Rheumatism..

Is Uric Acid in the blood. Unhealthy kidneys are the cause of the acid being there. If the kidneys acted as they should they would strain the Uric Acid out of the system and rheumatism wouldn't occur. Rheumatism is a Kidney Disease. Dodd's Kidney Pills have made a great part of their reputation curing Rheumatism. So get at the *cause* of those fearful shooting pains and stiff, aching joints. There is but one sure way—

Dodd's Kidney Pills

500 sure and quick lights for 5 cents.

The Best Butter Tub Is Steel Wire Hooped

WHY? BECAUSE

This hoop being undulated or corrogated acts as a spring on the tub, so that the staves will not fall down when they become dried, neither will the hoop burst when the staves swell and become damp from the butter when packed in it, as the spring of the hoop allows for expansion. This tub tapers 2 inches and no trouble is experienced in dumping out the butter. The hoops are electrically welded and galvanized so cannot rust.

No S.W.H. tub has ever yet burst in transportation.

SCHOFIELD BROS.,
