**In Memoriam**

In loving memory of our dear mother Mrs. Gordon Burns, Free-town, who departed this life on April 13th, 1948.

She bade no one a last farewell  
 She said goodbye to none  
 The heavenly gates were opened  
 A loving voice said Come.

Your life is a beautiful memory  
 Your death is our silent grief  
 You sleep in God's beautiful gardens,  
 In the sunshine of perfect peace.

Lovingly Remembered by her Daughters Lizzie and Lilian, Muriel and George.

**Sleep Well**  
**Goodnight, Goodnight**

Sleep of the right kind is one of the most important essentials to health. This is the time Nature chooses for the re-creation of strength and energy, and the restoration of the body, brain and nerves. Deep, peaceful sleep brings fitness for the duties and tasks of the following day; it starts you off on the right foot every morning and keeps you in step with the activities of the day.

Sleep is oftentimes elusive. Much can be done, however, to ensure refreshing sleep by drinking a cup of Ovaltine every night at bedtime. In other words, it is the ideal nightcap. Its soothing nourishment helps to calm frayed nerves, and assists the body to relax—an important condition to promote sleep.

During sleep this delicious food beverage provides concentrated easily digestible nourishment for building up strength and energy, and nourishing nerves and body.

Ovaltine is a concentrated extraction containing Nature's best foods. The preservation of the valuable nutritive elements of these natural foods is ensured by the exclusive scientific processes adopted in its manufacture. And these natural foods conform to the highest standards of quality set by the famous Ovaltine farms. It is a pure food, absolutely free from drugs or preservatives of any kind; it can be taken with confidence by the youngest and the oldest member of the family.
