**PROPERTY PURCHASED**—The Charlottetown Hospital has purchased the property on the Esplanade, corner of Hamilton and Water Streets, from DeLois Bros. and will convert it into a nurses' home. This brick building was formerly known as the Navy League building, where a large number of young ratings, now serving in the navy, received their early training in navigation. Later, when the navy boys took over their present training station, H.M.C.S. Queen Charlotte, the building was converted into apartments. It is understood all the tenants in the newly acquired property hold leases which do not expire until the latter end of May next, which means alterations cannot be started until the premises are vacated. This is a valuable acquisition for the Hospital, which is at present overcrowded.

**C. W. L. CONVENERS**—At a meeting of the Diocesan Council of C. W. L. held recently in Charlottetown, Mrs. James Pendergast, Kensington, was appointed recording secretary to fill the vacancy caused by the resignation of Miss Gertrude Coady. The following conveners were also appointed: War Services, Miss Hilda Gillis, Grand River; Study Clubs, Mrs. J. J. Howatt, Charlottetown; Lay Retreats, Mrs. J. A. Bernard, Tyngs; Scholarship, Mrs. W. J. P. MacMillan, Charlottetown; Sisters of Service, Mrs. J. J. Murray, New Westminister; Magazine, Mrs. W. F. McNeill, Summerside; Sisters of Martha, Mrs. John A. Smith, Kinross; Citizenship, Miss Florence Kelly, Montague; Social Service, Mrs. Edward McDonald, St. Paul; Publicity, Mrs. J. A. **MEMORIES**

(By Louisa Gresham, Old Orchard, Maine.)

The cowbells were ringing and the bluebirds singing  
And the kiddies strumming on the old guitar.  
With the apple and the cherry and the blueberry tree  
Slight reminders of those who had gone over seas.

As some are East and some are West,  
And some we loved have gone to rest,  
But now I must stop as the tears are falling  
For the darling boys who have answered the calling.

And send up a prayer on the whirling air  
That they'll all come back to the beaten track,  
Where the bells are ringing and the birds are singing  
And the kiddies are strumming on the old guitar.

On Wednesday evening, September 14th, a large number of friends of Cpl. W. Brown of the Canadian Army Pay Corps gathered at his residence in Glasgow to present him with a gift of money. Mr. Cecil Laird acted as chairman. The guests of honour was brought in by Miss Jean MacLeod and the nurse presented by Mr. Ian MacLeod. Mrs. E. Brown read the following address:—

Cpl. George W. Brown,  
New Glasgow, P. E. I.

Dear George:—

**MAN CAN SHOW OFF TO HELPERS**

Furthermore, for a man to have a woman assistant gives him a chance to strut his stuff, which he seldom gets at home. For few husbands get any hero worship from their wives. So it is not unpleasant for the man who is hungry for a little appreciation to have a starry-eyed cutie sit at his feet and tell him how marvelous he is and how wonderful that he can operate that great big machine.

**Annual Collection**

All the enthusiastic helpers are again reminded of the Annual Collection which begins the first week of October. This yearly subscription affords the opportunity for every body to share in this great work. Day and Night our Hospital carries on its work of healing and doing its very best for every patient who comes for help in the time of sickness. Last year 379 patients were treated, and of that number there were only 102 deaths. There were 388 Babies born at the Hospital last year, and the average number of patients daily was 90.4. 222 patients were treated free at a cost of \$12,029.20. With this steady increase, the expenditures are mounting steadily, and the heavy support of all contributors is needed to keep up the good work and maintain the up to date equipment as well as the Hospital Building. The Loyalty and support of all friends is much appreciated, and an unsolicited subscription has already been received from a loyal friend anticipating the annual collection, with the donor's best wishes for success. We trust that your donations will be economically and wisely spent in the best interest of the patient. 9-15-44.

**"I was CRANKY all the time..."**

DESIGNING was no longer the wonder-work it used to be. Those dull, nagging headaches were enough to spoil any job. Every day was worse than the last—I got more and more touchy and out-of-sorts. Life was no fun at all.

"Then I discovered Kellogg's—tried the 30-day test. Maybe you won't believe it, but that one simple change of diet gave me a whole new outlook on life. Nature has a chance now, with just a crisp bowlful every morning. Now, I'm on top of the world."

**Make this 30-DAY TEST!**

1. If you're really ill—see your doctor! But if you often feel dopy, depressed, "old"; suspect incomplete elimination. See how one simple change of diet can help you keep fit!

2. Start now to eat Kellogg's Bran Flakes every morning! For the common symptoms of lack of "bulk" in the diet, don't rely on temporary relief from harsh cathartics. Take the gentle, natural way with delicious Kellogg's Bran Flakes with Other Parts of Wheat.

3. Just thirty days, and you should prove for yourself how grand it is to feel alert, have extra energy to do the extra things you want to do! Then just keep on keeping fit the Kellogg's way.

**KEEP FIT with Kellogg's every day in the year!**

The bride looked lovely in a street length dress of powder blue with hat and accessories to match and wore a corsage of Tallman roses and had as her bridesmaid Miss Rosina Levy, sister of the groom who wore a street length dress of light rose with matching hat and accessories and also wore a corsage of Tallman roses.

The groom was attended by Sgt. Wilfred Farrel, brother of the bride.

The bridal party then motored to the home of the bride's parents where a sumptuous wedding breakfast was served to immediate relatives of the contracting parties.

After a short honeymoon spent in visiting various points of interest in the Maritimes P.E.I. and Mrs. Lecky left for Montreal where the former will resume military duties.
