

You don't like the cheap tea you are using. Do you?

Pretty Poor Tea, Mother

Before the war so increased the cost of living, many people used to drink better tea than they are now using.

Perhaps, this is true in your case?

Of course, you are not drinking poor tea because you like it, but because you think it necessary to save money.

But are you really saving anything? Cheap, common teas only make about 150 cups to the pound. You are lucky if you can stretch them out to 185 or 200.

On the other hand, Red Rose Tea easily makes 250 cups. It goes further because of its fine quality, consisting chiefly of Assam teas, the richest and strongest in the world.

You may almost doubt if so many cups of tea can be made from a pound of even such good tea as Red Rose, but you can readily prove the economy of Red Rose without waiting for a package to be used up. Just use a few leaves less of Red Rose for a brewing than you use of common tea—the result we are sure will please and surprise you.

DRAKE-MACLAREN WEDDING

The residence of Mrs. Stewart MacLaren, New Perth was the scene of a happy event on Wednesday, Sept. 12, when her daughter Carrie May was united in marriage with Mr. Lemuel Hyde Drake of West River. The union was solemnized by Rev. C. E. Armstrong, pastor of the Christian church of Montague in the presence of the immediate relatives and friends. The bride looked charming in a dress of crepe de chene with Georgette trimmings, and carried an elaborate shower bouquet of sweet peas. The bride was given away by her Uncle Mr. R. G. MacLaren of New Perth and was attended by her friend Miss Mary Shaw, who wore a dress of white voile. The groom was supported by Mr. Frank Lowther of Cornwall. The presents were numerous and costly. The grooms gift to the bride was a beautiful pendant to the bridesmaid a gold pin and to the best man gold cuff links. After the ceremony the guests sat down to a sumptuous repast. The newly married couple left amid showers of rice and confetti, by the afternoon train for their future home in West River, where they are followed by the good wishes of their many friends.

Miss Mary Catherine Gillis was born at Lyndale 39 years ago. Died in Cambridge Mass Sept. 19th where she resided. (She was one of nine children born to Mr. and Mrs. Malcolm Gillis. The parents and four of the family have passed on. Three brothers and two sisters survive the departed. Two of these brothers have enlisted in overseas service. One brother Roderick is in Alberta, one sister Marjorie in British Columbia and Margaret who resided recently in Wellsley Hills, Mass. This latter sister was with the departed during the last week of her illness and to her fell the painful duty of accompanying her sister's remains to the last resting place in Orwell Head Cemetery about a mile from the old home of the family.

Miss Gillis had the much dreaded ailment, cancer for some time, but kept the knowledge of her trouble from her friends and only a few months ago ceased from active work. Her sufferings during the last days were severe but she bore these with extreme patience on the 19th September death, released her of suffering and she went home to be with her Saviour and loved ones gone on.

Her remains reached Orwell on Saturday 22nd and were kept in the home of her cousin J. A. Gillis till Sunday, when the funeral was held. A large gathering of people attended. The services were held in the Orwell Head Church conducted by the pastor and choir of that church, and the remains were laid away in the family plot in Orwell Head Cemetery near by.

There passed away at his home at Bay Fortune, P.E.I. on Friday evening, Sept. 7th, Berton MacKenzie in the 29th year of his age.

Deceased was in failing health for some time, and the end was not unexpected.

All through the months of depleting strength he made no complaint, but accepted his allotment of affliction in the spirit of true Christian patience and resignation.

He was a young man of good character, and by his quiet, kindly, cheerful disposition and his sympathetic consideration for others he won many friends. This was evidenced by the very large attendance at the funeral which was held on Monday, September 10th.

The members of Loyal Orange Lodge No. 2251, of which deceased was a member, attended in a body, marching from the church to the home of the deceased and leading the funeral procession from the home.

CUTICURA HEALS ITCHY SCALP RASH

That Burned and Pained Four Years. Hair Came Out. Loss of Sleep.

"My scalp was red and very itchy, and a fine rash developed which burned and pained incessantly. This seemed to destroy the hair roots, causing my hair to come out, which disfigured the top of my head. It also caused loss of sleep. The trouble lasted four years. Then I sent for a free sample of Cuticura Soap and Ointment which encouraged me so I bought more, and I had one cake of Cuticura Soap and one box of Ointment and I was healed." (Signed) John Cunningham, Church St., Antigonish, N.S., April 4, 1917.

Why not make Cuticura your everyday toilet soap and prevent skin troubles? Absolutely nothing better.

It is with feelings of sincere regret that the death of Mr. Patrick Mahar 23 Edward Street, is chronicled, at the age of 62 years. Deceased had been suffering for several months with acute indigestion but had been around as usual on Saturday when he was suddenly stricken with a severe pain and early on Sunday morning he passed to the great beyond. He died fortified by the last Sacraments of the Holy Catholic Church administered by Rev. Peter Hughes, who consoled him in his last moments. He has many friends in this City who were shocked to hear of his death. He leaves a grief-stricken widow and the following sons and daughters namely—Mrs. James Reple, East Boston; Mrs. Roy Eserry, West Lynn, now on her way home; Vincent, Leo, Bennet, Pius, Herbert Ernest and Pearl all in this city and Lance Corp. John Mahar now some where in France. To all The Guardian extends sincere sympathy. His funeral will leave his late home Edward Street at 8.45 a. m. today for St. Dunstan's Cathedral, R. I. P.

The formal opening of the Provincial Exhibition took place at 12 noon yesterday. The attendance was fairly large, for the first day, larger than is generally the case on opening day. The weather, although somewhat cool, was delightful and the public generally, both citizens and visitors entered heartily into the preparations for the great gathering of the year.

At 11.30 the soldiers in training, the returned soldiers in the City and a number from out of town and the pupils of the City girl schools marched in procession to the Exhibition Building. Arriving at the building the soldiers were lined up to receive Sir Louis H. Davies, who kindly officiated at the opening, in the regrettable absence of His Honour the Lieutenant Governor who on account of the illness of his daughter was unable to be present. The pupils, each carrying a flag, passed through the lures and marched to the gallery at the north end of the building where terraced seats had been provided for them. Sir Louis having passed in the soldiers followed and lined up on the ground floor in front of the children's gallery and the platform prepared for the speakers.

After the opening chorus, "O. Canada," by the pupils, the President, Mr. Frank R. Hertz, addressed the assemblage. At the outset he regretted the absence of His Honour the Lieutenant Governor who, on account of illness in his family, was unable to be present. He then gave a graphic and most interesting history of the Exhibition Association. This, he said was the 25th exhibition since the organization of the Association 27 years ago. During the first eight years only Island exhibitors competed. Nineteen years ago the management decided to open the exhibition to exhibitors in the Maritime provinces, and this has been followed since with excellent results. On two occasions previous to 1915, the Association accepted the Dominion grant which necessitated the admission of competitors from all parts of the Dominion. In 1915 the Association began to participate in the Dominion Live Stock Commissioner's grant and since that date the Provincial Exhibition has also been a Dominion one, open to all Canada. This custom, he believed, would be continued. Looking over the entries he believed the present exhibition would prove one of the most successful ever held in the province.

The horse races, the main attraction of the afternoon were witnessed by a very large crowd perhaps the biggest "first days" attendance for many years.

The races were not of the thrilling nature, so common on the local track but it can be said that of the 240 trotters there were as fine a bunch of horses, and an unusual thing for most races, every one started.

Cap. Cresceus 222½, with an excellent start, stopped out in front in the first heat and was never headed, and won quite handily but from what he was not a serious factor for first honors.

The race was eventually won by Commodore Boy 220½, owned by Thos. Munroe, New Glasgow, and driven excellently by Mr. Colin McDonald the popular young horseman from the "Steel" City.

didly and showed great flights of speed in spots.

Brenton H. 219 won the 222 class in an impressive style, and had as his chief opponent the sweet little pacer Queen Catherine 224½. Casey Cresceus tried hard in the latter heats, but the best he could do, was land third money.
