Across Canada—from ocean to ocean—the finest medium of travel is via the through trains of the Canadian National Railways.

From the Atlantic to the Pacific the fastest time is made, and the most luxurious of train service furnished.

From all Maritime Provinces points the finest of connections are afforded at Montreal, via the "Ocean Limited" and the "Maritime Express," with the famous "Continental Limited" leaving Bonaventure Station at 9:00 p. m. daily for Ottawa, North Bay, Cochrane, Winnipeg, Saskatoon, Edmonton and Vancouver.

For instance on a Sunday evening, the traveller arrives in Vancouver early the following Friday morning, after five nights and four days of travel, on one of the best equipped and most modern trains on the continent.

The "Continental Limited" is a solid steel train of standard sleepers, Compartment Observation Cars, tourist sleeper, colonist cars and first class coaches.

The route taken by the "Continental Limited" affords the traveller the finest variety of scenic views and the most interesting sections of Canada are traversed.

The road bed is regarded by experienced travellers as the best and smoothest, while the modern coaches are easy riding. The rigors of old time travel are eliminated, and train weariness unknown.
