THE DECORATED SOLDIERS.—Will the friends or relatives of any Island soldiers who have won decorations kindly send the names of such to The Guardian, with whatever information they have as to the kind of decoration, the unit to which soldier was attached, whether wounded, and if possible how he won his decoration; also address and names of parents. It is desired that a complete list be published and kept for future reference.

FUNERAL YESTERDAY.—The funeral of Charlottetown's oldest native son, Mr. William D. Tanton was held yesterday afternoon. The services being held at the old homestead at 1:30 p. m. under direction of Rev. D. MacLean and Rev. F. H. Littlejohns. The pall-bearers were Messrs. W. B. Robertson, John Macinnis, Col. F. S. Moore, Col. D. Stewart, George Rackham and John H. Bell. The large number of representative citizens who formed the funeral cortege on such a bitterly cold day as yesterday was, proved the high esteem and deep respect in which the deceased was held by his fellow citizens. The cortege drove by road to Sherwood, where interment was made in the family plot.

SPLENDID WAR WORK OF KNIGHTS OF COLUMBUS

NEW YORK, Feb. 5.—The National Board of Directors of the Knights of Columbus held a two day's conference in New York recently to consider the general war activities of the order. Walter Kernan, overseas commissioner of the order, who has been in France for several months investigating conditions relative to bases and field secretaries, reported at length on the proposed work. Mr. Kernan recommended the appointment of a number of field secretaries, preferably not within the draft age and he asked for boss workmen to supervise construction of portable buildings to care for men as close as possible to the trenches. Directors from various parts of the country reported assurances that nearly \$10,000,000 will be raised in this country by the Knights of Columbus for the war activities of the order. The insurance board of the order decided that members holding insurance since April 6, 1917, when it was declared, and who are now in the army or navy services shall not pay any additional premiums on their policies.

DON'T SCOLD, MOTHER! THE CROSS CHILD IS BILIOUS, FEVRISH

Look at tongue! If coated, clean little stomach, liver, bowels.

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeiters sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.

MR. JOHN SWALLOW W

The death occurred on Tuesday morning, January 29th, 1918, of Mr. John Swallow, Georgetown. The deceased formerly lived at Annandale and moved with his family to Georgetown about six years ago. For several months prior to his death, he was confined to his bed with internal cancer, but to the last he evinced great fortitude and patience, with such a dread disease, the release from which he must have gladly welcomed as a relief from much suffering. He worked for himself in Georgetown many years, and his kindly, courteous manner to both young and old. His funeral proceeded from his home in Georgetown on Thursday, Jan. 31, to Annandale for interment. Rev. J. A. Greer, pastor of St. David's Church, Georgetown, officiating. The deceased leaves to mourn, besides his wife, one son, Ephraim, and two daughters, Mrs. Wilfrid Moore, and Mrs. James Poulton, all of Georgetown, to whom the sympathy of a large circle of friends is extended.

HENRY INMAN

The death occurred at Victoria on January 3rd of Henry Inman, aged 74 years. The deceased had been enjoying his usual good health until a few days previous to his demise. He was born in Crapaud in 1842 and early removed to Lot 16 where for a number of years he was a very prosperous farmer, again removing to Victoria, where he spent the last few years of his life.

The funeral was held on Saturday Jan. 5th, and was largely attended by Rev. Geo. Morris and Rev. J. S. McKay officiating. He leaves to mourn a widow, formerly Miss Mary Inman daughter of the late John Inman, of Hampton, six daughters, Mrs. Wallace Wetmore, Mrs. Grace Wetmore, Miss Carrie of Boston, Mass., Mrs. Thomas Edwards, Middletown, Conn., Mrs. Amy Leard, Seabrook, and Mrs. Josephine Ferguson, Hampton, one son, Albert E., Yukon district, and four sisters, Mrs. John T. Best, Lot 16 Mrs. Adam Rogerson, Mrs. Samue Cameron, Victoria, and Mrs. Fann McVittie, Westmoreland.

MR. JOSEPH STORDY

The death occurred at Victoria on Sunday evening, Jan. 27th, of Joseph W. Stordy, aged 21 years. The deceased was born at Crapaud, where he received his early education, an orphan early in life he removed to Victoria, where he did an extensive mercantile business with shipping in connection, and also owned a large lobster factory.

He leaves to mourn a widow formerly Miss Grace Inman of Hampton three daughters, Mrs. Florence Collins, New Haven, Conn., Mrs. Wallace Stewart, Amherst, N.S., Mrs. Charles Miller, Victoria, one sister, Mrs. George and Thomas, Tryon, and fifteen grandchildren.

New Flour Regulations

"The food situation in Great Britain, France and Italy is exceedingly grave," declares the Canadian Food Controller. In all the European neutral countries it is desperate. In the presence of this serious condition of affairs, the Controller is exerting every effort to improve the situation and to regulate manufacture so that home consumption will be under more effective control.

The Food Controller has adopted regulations providing for changes in the manufacture of flour. Heretofore, the wheat of each class has been milled into several grades of flour for the purpose of filling different requirements of the public. That is, the modern system of milling has enabled the manufacturer to divide into four grades or classes the stream of flour milled from any given quantity of wheat, and the different grades have been sold at home, or exported, according to the demands of the market to be served.

The new regulations require that from each class of wheat shall be milled only one grade of flour. The different streams of flour will now have to be turned into one, and the manufacture of high-class patent flours will, therefore, cease.

The Campbell Flour Mills Company, Limited, desires to announce that, in compliance with the regulations, it will mill from each kind of wheat one grade of flour only under the following names:

Cream of the West Flour (War Quality)

Western Hard Wheat Flour For Bread

Monarch Flour (War Quality)

Ontario Soft Wheat Flour For Pastry

Queen City Flour (War Quality)

A Blend of Hard and Soft Wheat Flours For All Purposes

The effect of the regulations is to provide for a minimum percentage of 74% instead of the present maximum of 74% of the wheat to be retained in the flour. In other words, the policy of milling one stream of flour only, from a given quantity of wheat, will restore conditions that existed half a century ago, or less, when only one grade of flour could be produced from the wheat.

The bread or other baked products made from the flour will still be palatable and nourishing, and will be fully adequate to sustain the people, and we trust the necessity for the change will be recognized as arising from the time of stress through which the world is passing. The new flour must still be distinguished from what is commonly known as whole wheat flour.

It must not be inferred that the war flour is of an inferior or unusable character. On the contrary it is, as you will find, a good, clear, white flour suitable for all practical purposes and as such we guarantee it. The Food Controller of Canada realizing the serious shortage of food-

stuffs not only in Canada and the United States, but all over the World, has ordered the war grade flour. It is for us, as millers, to give you the best we can under the Food Controller's regulations. It is for you, as consumers, to adapt yourselves to the new conditions and make the best of a situation that might conceivably be much worse than it is. Bear in mind that every bag or barrel which bears the name of this Company and a reproduction of "Ye Olde Miller" means the utmost in value that we are permitted to give for the money you pay.

Under the new regulations The Campbell Flour Mills Company, Limited, will continue to maintain a high standard of uniformly excellent quality, and will furnish the public with the best class of flour that the regulations will permit. Samples of all shipments of wheat used in Campbell's Flour, are first tested by experts in our own Chemical Laboratory. Knowing exactly what is in the wheat, we are able to maintain the excellence of the flour.

Do Not Hoard Flour

In hearty co-operation with the Food Controller in his efforts to aid the Allies to the utmost of which Canada's resources are capable, The Campbell Flour Mills Company, Limited, desires to join in an appeal to the public to refrain from hoarding flour. There is no necessity for hoarding. Such abnormal withdrawals from the available supply will only serve to increase the difficulties of the Allies, and hinder the patriotic efforts of the Controller, without benefiting anyone. Do not hoard flour.

Cannot Give Books Hereafter

The new regulations come into effect on Jan. 8th. After that date all flour must be milled according to the Food Controller's rules. The Food Controller has also decided that no premiums of any kind can be given with food products. This means that the Campbell Flour Mills Co., Limited, cannot place any more library cards in the flour bags. Many of our patrons have been saving library cards

and exchanging them for books to which they were entitled. The Food Controller's regulations mean that this must end. Customers may continue to save the cards as long as they find them in the bags or barrels and we will keep faith with the public, supplying the books as long as the cards keep coming in. But no more cards will be placed in the bags.
