

Kinsmen Squad Win Junior Baseball Title

DOWN THE BACK STRETCH

Our friend Wilfrid Todd, Boston, Mass., has very kindly sent us an official program for the Bay State Raceway, Foxboro, Mass., for his first night racing meet September 1st. It is well gotten up, giving a description of the best bets on the program, the handicappers' selections, the trackmen's selections and it shows the best performances of each entry. There is a notice that in the event of rain four races (4 dashes) shall constitute a complete program and no admission refunds will be made or rain checks issued after the fourth race.

The first race, the 2:36 class for three-year-olds, was won by Baxter Hanover in 2:18 2-5. The second race for 2:28 class two-year-olds was won by Dark Chief. The fourth race was won by Hollywood Cochato 2:02 1-2, owned and driven by Earle Avery, Woodstock, N. B. It was three-quarters of a mile and the time was 1:38 3-5. Traffic Cratton (Brien) was sixth. Tab Hanover won the Junior Free For All with Free Spirit, owned by F. Violette, Edmundston, N. B., and driven by Earle Avery. Tip Abbe was entered but did not start. Last Tuesday evening's racing was rained out and we have no results.

The ninth annual Standard Bred Horse Sales Company auction will be held at Harrisburg, Pa., November 3rd to 8th. The sales dates are the 5th to 7th, included in the yearling consignment will be those from the Hanover Shoe Farms, the Village Farm, Peninsular Farm, Fairmeade Farms, Bonnie Brae Farms, Green Acres, Victory Acres, Grand View Farms, as well as additional listings by private consignors. Among the high class horses offered will be Peter Song, Jr. 2:06 1-4, Frank Spencer 2:05, Spartan Hanover 2:03 1-2, Direct Win (3) 2:03 3-4, Enac 2:04 3-4, as well as dozens of other fast record trotters and pacers. From this sale last year came Time Counts 2:06 4-5, Spencer Scott 2:07 1-4, Miss Knox 2:11 2-5, etc.

The richest stake for two-year-old trotters on the Grand Circuit was won by Rollo at Indianapolis last Tuesday. He was piloted by Del Cameron and is rapidly becoming one of the top drivers in the U. S. A. His summary was 7-1-1. Egan Hanover, one of the highest priced yearlings last fall, won the first heat in 2:06 3-5, then Rollo won the next two in 2:06 1-5, 2:07 1-5. The Governor's Stake, 2:15 Trot, purse \$4,000, was won by Peaceful Abbey in straight heats, Morris Mite 9-2-2, best time 2:01 4-5. The 2:20 class, purse \$1,500, was won by Advance Counsel (Mahoney) with 1-1-1, best time 2:07 2-5.

Even Song 2:08 3-4, noted brood mare at Walnut Hill Farm, Kentucky, is now the dam of the two fastest trotters ever produced by one and the same brood mare, Victory Song 1:57 3-5, world's champion four-year-old trotter in a race and Solo Song 4, 1:57 3-4, that died shortly after taking his record. In addition she has produced three other two-minute performers, a record unequalled by any other dam of harness horse speed.

We regret to learn that Trulo F. 2:06 2-5, a winner of ten of his 15 starts this year, died August 19th. She was owned by Walter F. Found, Merced, California, formerly of New London, P.E.I. Every-one predicted that she would eventually take a record close to two minutes and the loss is a severe one for our good friend Walter.

The \$4,000 two-mile trot at Roosevelt Raceway Friday night, August 22nd, drew an attendance of 26,986—a record for any night racing plant in the United States or elsewhere for that matter. A serious accident marred what would otherwise have been a remarkable contest. The field of 15 of the fastest trotters in the United States got away to a very good start but when the 16th light pole was reached Kaola, that started at the pole, went down. Two other horses went over her and drivers Henry Thomas, Charlie Witt and Franklin Safford became part of the wreck. Kaola and Frontiersman ran around the track several times before they were caught and Kaola was pretty badly battered around the ankles.

The injured drivers were taken to hospital where Henry Thomas still remains. Franklin Safford has a number of bruises to show for the happenings and had no serious injuries and drove two nights afterwards, but Charlie Witt had fractured ribs and other injuries. The winner was Chestertown, a son of Scotland and Phoebe Hanover, owned by Walter Smith of Los Angeles and driven by Sanders Russell of Stevenson, Alabama. Chestertown will be remembered as the winner of the Hambletonian at Goshen last year. Sanders Russell has been a successful owner and driver of horses for several years and it was a great compliment to him to be given the mount behind Chestertown.

Henry Thomas, interviewed after he retained consciousness, said he thought the accident was due to Kaola crossing the right hind foot and catching the heel of the shoe on the track later which seemed to confirm this theory. There have been quite a number of bad accidents at raceways in the U. S. A. this season but fortunately no one—unless it is Mr. Thomas—has been very seriously injured. We have also had near serious smashups here—boys are careful not to ride the other fellows' wheels or set your wheel in front of his horses feet.

Nibble Hanover, in the stud at Hanover Shoe Farms, appears to be coming into his own. Last year it was the 2:10 list, notably Grand Parade 3, 2:02 1-5, Derby Day 2:05 1-2, Flying Dutchess 2:07 1-4. His yearlings which will be sold at high prices, are another sire that is doing well. Peter Song, 2:00, that at one time might have been purchased by Island breeders but the opportunity unfortunately passed by, probably due to the fact that it was wintered in many of the summaries we note sons and daughters by him—winners.

No doubt some of our Maritime horsemen will be going to Kentucky to see the racing. Last year it will be remembered that Tracy Hanover p, 2:03; t, 2:10, took part in the International races there and won one of them. Tattersall's many are magnets which draw sales and many consignments thereto will be yearlings from T. Gait Farm, Gainesway Farm and other breeding centres. The trotters will be sold September 29—30 and October 1st, Walnut Hill Farm set of yearlings will also be held during the meeting.

There was plenty of racing over Maritime tracks the past week. Labor Day was usual giving an opportunity for great crowds of people to see the trotters and pacers in action. Moncton, N. B., meeting drew a banner attendance, thought by starter Rankin MacLaine to be quite as good as that of the \$5,000 Free For All meet in July. The winners of the 2:28 trot first division was Miss Peggy Lee (Gessner) with Louise Fingo 2-2-2, four other starters, best time 2:14 2-5. Second Division of the same race was won by Junior Hal, owned by Tracy Irving, Shediac, with Bonnie Bee (Beers) 2-3-2, five other starters, best time 2:17. The 2:17 trot and pace was won by Alycine, owned by Pic McCormac (Joe Hennessy) 1-5-1, Milton Budlong (Meham) 2-1-2, Time, 2:16, 2:15, 2:11 4-5. The 2:21 Trot and Pace was won by Andy Clegg, owned and driven by George A. Calibek, with May Todd (Leighton Spence) 3-2-2. Battle Bill 2-3-3, two other starters, best time 2:13 2-5. The Free For All was a great race between Harry Direct and Kavola. The latter won the first heat and Harry Direct the next two. McKillo Cash 5-3-3, Pine Ridge Alex 3-3-3; Ozinznava 4-4-4, best time 2:08 3-5 by Harry Direct, owned by J. D. Mehand.

Over 2,000 persons witnessed the races at Montague Monday afternoon. No. 1 Classified was won by Prince Budlong, owned and driven by Harold Outmore in three straight; June Morning (G. MacDonald) 5-2-4; Miss Knox (W. McNeill) 5-2-2, two other starters, best time 2:13. No. 3 Classified Trot was won by Nell Kalmuck, owned and driven by Willard Kelly; George Mac (Stead) 4-3-2; Marlon L. (T. Semple) 5-2-5; Eva Worthy (Collins) 2-5-6, two other starters, best time 2:15 2-5. The No. 3 Classified was a nice win for Just Betty, owned by Dr. R. F. Seaman and driven by Don Seaman. She was sixth the first heat but won the next two quite comfortably. Nellie Worthy (Buell) was 1-9-6; Marjorie (Buell) (Semple) 3-4-2; Mary Merk (E. Semple) 7-2-4, five other starters, best time 2:14 by Just Betty. The 2:29 Trot went to four heats and was won by Bud Kalmuck, owned by John Ladner and driven by Claude O'Brien with 5-6-1-1; Bonnie Dale (W. Kelly) 2-1-3-2; Archie Lee (Stead) 1-2-5-5, three other starters, best time 2:20 2-5 by Bonnie Dale.

At Blue Acres track the No. 1 Classified was won by Scotty Budlong.

Over 2,000 persons witnessed the races at Montague Monday afternoon. No. 1 Classified was won by Prince Budlong, owned and driven by Harold Outmore in three straight; June Morning (G. MacDonald) 5-2-4; Miss Knox (W. McNeill) 5-2-2, two other starters, best time 2:13. No. 3 Classified Trot was won by Nell Kalmuck, owned and driven by Willard Kelly; George Mac (Stead) 4-3-2; Marlon L. (T. Semple) 5-2-5; Eva Worthy (Collins) 2-5-6, two other starters, best time 2:15 2-5. The No. 3 Classified was a nice win for Just Betty, owned by Dr. R. F. Seaman and driven by Don Seaman. She was sixth the first heat but won the next two quite comfortably. Nellie Worthy (Buell) was 1-9-6; Marjorie (Buell) (Semple) 3-4-2; Mary Merk (E. Semple) 7-2-4, five other starters, best time 2:14 by Just Betty. The 2:29 Trot went to four heats and was won by Bud Kalmuck, owned by John Ladner and driven by Claude O'Brien with 5-6-1-1; Bonnie Dale (W. Kelly) 2-1-3-2; Archie Lee (Stead) 1-2-5-5, three other starters, best time 2:20 2-5 by Bonnie Dale.

Playoffs For Island Baseball Crowns Start Here Tomorrow

Junior and Intermediate Island baseball playdowns get underway at the Park diamond here tomorrow afternoon and local baseball fans are expecting two of the most hotly contested games of the season when Summerside squads clash with city title bearers.

In the opener Junior Kinsmen fresh from their victory over the Recce team met Charlie Hogan's Summerside Kinsmen Juniors in the opening game of a best-of-three series for the Island Junior crown. Summerside, regarded as the strongest junior squad ever to represent the western town are distinct threats for Island supremacy while followers of the local Kinsmen feel that their squad has hurred their stiffest hurdle in defeating the Recce youngsters.

The Junior game gets underway at 1:30 sharp. Intermediate All-Stars open their best-of-three series at 3:30, and judging by the exhibition tussles the pair have engaged in fans are awaiting a baseball treat.

Hurling choices for the games could not be learned last night but it is expected all four squads will start their top flight hurlers in an effort to chalk up the opening victory.

All members of the All-Stars are asked to be in uniform for tomorrow's game.

HUNTERS' CORNER

A few evenings ago I had a long chat with a gunner friend of mine about shooting conditions 50 years ago although neither of us were old enough to shoot that long back. The records show that this scribe shot his first black duck 46 years ago the 20th of this month (August).

We drew comparisons regarding the length of the shooting seasons in those days with what they are today. By those days I mean anywhere from 32 to 50 years ago. The goose season opened in March as soon as the first flocks of geese arrived from the south which was sometimes as early as the 5th. It was generally March 17th, St. Patrick's Day, before the old time gunners set out their traps and got set for the big shoot.

Spring shooting was legal in those days and it was also legal to shoot for market. The geese lingered on until sometime in May but after the miriads of brant arrived which was anytime after April 10th or 12th, a considerable shooting strain was lifted from the geese. The cream of the brant shooting was roughly from May 10th till June 10th. A lot of brant were shot in the first 10 days of June when they came to the bars to sand up for their long flight in to the northland. Sedom were brant observed after the 10th unless it was a few wounded birds.

A June brant was considered about tops as a table bird. It was nothing unusual for some of the birds to crack wide open when they hit the sand after being shot — they were so fat.

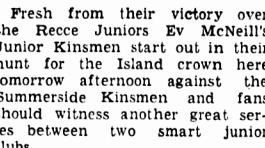

After the brant had departed there was a lull until July 15th when the vanguard of the curlew arrived. These big grey birds with the long curved bills reached their full flight some time early in August. The black-bellied and golden plover began to arrive about July 31st or August 1st and reached a peak in numbers anywhere from August 12th to 15th. Life's Curlew began in October. Yellow legs were present in large numbers all summer and stayed on until the last of October. Sometimes the great or yellow legs known locally as 'big winters' were encountered in November. All these birds are protected now.

The duck season opened officially on August 10th and unofficially anytime after July 20th. In those days we had roughly a 7 month season on ducks and geese. Today we have a month and a half. All in all there was only about one month in the summer and three in the winter when there were no game birds to shoot in the good old days 50 to 60 years ago — and what shooting was to be had. Geese, ducks and brant were present in countless thousands and the swarms of plover when they were flushed from some favourite pasture field, where they had been feeding on crickets and grasshoppers, literally darkened the sun.

Notwithstanding the long duck season, August 10th till the freeze-up, there were some, as now, who couldn't wait till the opening day. About a third of a mile south of the old homestead a favourite duck lake nestled in a cranberry barren and surrounded for the most part by a thick growth of stunted spruce. It was a favourite watering place for black ducks as well as a resting and sunning centre. At high tide the ducks would come streaming in, in long spide y skins on the sky line, from Pownal Bay and Irving's Bay. Even early in August, before the season opened, I have seen approximately two thousand duck on the old home lake.

I will remember one evening just after supper about two days before the season was due to open.

(Continued On Page 7)

IN THIS CORNER

Fresh from their victory over the Recce Juniors Ev McNeill's Junior Kinsmen start out in their hunt for the Island crown here tomorrow afternoon against the Summerside Kinsmen and fans should witness another great series between two smart junior clubs.

Right at the peak of their game when the chips were down, Kinsmen played the steadier ball in the last two games of the City playoffs to earn their city title. As is usual in games that followed the pattern of last night's breaks decided the issue but the winners had the necessary ability to take full advantage and as a result today they are champions.

Disappointing in many of their league games Kinsmen suddenly hit their stride in the playoffs and after losing the first encounter came back to take two in a row—the first two defeats the Recce team suffered this season—and if they continue to show the same defensive brand of play Ev McNeill's charges will be very much in the thick of the fight for Island honors.

There is no doubting that Charlie Hogan's junior band from the western centre pose a distinct threat. In two games they have played before local fans they fielded a big, strong, smooth working team well equipped with pitchers and carrying plenty of batting punch, and if Kinsmen can get by them they should go far in Maritime playoffs.

But notwithstanding the recall Kinsmen as City champions are a job well done by a smart junior squad.

Fans will witness another provincial title tussle Sunday afternoon also when Summerside All-Stars play the Abegweits in the opener of the intermediate title and this like the junior series is expected to produce close-knit struggles all the way with the three game limit before a winner is decided.

In exhibition games during the season the two teams have been breaking about even. Usually it has been a case of winning one and losing one but now, with everything at stake the brand of ball should be much better. Both teams are crammed with power and speed and if they stand up defensively encounters should be thrilling ones.

Speaking on Canada having Olympic hockey representation a Hamilton, Ont., columnist says:

It is still exceedingly doubtful that Canada will be represented by a hockey team of worth in Olympic Games next winter!

"With restrictions relaxed so that it is possible for a team like Montreal Royals, amateur only by suggestion, to enter the games on Canada's behalf, the stumbling block now is the Montreal club, which cannot see how a layover from the Quebec Senior League can be secured."

"Royals are obliged to play a heavy schedule in the Quebec loop, and their absence for the time needed in the Olympics would make a break necessary."

"Most Canadian top-flight teams are in the same position, being committed to schedules and so, unless some juggling is done in the case of the Royals, they will pass up the invitation, with other leading teams, which means that actually, Canada is no farther ahead in the matter of representation."

Elizabeth Lantz Captures Junior Singles Title

The Charlottetown Tennis Club Junior tournament concluded yesterday afternoon, when Elizabeth Lantz defeated Norah DeBlols 6-2, 4-6, 6-4, to win the Junior Ladies Singles title, in a closely contested match, in which either player might have walked off the courts victorious. In the first set, Elizabeth held the upper hand pretty well through the encounter, and on into the opening games of the second set, having a three to one game advantage over her opponent when Norah rallied to put on a strong drive with well placed shots to win the set, six games to four. Elizabeth started out strong again in the third set to take the first game, but Norah, diving hard to the back line, forced her opponent to minutes later only to have her opponent run it up to four games to one by taking five straight. Once again Norah applied the pressure, winning the next two games to make it three games to four but Elizabeth, taking to her opponent's losing out at that point, took the next game, and from there on it was a nip and tuck affair, with Norah advancing to within one game of tying it up before Elizabeth garnered the final and deciding game to win the match.

Following the ladies doubles finals which is to be played this afternoon at 3:30, when B. DeBlols and J. Miller meet A. DeBlols and Mrs. E. Larke for the ladies doubles title. The winners of prizes for the winners of the different events, will be the climax to a very successful tournament and much tennis activity at the Charlottetown Tennis Club.

SOUTHAMPTON, England. (OP) — Nature-lover A. Thur Smith rescued a crab which he saw walking along a main street, a half mile away from the seashore.

TRURO, N.S., Sept. 5. (OP) — Truro Bearcats, Nova Scotia baseball champs of 1946, scored a ninth-inning rally to defeat Springhill Pioneers 3-2 here today in the fifth game of a best-of-seven semi-final series for the provincial championship.

The win gave Truro a 3-2 edge on Springhill in the game standings. The next meeting will be in Springhill Monday.

Decision to play the seventh game, if necessary, on neutral grounds in Halifax broke up a dispute which had temporarily suspended the series. Each team had wanted the final contest on its own diamond.

Ready's Long Drive To Centre In 8th Is Deciding Blow

Pushing across a run in half of the eighth inning to a 3-0 lead and a scoreless, in his final opportunity in the bottom of the same frame, the long played owing to the hitting in. Ev McNeill's men yesterday captured the Junior title and an Heats trophy by defeating Recce Juniors 3-0 in a 10-inning encounter as witnessed here all season long. For five and a half in.

Louis Deadly On Golf Links

TORONTO, Sept. 5. (OP) — It took a little juggling of the match conditions, but Bob Gray, professional at Toronto's Scarborough Club, managed to defend Canada's golfing reputation for a formidable attack by golf-wise Joe Louis.

The Brown Bomber took on Gray, in Canada's top links men, in a friendly match at Scarborough yesterday with a small side bet attached. The original arrangement was for Gray to give Louis two strokes on each nine.

After Louis finished the first nine two strokes ahead, he agreed to cut the handicap to a single stroke on the back nine. Panting slightly, Gray came home with a three-under par 68 to the champ's par 71, squaring the match.

Like a number of his ring opponents, Gray found Louis 'deadly' with his approaches.

Football Season Gets Underway

The senior football teams start playing for keeps on a big scale this Saturday. Ten of the 13 teams in the Dominion's three top senior leagues go into action—all six in the Ontario Rugby Football Union, two of the four in the inter-provincial Big Four and two of Western Canada's three.

Toronto Argonauts open their defence of their Big Four title and their Dominion championship at Ottawa's Lansdowne Park where their game with the greatly-improved Rough Riders is expected to draw a record crowd of 15,000 fans.

In the O.R.F.U. Ottawa Trojans invade Toronto to play the Indians who lead the Union because they won the only game played so far this season; Hamilton Wildcats are at home to Windsor Rockets who stand in last place because they lost the Union opener last Monday; Toronto's Balm Beach, 1946 champions, go to Sarnia to hit the Imperials.

In the west the injury-riddled Blue Bombers from Winnipeg travel to Regina to play Saskatchewan Roughriders. From there they go to Calgary for a Monday night fixture.

Idle Saturday are Calgary in the West and Hamilton Tigers and Montreal Alouettes in the Big Four. Calgary's first game is the one with Winnipeg Monday. The other four teams go into action next week.

First Round Matches Are Postponed

FOREST HILLS, N.Y., Sept. 5. (AP) — Sudden curfew at the Westside Tennis Club today forced postponement until tomorrow of first-round matches in the United States national singles championships.

It had been expected that all the men's first-round matches and a good part of the women's singles would be completed today. However, if the weather remains favorable for the rest of the tournament it is expected the finals can be played Sept. 14 as scheduled.

Defending champion Jack Kramer is not listed to play until the second day of competition, but other outstanding performers will appear on tomorrow's program. Gardnar Mulloy appears in the opening match against Bitay Grant.

Jaroslav Drobný, hard-hitting Czechoslovakian, meets Clayton Xenham, champion of Hawaii, in another first-round match of more than casual interest, and Billy Talbot takes on Herbert Flam, former national junior champion, in still another.

Francis X. Shields and Tony Mottram, the latter rated the best of England's Davis Cuppers this year, meet in a match with an international flavor.

Mrs. Nancy Wynn Bolton of Australia meets Jean Burritt, youthful Toronto player, in the opening singles match on the women's program.

Other Canadians who will compete in the championships are James, Patricia and Brendan Macken, Elaine Filides and Henry Rochoon, all of Montreal.
