves and affording every reason for confidence, the Bank of Montreal annual statement makes its appearance at an opportune time. Financial conditions, not only in Canada, but throughout the world, have been of an exceptional nature and on this account there will be a distinct feeling of satisfaction that the Bank of Montreal again reports to its shareholders the maintenance of its usual strength.

As was to be expected, due to the lessened industrial activity, there has been a slight ing off in a number of the accounts, as compared with a year ago, but this has been very moderate, in view of the general conditions. On the other hand, there has been a marked increase in the holdings of Government and other high grade bonds and debentures.

Total deposits continue at a satisfactory level, well above the \$600,000,000 mark. The profit and loss account shows profits for the year considerably below those reported for the previous year. They were, however, sufficient to permit payment of dividends and other charges and provide a further addition to profit and loss account.

Large Liquid Assets. The annual statement, which is for the fiscal year to October 31st, and is presented in easily understandable form, appears elsewhere in this issue. It shows total assets of \$769,166,272, as compared with \$794,523,333 at the end of the previous year. Included among these are quickly available resources of \$439,768,506, equal to 63.46 per cent of all liabilities to the public. They are up from \$417,408,508 a year ago. The principal accounts in the quickly available resources are represented by government and other bonds and debentures, of a value of \$268,729,664, up from \$236,433,817 a year ago. Cash on hand and in Central Gold Reserves stands at \$84,976,182.

During the period there has been a steady reduction in call loans, with the result that call loans outside of Canada are down to \$20,071,135 from \$28,252,802, while call loans in Canada now stand at \$5,187,690, against \$9,243,921 at the end of the previous year.

As a result of the lessened activity in industry and trade generally, current loans continued to recede from the higher levels of more active years and now stand at \$302,931,269, as compared with \$348,525,148 a year ago.

Deposits continue at a healthy level and would seem to indicate a desire on the part of Canadian depositors to maintain ample savings accounts during difficult periods. Total deposits are reported at \$648,832,663 and compare with \$663,047,251.

A particularly interesting feature of the report is that it shows total assets of \$769,166,272 with which to meet payment of all liabilities to the public of \$693,005,318, leaving an excess of assets over liabilities to the public of \$76,160,954.

The profit and loss account reflects the smaller amount of business offering during the year. Total profits were \$4,663,100, as compared with \$5,386,379 in the previous year. The distributions made from profits were: dividends to shareholders \$3,980,000; provision for taxes Dominion Government \$487,671; reservation for bank premises \$100,000, leaving a balance to be carried forward of \$145,429. This amount, added to the balance of \$1,103,427 carried forward at the end of the previous year, brought the total balance at the end of the fiscal year to \$1,248,856.

The report will be submitted to shareholders at the annual meeting, which will be held at the head office of the Bank in Montreal on Monday, December 5th.

Anyone who attends Father Bradley's first sermon is sure to make every sacrifice to miss not one of them. The reason is not far to seek, for the great Missioner is the embodiment of zeal for his glorious work, eloquence, a mastery handling of the subjects he develops, which are often clarified by personal experiences in the field of his missionary successes, a commanding presence, and above all his love and sympathy for his listeners, his love and desire to save souls.

Next meeting to be held at the home of Mrs. John MacEntee, on Dec. 13th, roll call to be answered with "Different Ways of Using Potatoes." On motion, the meeting was brought to a close. Following is the President's Report:

Another year has passed and I am pleased to report that we have held twelve social and instructive meetings and four special meetings at which all our members were very co-operative, but we still encounter one draw-back, "lack of members," and during the past year, we have lost four of our valued members, lowering our membership to thirteen. However, since our last annual meeting, we have contributed to the Red Cross Sanatorium, had our school cleaned, bought shades, and locks, gifts for the children as well as paint for the interior of the school, the work of painting being done by our members alone, for which we received a letter of thanks from our teachers. We also gave a donation to the boys' baseball club, as our boys are ever ready to lend a helping hand when needed. We appointed two delegates to attend the Annual Convention at Charlottetown and through the kindness of Mrs. Mayne, we were represented at the District Convention by five members, our part of the program being supplied by Miss Florence Mayne. Owing to the much talked of depression, we did not think it advisable to try to raise much money. We talked several times of having a play, but this did not materialize. However, in June we held an ice cream and dance in the school and from that we were pleased to realize the small sum of \$17.39. At one of our special meetings, we presented one kind member, who is soon to leave our little village, with a small remembrance and spent a pleasant social evening together. We have done our best to have members visit the sick of our district, also visit our school every month, and are always very cordially received. With this short report of our last year's work and with the hope that a new and more active President will have our little club increased to twice its size at

our next annual meeting. Thanking the members for their kindness at all times, I am yours, Mrs. Joseph Hughes.—S.

Malpeque

A wave of genuine sympathy and sorrow passed over the whole community on Tuesday, November 22nd, when it became known that Mrs. Mariah Crozier, Baltic, had passed away, after an illness of about five weeks. During that time, all that loving hearts could do was done to restore her to health, but God saw it fit to call the loved one to the heavenly home. Mrs. Crozier was formerly Miss Mariah McLeod, of Clifton, and had been a resident of this part of the Island for many years. She was of a cheery disposition, very kind to all in trouble, and will be greatly missed in the home and by her many friends. Besides her grief-stricken husband, she leaves to mourn, four adopted children, three sisters and three grand children. The daughters are: Mrs. James Champlin and Mrs. Arthur Wall, Darnley; Messrs. Phillip and John Crozier on the home-stand. The sisters are: Mrs. Wm. Abbott, Darnley; Mrs. Fred Watts, New Waterford, C. B., and Mrs. Lamont, Portland, Me. The funeral service was conducted at her late residence by Rev. M. A. MacMillan of Princetown United Church, assisted by Rev. Russell Woodside, Central, Lot 14, and Rev. Fred Williamson, of Malpeque. The solo, "Sometime we'll understand," was sung by Mrs. Chester Simpson. A very sympathetic address was given by the pastor, Rev. M. A. MacMillan. The pall bearers were: Messrs. Hartwell Abbott, Frank McKay, Bruce Crozier, John Riley, Everett Donald, and interment was in Malpeque cemetery. The sincerest sympathy of their many friends is extended to the sorrowing ones in this, their hour of sad bereavement.

Friday night, November 25th, was Literary night at the Y. P. S. meeting in Princetown United Church. Team four was in charge, Marjorie Crozier, leader. The meeting was led by Wm. C. Donald. There was a debate between team No. 4 and team No. 1, Team No. 4 taking the affirmative. Subject, Resolved that "Canada affords greater opportunities for young people than United States." Affirmative, Marjorie Crozier, Jean Sharp, Muriel McKay; Negative, James Ramsay, Rosa Bell, Hazel Ramsay. The judges, Mrs. John Simpson, Mr. F. J. Lockerby, Mr. G. W. Ramsay, decided in favour of the affirmative.

A quiet wedding was solemnized at United Mansie in Malpeque on Wednesday evening, November 23rd when Miss Jean Ramsay, youngest daughter of Mr. and Mrs. Fred Ramsay, Hamilton, was united in marriage to Mr. Eustis Hunter, son of Mr. George Hunter, Baltic. The couple were unattended.—Their friends wish them much happiness in their new life.

Miss Rosa Bell was a visitor to Charlottetown on Friday. Congratulations are extended to Rev. Russell and Mrs. Woodside of Lot 16, on the arrival of a bonnie baby girl, on Nov. 22nd.
