

# POLICE! POLICE! SHOUTS CYNTHIA GREY

TYPES SKETCHED FROM PHOTOGRAPHS FROM NEW YORK SHOWING WHAT MISS GREY CALLS THE "SHAMELESS DISPLAY."

By Cynthia Grey.

There's just one place on earth where women try to outdo Paris in extravagant fashions, and that place is New York. In their frenzy to be "French," these women lose sight of the artistic touch always to be found in Paris modes, and go to vulgar extremes.

The artist, in the picture above, has taken some of the more extreme types from actual photographs made in New York streets within two weeks.

Who calls these styles pretty? Certainly men do not, and it is the men whom these women are trying to attract by the shameless display. How these women navigate with their waist lines dropped to their knees is a question which I will not attempt to solve. I certainly do know that they walk like hopped ponies and if there is any charm in that I fail to see it.

## WEAK KIDNEYS MAKE WEAK BODIES

Kidney Diseases Cause Half the Common Aches and Pains of Charlotetown People

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking down.

Overwork, strains, colds and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric acid and poisons in the blood. Aches and pains and languor and urinary ills come, and there is an ever-increasing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney help.

Booth's Kidney Pills act directly on the kidneys and cure every kidney ailment. Charlotetown cures are the proof.

Miss Jessie F. McKenzie of 134 Hillsborough St., Charlotetown, P. E. I. says:

"I had had considerable annoyance for months with a very sore and weak back and could hardly stoop over and when I caught cold it seemed to get worse. I had tried various remedies but none seemed to benefit me in the least until I learned of Booth's Kidney Pills and began treatment with them. They were surely just the thing. I had only used one box when I was completely cured. The soreness in my back disappeared after a few days and it feels fine and strong. My appetite has also improved and I feel better generally. I procured Booth's Kidney Pills at Geo. E. Hughes Apothecary's Hall and am pleased to recommend them."

JOHN JACOB ASTOR

WHITE PLAINS, N. Y., Monday Nov 23—It was definitely learned that the legal action brought by Mrs John Jacob Astor against Colonel Astor is a Dutchess county and not a Worcester county proceeding, and that the report of Charles H. Young, referee, and all of the testimony taken will be filed in the Dutchess County Clerk's office at Poughkeepsie.

Mr Young has practically completed taking the testimony, but it cannot

be learned when he will submit his report to Judge Mills. The latter will begin holding the trial term in Rockland county next Monday, and will sit at the court house at New City.

It is reported that the findings of the referee will be submitted to him there next week.

The papers in the case are all headed "Supreme Court, Dutchess County." The suit was brought in that county residence there.

er left via the Edmonton trail last June for mission posts in the North, Fort McPherson and Herschel Island, the latter in the Arctic Sea. It was his intention after visiting these outlying stations to return to the lower Yukon River, and come on to Car Cross, where his wife and children were to join him, they having remained with relatives at Kincardine, Ont., while he was on the long northern voyage. While the Bishop is long overdue, it is not thought by his friends that anything serious has overtaken him.
