DARK COLOURS

The woman who plots ways to look her slimmest in fall costumes will pick the dark "cool" colors that minimize size and choose fabrics that make the least demands of her figure. Even movie actresses with lissome figures must observe this rule, else the camera will add unwanted weight and magnify the slightest defect.

Papers, Utilities Are Leaders

MONTREAL, Oct. 2. (CP)—Papers and utilities were leaders in a generally firm list in transactions today on the stock exchange and curb market. All pivotal sections were higher in the indices and individually gains were more than double losses. Profit-taking, notably in papers, pared increases in the last hour in some cases.
 Prices, with a jump of 2 1-2, paced the better papers and others up fractions to around a point were Fraser, Abitibi Common and Preferred, Consolidated, M. & O. International, Powell, Dryden, Great Lakes, MacLaren, Bathurst, "A" Brown Issues, and St. Lawrence Common and "A". Donnamona, after touching a new high in extension of its current upswing edged back and was down Ford A. H. Smith recovered from a stumble, Quebec Pulp Preferred, Lake of the Woods, National Breweries and Labco pushed up in beverages, Canadian Breweries converted a gain into a loss and Alco "A" and "B" tumbled.
 Noranda, H. B. Mining, Smelters and Alumina improved in metals, Nickel declined, a decrease and Alcoa Preferred was slanted down. McColl was in win territory in oil. The United Fruit, Walker, National Cocksfoot and Dosco were softer temporarily. Celanese was harder in textiles and Dominion Textile inched back. Walker, National Breweries and Labco pushed up in beverages, Canadian Breweries converted a gain into a loss and Alco "A" and "B" tumbled.
 In junior mines, winners were Sullivan, Santiago, Pitt, Central Canada and Louvain, O'Brien, Joliet and Soma backed up.
