Dr. George W. Crabbe, superintendent of the Anti-Saloon League, who will appear in Washington at a House of subcommittee hearing on a bill to prohibit liquor sales, says he will not urge that national prohibition be enacted at this time. Servicemen would resent such legislation, Dr. Crabbe believes.

**To Our Policyholders**

Our ninety-seventh annual report contains evidence of another very satisfactory year of progress in 1943.

As a result of improved mortality experience, a stabilized interest rate and decreased operational costs, the security behind Canada Life contracts has been still further strengthened.

The funds which have been accumulated on your behalf are being employed largely in your country's war financing. At the same time, great numbers have again been helped through distressing circumstances because of their co-operation with the many thousands of others who constitute the Canada Life.

A complete annual report is available at any of our offices.
