BANK OF NOVA SCOTIA ABSORBS METROPOLITAN

TORONTO, July 24.-The amalgamation of the Bank of Nova Scotia and the Metropolitan Bank, two of the largest chartered Banks in Canada was announced yesterday afternoon. The merger has progressed so far that circulars embodying the basis of the amalgamation have been prepared and approved by the directors of both institutions and are being mailed to the shareholders of each. Under the present arrangement the Bank of Nova Scotia, which since its absorption of the Bank of New Brunswick has been making numerous extensions in Western Canada, will secure at one stroke the business of the most important and strongest of the younger banking institutions and an organization which is recognized among the banking fraternity as a very important asset.

Under the agreement as outlined the shareholders of the Metropolitan Bank will receive \$100 in cash and one-half share of Bank of Nova Scotia stock for each share held. The negotiations which led to the adoption of a practicable basis of amalgamation have been in progress for a considerable period. Although the Metropolitan Bank will be merged into the older business, the shareholders of the Metropolitan Bank will be represented on the board of the Bank of Nova Scotia by the president, S. J. Moore, and the general manager, W. D. Ross. The market value of Nova Scotia stock, fixed by recent trading on the Toronto and Montreal stock exchanges is in the neighborhood of \$264, which gives a value to the Metropolitan stock of \$232 per share. The last transaction in Metropolitan stock recorded on the Toronto market was \$205. The Metropolitan bank as a whole receives \$1,000,000 in cash and five thousand shares of Bank of Nova Scotia stock.

As the result of the merger the Bank of Nova Scotia will take its place as the fourth largest bank in Canada, with a paid-up capital of \$6,500,000 and a reserve fund of \$11,750,000. The total deposits will aggregate \$67,043,789 and the total assets \$94,142,284. The net profits of the combined institutions in 1913 were \$1,392,662. The staff of the Metropolitan Bank upon the confirmation of the agreement will enter the service of the Bank of Nova Scotia and in the event of any re-arrangement of branches, which may be necessary in a few isolated cases, there will be no change in the personnel of either staff.
