P.W.C. And Kinsmen Play 6-all Draw In Juvenile League Game

The Juvenile Hockey League opened with a bang last night when Prince of Wales and Kinsmen battled it out to a six-all draw before a large crowd at the Forum. Both teams displayed plenty of ability and provided the fans with lots of thrills and spills.

P.W.C. went right in on their opponents net from the face off and held the play in the Kinsmen territory for the first couple of minutes;; but Kinsmen soon hit their stride and the play was nip and tuck until the five minute mark when Hennessey opened the scoring for the Kinsmen on a pass from Ross close in on goal. Then both teams started to rough it up a bit, with Ready drawing the first penalty of the game for tripping and Burke following him a few seconds later for the same offense, leaving both teams short-handed. Both teams settled down after that with the play sea-sawing back and forth until the eleven minute mark when P. Jardine evened the score by potting one from a scramble in front of the net on a pass from Murphy.

Two minutes later P.W.C. went into the lead when MacKenzie dented the twines on a pass from Ready. There was less than four minutes of the period remaining when Kinsmen shot the equalizer, Ross drawing his second assist as he fed Larter a scoring pass.

For the second time in the game P.W.C. went ahead early in the second, with Bennett MacDonald scoring on a pass from P. Jardine. But before the period ended Kinsmen shot two goals, without a return, to go to the front again. Burke got the first counter with MacKenzie and Larter getting assists, and eight seconds before the session ended Gregory combined with Gallant to shoot the Kinsmen into a 4-3 lead.

Dewar Larter, Kinsmen right winger, made it five-three for his club at 1:39 of the final period, but the College team again came roaring from behind to make it five-all, Phil Murphy shooting two goals in two minutes and twenty-three seconds. MacDonald got an assist on the first one, with Jardine and Ready helping on the other.

Time was running out on both clubs and it looked like a five-all deadlock when, with but forty-three seconds left, MacDonald of P.W.C. slid Ready's rebound into the cage to make it 6-5.

The goal appeared to be the clincher, but seven seconds later Kinsmen struck for the equalizer, Red MacKenzie slapping Larter's rebound into the cage after the P.W.C. goalie had come through with a spectacular save.

Lineups:

Skate After

With the town solidly behind them after their opening victory in the City Hockey League, and with a great many of them already envisioning a City League title, Summerside All-Stars travel here by a packed special train this evening for their clash with the highly-rated Saint Dunstan's University team and by the appearance of things the large Summerside crowd will be augmented by a record breaking attendance from the City.

✤ ✤ ✤ ✤

For tonight at least the game is expected to produce all the fireworks and high feeling that former Summerside-Charlottetown encounters produced and for the 60 minutes the two teams will be performing on the ice fans are expected to be taken back to the days when Abegweits and Crystals were battling it out for Island honors.

✤ ✤ ✤ ✤

And whether or not the Summerside entry carries enough ability to stamp them as potential title winners will be better known after tonight's encounter. They gave plenty signs in their game against the Welshmen of developing into a well-balanced unit, their passing attacks being particularly noticeable; and in the week that has passed since that time there is no doubt but Coach "Windy" Steele will have a smoother, better conditioned squad to hop over the Forum boards tonight.

✤ ✤ ✤ ✤

In clashing with the Saints they will be meeting a squad, which, despite the improvement in the other squads, is still regarded as the team to beat out for league honors. Should Summerside be able to hold them in check they will prove to a nicety that they will have to be considered and strongly and you can find any number of Summerside fans who will gamble that such will be the case.

✤ ✤ ✤ ✤

The game is certain to be a ruggedly-fought affair all the way through. Tonight's visitors showed on their previous visit that they will use their bodies at every opportunity in efforts to slow up their opponents. There is little likelihood of their changing their style against Saints and if the visitors' smart passing plays are clicking like they were against Prince of Wales, Saints are in for a very tough evening.

✤ ✤ ✤ ✤

Although the hockey may not be of the best variety, nevertheless, the two games played in the City Hockey League schedule have proved crowd pleasers all the way with the players showing aggressiveness and spirit that bodes well for the success of this year's League. Three of the four teams have now been seen in action and there is very little difference noted in their strength.

✤ ✤ ✤ ✤

And although Prince of Wales Welshmen have suffered two defeats, they have come up with two performances that, had the breaks gone a little their way, might just as easily have turned into victories. The squad looks to be a better balanced team than that which took part in last year's schedule and with a playoff spot assured them—"Snag's" Welshmen, by the time the playoffs roll around, may be hammering away with a strong title bid in their grasp.

✤ ✤ ✤ ✤

The revamped Navy team showed flashes of strength in their victory that is bound to stand them in good stead. Although the forward units did not perform perhaps as capably as was expected this was not surprising due to the fact that Coach Lawlor has been juggling his lines for the past couple of weeks but when the different trios become accustomed to each other they should roll at a merry clip from that point to the end of the playdowns.

✤ ✤ ✤ ✤

But one thing that was very noticeable in the Navy's performance was the strong defence combinations that performed. Not heavy body checkers the boys at the blueline showed an aptitude to steer men into the corners with regularity and as a result Prince of Wales forwards had a hard time getting a clear shot on goal.

✤ ✤ ✤ ✤

Offhand we would say the performance by the Navy defence, which saw Fultie Pound make his presence felt in his first appearance of the season, was the best turned in here in the last couple of seasons of City Hockey League play. It was responsible in a large measure for the team's victory and if they can continue with like performances the other teams in the League are going to find it difficult to break through for clean-cut goal efforts.

Kensington Defeats S'side Juveniles 4-2

Kensington Juveniles made it two straight over their East Prince rivals, the Summerside Kinsmen Juveniles, by defeating Charlie Hogan's boys at Summerside last night by the score of 4 to 2. Played on an ice surface that ruled out anything that looked like smooth play, the game was ruggedly fought and the visitors, led by Eugene Pendergast, husky rearguard for the red and black squad, out-checked and out-fought their lighter opponents to skate off with the verdict.

About half way through the initial period Oatway scored for Kensington on a pass from Mills. There was no further scoring during the frame.

Early in the sandwich session Max Murphy took a pass from Oatway, and snapped one which Delaney stopped but lost the puck behind his skate. Murphy swooped in and poked the disc into the mesh making it 2 to 0 for Kensington. While E. Pendergast was sitting out a penalty for boarding, Perry scored one for Summerside, with Wedge assisting. Mills soon got this one back, converting a pass from Joe McKinnon, who managed to get the puck out of a scramble along the boards. A. Champion made it 4 to 1 before the period ended.

In the third period Paul Schurman, pint-sized centre brought up from the midgets for this game, potted his own rebound after a passing bout with D. Simmons. The same two kids came through with another pretty combination play seconds later, but Kennedy this time effectively smothered the threat. Delaney, who had much more work than his rival at the other end of the ice, stopped a nice game, handling himself like a veteran.

Lineups:

Kensington: Goal, Rogers; defence, E. Pendergast, T. Pendergast, Kennedy, Casley; forwards, Bernard, MacKinnon, Mills, Oatway, Murphy, A. Champion, MacCarville, R. Champion.

Summerside: Goal, Delaney; defence, L. Schurman, Gay, Waite, Arsenault; forwards, E. Deighan, Stewart, Richards, Murphy, Perry, Wedge, Simmons, P. Schurman, J. Gallant.

Prince of Wales, again showing the form that very nearly sent Ray's Millionaires down to defeat last Saturday night, last night created the first upset of the City Basketball League when they downed Saints 47-38 in the first game of City League doubleheader with Ray's after building up a big lead in the first twenty minutes of play throwing back the second half surge of the Navy to win the second game of the twin bill 45-34 from the "Tars" in what turned out to be another close encounter.

But the Prince of Wales team again stole the spotlight with their victory over the University team. Matching their opponents basket for basket in the wide open fast struggle the Collegians led by a slim 18-17 margin in the first half and then came on in the closing stages of the last twenty minutes to build up a lead and win going away by a nine point margin.

Led by the guarding of Bob LeClair and Sterns the Prince of Wales team threw up a tough defensive barrier while up front young Donnie McLean aided by the smart work of his teammates chalked up 16 of his team's points to lead the individual scorers with Dowling accounting for nine and the remainder pretty evenly divided.

Murphy was high scorer for the Saints with a total of seven as the University team again scattered the scoring evenly between the players.

Ray's Win Second Straight

Ray's Millionaires kept their undefeated record intact in their game with the Navy winning from the "Tars" 45-34. Both teams were content to play at a slow tempo throughout with the winners building up their lead in the first twenty minutes as they outscored the Navy 31-14 but then were held put to hold their opponents in check as the "Tars" earned a six point margin in the second half to cut their deficit down to eleven points.

"Windy" LePage again was top scorer for his team throwing in eight baskets for 16 points with Jim Langille, playing his best game of the season getting thirteen of the Navy's total score.

REMEMBER WHEN

Governors of the National Hockey League decided seven years ago today to impose automatic fines of $25 each on players taking part in fights they did not originate. The rule was intended to discourage free-for-all brawls similar to those which had broken out in New York, Chicago and Montreal during the 1940-41 season.

SWEDISH TRADE

STOCKHOLM — (CP) — Swedish government revenues during the fiscal year 1946-47 amounted to about 3,528,000,000 kronor, almost exactly the same as the year before. Income and property taxes yielded 1,109,000,000 kronor, compared with 1,406,000,000 in 1945-46.

Middleton Bombers Defeat Summerside Flying Hearts 5-4

Monday night the Middleton Bombers defeated the Summerside Flying Hearts in the first game of the season in the South Shore Hockey League by a score of 5-4. A good sized crowd gathered to witness this first game which was played on perfect ice. In the first period, the Flying Hearts took the lead with Syl Bernard, a star player, getting the only two goals. Middleton didn't seem to be warmed up in this period as Summerside was taking the lead all through. A penalty was passed out, to Everett Muttart for tripping.

It was a different game in the second period as Middleton, apparently warmed up, came out in front and led through that period, Frank MacDonald and Malcolm Bradshaw making a fine showing. This second period was the most exciting of the game. One penalty was passed out, to Moonie Gallant, a star player of the Flying Hearts. The second period ended with Middleton Bombers leading by a 4-3 score.

In the third period, B. Grady of the Flying Hearts tore down the ice on a break away and evened the score at 4-4. Bradshaw and A. Geo'town Defeats Montague In Fast Rugged Game

A large crowd at the Montague Rink Monday saw the Georgetown hockey team defeat the Montague Ogilvies in a fast, rugged game to the tune of 11-6. Sparked by MacLean and Fitzgeraid, the visitors swept over the local team in one wave after another. Although the local team played good hockey they were unable to place the rubber behind the wily Georgetown goal keeper, who made many sensational stops. The second period of the game featured the first penalty shot of the season, awarded to Montague on a breach of rule by Georgetown. The shot, awarded to P. Fraser was neatly put into the twine behind the goal-keeper.

The first two periods showed plenty of fast hockey, with both teams striving to get a quick lead which Georgetown quickly obtained with two counters in the first period, and three in the second. Montague obtained one counter in each session, one being the penalty shot in the second period.

The third period featured wide open hockey with fast skating and hard checking. Georgetown quickly rapped in four counters before Montague netted one, but two penalties to Georgetown gave Montague their chance and they rapped in a brace of counters.

The game proved to be one of the finest games so far and augurs well for the hockey this season.

Lineups:—

Georgetown: Goal, R. Stevens. defence, W. MacLean, L. Fitzgerald; forwards, S. MacNeill, H. Stevens, H. MacLean, A. Landry, H. Gotell, F. Lavandier, S. Johnston.

Indications last night pointed to the largest crowd in several seasons being in attendance at tonight's City Hockey League match when Summerside All Stars tangle with Saint Dunstan's University in a scheduled encounter that, owing to Summerside's recent victory has created a lot of interest here and in Summerside.

In face so great is the interest in the western capital that a special train, loaded with fans will arrive in time for the game this evening with the visiting fans confident that their stalwarts, coached by "Windy" Steele will be able to take the measure of the team favored to win City League honors.

Whether they can or not remains to be seen. Saints possessing worlds of speed and well balanced and also prepping for the defence of the Maritime Intercollegiate crown they won last year—will be at full strength for the encounter and will prove plenty tough.

But tonight's visitors adopting type of game are not to be counted out of the running. They possess a smooth passing attack that paid off for them in their game against the Welshmen and although they may not be the smoothest working outfit in the league not a few local fans are of the opinion they will give the Saints quite a tussle all the way.

It will all be worked out on the Forum ice space tonight beginning somewhere around 8 p.m. and while the game is in progress the expected big crowd should witness plenty of stirring, tingling action.

The game will get underway at 8 o'clock sharp and fans are again asked to co-operate in enforcing the no smoking rule that is in force at the Forum.

Barbara Ann Takes Lead In Skating Events

PRAGUE, Jan. 14 — (CP) — Canada's Barbara Ann Scott, holder of the world, European and North American women's figure-skating crowns, tonight appeared safely on the road to her second European triumph as a preliminary to the Olympic championships.

At the end of six compulsory figures today, the Ottawa girl had a total of 106.7 points, four ahead of Jrina Nekolova, her 16-year-old Czech friend.

Barbara Ann, 19, was ahead of 19 other competitors from six countries with a total of 12 placings, comprising five firsts, one second and one fifth — a demonstration which was 10 points better than the 22 placings scored for Miss Nekolova.

The five firsts are a clear demonstration of the Canadian girl's strength in school figures, the most difficult event in the competition which ends tomorrow night with the free-skating event.

Moncton Goalie Is Married

TRURO, N. S., Jan. 12 — (CP) — Wedding bells now have rung for both the brothers MacDonald who hold opposing goal-tending berths in the Maritime Big Four Senior Hockey League.

Hugh MacDonald, cage cop with Moncton Hawks, was married here Friday to Elizabeth Mitchell.

Attending the youthful couple were Mr. and Mrs. Angus (Sonny) MacDonald. Sonny guards the twines for Truro Bearcats. All are natives of Trenton, N.S.

Hughie and his bride plan to live in Moncton, N.B., and he laughingly advised his brother as he left Truro that their temporary truce had ended.
