AN EATING ULCER.

Ulcers are a skin disease, and are more or less directly occasioned by a bad state of the blood, which produces acrid humors and corrupts the secretions.

No one can expect to have a skin free from disease when the blood is in a disordered condition and the stomach and bowels acting feebly in consequence.

Through its wonderful cleansing, purifying powers on the blood, and its renovating action on the entire system, Burdock Blood Bitters has made thousands of cures of different skin diseases during the past thirty years it has been on the market.

Mrs. Joseph Robinson, Hallerton, Que., writes: "I had an eating ulcer on my ankle. I took two bottles of Burdock Blood Bitters and it worked like a charm, cleaning out all the impurities from my system and improving my appetite. While taking the B.B.B. internally I used it externally to cleanse the sore, and it helped a lot."

Tooke SHIRTS

The button hole for the stud, in the back of the neck in our shirts, is not placed in the neck-band as it is in all other shirts.

Instead, there's a small flexible tab of stout cotton with a button-hole in it, as illustrated.

Easy to put in the stud, and it cannot chafe the neck.

This feature alone should make every man give Tooke Shirts a trial—after that the shirt will do its own talking. Tooke Shirts are the only shirts that have this tab feature.
