

# Our Next Big Threat!

### Having Defeated the Dictators Abroad, Will We Forfeit Our Freedom at Home?

The most important issue confronting Canadians in the coming election is "State Socialism"—as proposed by the C.C.F. party.

Under State Socialism the politicians will take over complete control of our lives—production, distribution, finance, transportation, education, employment, etc.

In exchange for surrendering our individual freedom, we are promised "full employment", an "equitable distribution of wealth", and "a minimum standard of living for all"—all very worthy and appealing promises—BUT

How this is to be done and by whom, nobody knows—but we do know that any such program spells—DICTATORSHIP!

So unless you are prepared to forfeit the individual freedom for which our boys have been fighting, you simply cannot vote for any C.C.F. candidate—even though he be your personal friend, because:

## Every C.C.F. Candidate Is Committed To Complete State Socialism

If such candidates tell you that they are not so committed, either they themselves are misinformed or else they are deliberately misrepresenting the facts to you—because State Socialism is the basic plank in the C.C.F. platform. Here are the exact words taken from the official C.C.F. Manifesto:

"No C.C.F. Government will rest content until it has eradicated Capitalism and put into operation the full program of Socialist Planning . . ."

There you have it! Now it's up to you! If you are against State Socialism you simply cannot vote for any C.C.F. candidate.

## WARNING!

You will be told that these advertisements are the voice of "vested interests"—that the Public Informational Association is sponsored and controlled solely by "Big Business". Such statements are designed solely to keep you from reading or heeding our message.

The campaign is the result of hundreds of letters from boys overseas, from farmers, women and workers, urging that the people be told the truth about State Socialism before it is too late. Here is an excerpt from one such letter from Mr. Arthur Young, a farmer in Langley Prairie, B.C.—"It is a wonderful message and I think every broadminded Canadian should read it. . . We certainly do not want a State Socialist government to tell us what we can or cannot do."

This campaign is made possible by the voluntary support of individuals and companies both small and large, from coast to coast who are sufficiently concerned over the threat of dictatorship to do something about it.

## \$5,000.00 In Cash Prizes

To encourage Canadians to post themselves on the subject of State Socialism, we are conducting a "quiz" contest open to all Canadian voters. 235 separate cash prizes totaling \$5,000.00, ranging from \$1,000.00 to \$5.00, will be awarded to readers of the booklet "Social Suicide". To get a free copy of this booklet, with full details of the \$5,000 Quiz Contest, simply send your name and address to Public Informational Association, P.O. Box 178, Toronto. Also send the names and addresses of boys or girls in the Armed Forces to whom you would like us to send free copies of the booklet, thereby enabling them to get the story of State Socialism, and also to enter the contest. These booklets will be sent without cost or obligation.
