Notre Dame Alumnae Association

In view of the Celebration in June 1932 of the 75th Anniversary of the foundation of Notre Dame Academy, Charlottetown, by the Sisters of the Congregation de Notre Dame, the occasion seems appropriate to form an Alumnae Association—thus uniting three generations of former pupils in a home-coming feast at their Alma Mater.

To make this re-union possible, and to facilitate the work of the Organizing Committee as well as to prevent delay, all former pupils of Notre Dame Academy dispersed throughout Canada and the United States are kindly requested to send in name and address before February 15, 1931.

Communications may be addressed to Notre Dame Academy, Charlottetown, Prince Edward Island, Canada. 1669-1-22-24-21.

members except one present. This Institute was organized in May, 1930. All officers were re-elected for the coming year. New committees for Program, School and Sick were appointed. Next meeting next Wednesday, Jan. 28th at Mrs. James Hurry's. All members requested to be present. —(Patriot please copy).

MILTON—On Wednesday evening, Jan. 21st, the members of St. John's Y.P.A. debated the advisability of building a tunnel between P. E. I. and the Mainland. The leaders of the affirmative were Mr. H. Horne and Miss Elsie Hooper; Negative, Mrs. Gerald Hooper and Mr. Nell Hooper. Many good speeches were made both for and against. The judges in summing up, stated that the debate was very near a tie, but the affirmative were a few points ahead of the negative. Decision was given for the affirmative.

CARLETON INSTITUTE MEETING—The members of Carleton Women's Institute met at the home of Mrs. Harry Muttart. The meeting opened by repeating the "Ode." Reports of committees were read and new committees were appointed for the coming month. A discussion of the raising of funds for school improvements took place and it was decided to hold a Weighing Party in the near future. Carleton is a new Institute having been organized on November 19, 1930, and are steadily adding to their numbers.

THE YOUNG PEOPLE'S SOCIETY of Trinity Church had an enthusiastic meeting last night. At six o'clock supper was served to a large group of young people. This was followed by a brief business meeting. The Sports Committee reported that permission to play badminton in Hertz Hall had been secured and that arrangements were being made to take immediate advantage of this opportunity. The Play Committee reported that it had made plans for a pageant to be staged in February and for a play to be presented in March. Four new members were welcomed into the Society. At a quarter to seven the different interest groups met for an hour of study in Art, Literature and World Affairs.

LEGION MEETING—The Charlottetown branch of the Canadian Legion B. E. S. L. held its regular

monthly meeting in the Legion Home Thursday night. There was a fair attendance of members and several applications for membership were received, besides other routine business. The chief feature of the meeting was an address by Comrade J. Hearn on his trip to Delhi in 1910, as one of the naval escort of His Majesty King George V. This was a most interesting and wonderful story, and Comrade Hearn held his audience spellbound as he described the splendours and glories of that historic event. His description of the site of the new Delhi, of the coronation scene in the great amphitheatre, specially prepared for it out of the jungle, of the review of His Majesty's forces and of the native masses that formed a back ground for it all, these were word-pictures which were masterly. The appreciation of the Legionaires was voiced by Comrades C. C. Thompson, A. G. Bruce, D. P. Tierney and L. T. Lowthrie and a hearty vote of thanks was conveyed to the speaker by Comrade President J. J. Leightizer. The Legion is looking forward with much pleasurable anticipation to a future occasion when Comrade Hearn has promised to tell them the story of the naval raid on the Mole at Zeebrugge. Meeting closed with the King.

IN MEMORIAM

FLORENCE E. BOWEN, R. N.

Florence Bowen was the eldest daughter of Mr and Mrs William Bowen. She was born in La Junta, Colorado, May 31, 1901, spending her early childhood there where she was so much loved by her little play mates. Later at the age of sixteen she with her parents, came to Prince Edward Island, where she remained until her spirit winged its flight to its Heavenly home on Dec. 19th at the early age of twenty-nine years. Although Florence was confined to her bed for four years the end came so suddenly and unexpected that her death was a great shock to a sorrowing community and to all that knew her. She was always a lovable neighborly girl and at the early age of five years she chose her life's work while visiting a hospital where she addressed the nurses as Angels in white. Before entering the Prince Edward Island Hospital, she showed special ability in nursing. She became a nurse in training and with tender loving touch, her gentle voice and cheerful Christian character she entered in the hearts of the patients she nursed, the doctors she worked under and the nurses she loved, a bond of love which death alone could sever but which will always remain as a loving memory in the hearts of those who knew her.

FEEDING THE BIRDS IN NORWAY In Norway it has been the custom for many years for the young people of every village to give a special dinner to the wild birds nearby. For several days before Christmas, the children go out into the woods, clear places in which to put food, cut poles and brush and erect covers so that when the birds come to get the food, they may be sheltered from the cold winds.

In addition to this, the peasants fasten wisps of oat straw on their houses so that the birds may find them and enjoy the grain; also, the market places have poles on which

are tied great bunches of unthreshed oats and many vegetables that the birds like. The children delight in thus remembering their feathered friends and count the number of different birds that come to the places prepared for them. After the birds have enjoyed their food, the children gather around the poles, dance and sing songs appropriate to the occasion. Exc. MUCH INFLUENZA

LONDON, Jan. 22—An influenza epidemic covering a large part of Europe, especially in the cities and towns has put thousands in their beds and hampered business and transportation services through reductions in staffs. In some cases schools have closed. In 107 large towns of England on whose returns the country's vital statistics are based there were 101 deaths from the disease last week compared with 60 deaths the previous week. Otherwise there has been no large increase in the mortality rate and in some countries, Spain and Portugal particularly, the disease is of a mild type.
