THE DALTON RED CROSS AMBULANCE.—Colonel Noel G. L. Marshall informs Sir Charles Dalton that his ambulance at the front carried for the period from Jan. 1 to 31, 279 lying cases and 124 sitting cases.

EXCHANGED PULPITS.—Rev. D. McLean, of the People's Church, City, went to Montague Saturday exchanging pulpits yesterday with Rev. D. Wright, pastor of the Presbyterian church, Montague.

CAPE SERVICE.—The boats which left Cape Traverse at 6.50 a. m. Saturday, took forty-six sacks of mail and the boats leaving Tormentine at the same time brought fifty-six sacks. This mail arrived in the city at 1.30.

THE STANLEY.—The C. G. S. Stanley, recently disabled on her way to the Magdalen Islands, left North Sydney on Friday conveyed by the C. G. S. Lady Laurier. The Stanley will go on the drydock for repairs.

MEETING OF FOX COMPANY.—The annual meeting of the Murray Harbor Fox Company was held in the Charlottetown Board of Trade rooms on Saturday forenoon. The reports submitted were very satisfactory to the shareholders present. The company will be in a position to pay a dividend this year.

A PATRIOTIC FAMILY.—It is with pride that his friends note the enlistment at Winnipeg, of Graham Robertson, who held a responsible position with the Canadian Northern Railway there. Graham is the fifth son of Mr. Peter McNair Robertson, of Marshfield, who has responded cheerfully to the call of duty in serving his king and country, and entered immediately on the Construction Corps.

UNION ROAD.—At a meeting of the Farmer's Club of Union Road, Queens County, held on Monday, March 26th the following resolution was carried unanimously:—Resolved that we condemn the action of some car owners in exceeding the speed limit and in not giving warning when approaching cross roads; and in the running of cars on unauthorized days, thereby breaking the law in respect to the running of Autos. Also, that the Auto Association have failed in their promise to have the roads widened and made safe for the passing of teams. Further resolved:—That, as there seems to be an agitation on foot to have the cars run every day, we strongly object to the granting of any further privileges.—Cephas Mallett.

ISLANDER IN HOSPITAL.—Mrs. Alexander McRae of Mt. Vernon has received the following letter from London:—Dear Madam:—I beg to inform you that Pte. J. A. McRae, No. 713408 13th Canadians, who is now at Royal Infirmary Leicester, England, has been seen by our authorised representatives, who reports that he was admitted into hospital about a week ago, wounded in the right knee. He was very cheerful and would not admit very much pain in his knee, but the wound is actually in the joint, so will probably be a long time getting right. While Pte. McRae is in hospital he will frequently be visited by our representatives and reports sent to you after each visit. Anything he requires in the way of comforts, such as writing materials, shaving materials, cigarettes, Canadian newspapers etc., will be sent to him from the Parcels Department of this office. Yours truly Constance Scott.

To whom it may concern: This is to certify that I have used MINARD'S LINIMENT myself as well as prescribed it in my practice where a liniment was required and have never failed to get the desired effect.

C. G. S. PRINCE EDWARD.—The car-ferry steamer left Pictou at 12.35 on Saturday and docked in Georgetown about 3.30 p. m. She brought two hundred and forty-two tons of freight, eight tons of express, seventy sacks of mail and sixty passengers.

A cordial welcome to all services. Rev. and Mrs. Crow have extended an invitation to the young men to come to their home on Tuesday evening, April 2nd to enjoy a social time.

HORSE NOTE.—Mr. A. G. MacKay, of Found's Mills, has sold his valuable driving horse, Medium Happy to Mr. Thompson, of Halifax. Medium Happy will be missed in the New London races next winter, where he took a prominent part. Mr. Thompson is to be congratulated in procuring such a fine driving horse.

SIDEWALKS ON BIAS.—The concrete sidewalks in various parts of the town are showing the results of the winter, the slabs being warped out of place and badly slanted in places. About the worst instance of this is at Crabbe's Corner on Sunnyside where the sidewalk is raised high in the centre with quite an open space between slabs, while at the outer edge the surface has dropped four or five inches below the kerb. These things should be remedied.

MISS GORMAN IN HALIFAX.—Miss Bertha F. M. Gorman, of Charlottetown is now located in Halifax where her class of pupils in Halifax Recorder says: "Those present at the Schools for the Blind Wednesday evening enjoyed a most pleasant time, the occasion being the repeating of the performance by Miss Bertha F. M. Gorman's pupils. The acting under the direction of Miss Gorman was very creditably executed and reflected much credit on her ability."

MELVILLE, LOT 60.—School, February Standing, Grade I—(Junior)—1. Colin McKenzie, Grade I—(Senior)—1. Ella M. Greeley; 2. Alfonso Melsaac and Katherine Beaton (equal); 3. C. M. B. A. CONCERT.—That favorite three act drama "The Blundering Mr. Brown," was played to an overflow house, under the auspices of the C. M. B. A., in their Hall at Vernon River, on St. Patrick's night. The following is a cast of characters:—Mr. Daniel Brown—G. C. Acorn; Dr. Horton—Fred Robertson; Jack Armstrong—E. C. Robertson; Jack Rick Dolan—Christie Jenkins; Mrs. Daniel Brown—May Jackman; Clara Brown—Lottie Jackman; Bessie Brown—Victoria Jenkins; Maggie Brown—Jessie Jenkins. To state that the performers acquitted themselves creditably would be putting it mildly indeed. It was certainly one of the best staged plays ever put on by amateurs in this Province. It was a genuine surprise to the large audience, to realize that there was real histrionic talent in their midst. The stage decorations combined with the gorgeous costumes of the ladies, presented a picture, not easily forgotten. "But on thing there is missing from the picture. Without her face it seems so incomplete." Between acts vocal solos were most artistically rendered by Mrs. W. J. McEachern, Miss Ona McLeod, Gr. Roy Howlett and J. Beethoven Hayley. A vocal duet was pleasingly rendered by Miss Marguerite McEachern and Gr. Howlett, and a male quartette, beautifully harmonious was rendered by Messrs J. A. O'Keefe, D. J. Carmichael, John Green and A. Keoughan. The accompanists of the evening were Miss Marguerite McEachern and Miss Lottie Jackman, Orchestra Leader, John J. McGillivray, Stage Director, John McNeill.
