

Westclox

When the outdoors calls

THESE are days when the links, the road, the woods and the stream call you to come and play. When you go, leave your expensive timepiece at home. Take Pocket Ben along with you. You will find him just as much a sportsman as you are—enjoying the strenuous hours—

rendering accurate, dependable service under rough usage—cheerily ticking off the minutes throughout the longest, hardest day. Pocket Ben costs you but two dollars. Look for the trade mark Westclox on the dial and six-sided orange bordered tag.
