Daintily Wearable Millinery Models with distinction in every line

THAT'S THE POINT. THE HATS THIS season are all wearable—while the styles are very effective—they are at the same time such designs as pretty nearly anyone can wear with grace?

In some seasons hats have been very smart but not becoming to all types of face—this season is a splendid one of for the shopper—as so many styles are suitable to each buyer.

And then when your hat is made here, you can always look for that touch of distinction that only the skilled artist can give her work.

If you want a becoming hat that is "different" in an altogether charming way, place your order with MISS SINCLAIR.

As to price? You will be delighted to find that the faultless millinery that you find here costs no more than ordinary work from most stores.

Enjoy the comfort of a nice Sweater Coat.

IN OUR OPINION THE SWEATER coat, like the shirt waist, is here to stay. A garment at once so smart—so neat—and so comfortable will always have its admirers—and indeed it is a wonder that it was not thought out ten years ago.
