Everything She Ate SEEMED A BURDEN TO CARRY. HAD STOMACH TROUBLE FOUR YEARS.

When your food has not been properly digested, your body has not received the benefit it should. The exertions of the gastric juice have been confined entirely to removing the unassimilated undigested portions of food which they cannot properly digest as speedily as possible from the body, thereby only giving the blood a small percentage of nourishment with which to feed the tissues. Burdock Blood Bitters regulates the bowels, promotes perfect digestion, makes pure blood, tones the stomach, and thus restores perfect health and strength to the debilitated system.

family, must be a subscriber to The Guardian, during the continuance of the contest, in order to qualify for membership in the International Newspaper Bible Study Club and this Local Club. Each contestant in this Local Club, must answer each of the written questions, for 52 consecutive weeks, commencing for Sunday Aug. 23rd, 1908, and the answers must all be in the possession of The Guardian within two weeks of the close of this period, which allows two weeks grace after the close of the contest. Each question must be answered separately, and the paper written on one side only. No answer must exceed two hundred words in length and may be less. Do you think it wise to turn away thousands of dollars each year through the pockets of tourists from our Province with their cars? Do you know that the agriculturists are now the largest purchasers of Motor Vehicles in nearly every civilized country and that a motor buggy that will carry two persons twenty miles inside of an hour at a cost of twenty cents, can be purchased now for from \$250.00 to \$375.00? Do you think any modern improvement that has been brought to such a state of perfection and has been clearly demonstrated to be of such commercial value at the Motor Vehicle can be permanently kept out of our intelligent and progressive country? KIDNEY DISEASE COMES ON QUIETLY.

Perhaps no other organs work harder than the kidneys to preserve the general health of the body and most people are troubled with some kind of Kidney Complaint, but do not suspect it. It may have been in the system for some time. There may have been backaches, swelling of the feet and ankles, disturbances of the urinary organs, such as brick dust deposit in the urine, highly colored scanty or cloudy urine, little or no pain, frequent or suppressed micturition, burning sensation when urinating, etc. Do not neglect any of these symptoms, for, if neglected they will eventually lead to Bright's Disease, Dropsy and Diabetes. On the first sign of anything wrong with the Kidney Pills should be taken. They are the best of trouble, strengthen the kidneys and help them to filter the blood properly and flush out all the impurities which cause kidney trouble. Miss Alberta B. Clark, Stone Creek, Ont., writes: "I was troubled with kidney trouble for several years; my back was weak, I had such terrible headaches, and was so restless I could not sleep at night and tried everything without any benefit. Meantime a friend advised me to try Doan's Kidney Pills, so I got four boxes and they completely cured me. I now feel as well as I ever did and would advise everyone suffering from Kidney Disease to try them." Price 50 cts. per box, or 3 for \$1.25, all dealers or The T. M. M. Co., Limited, Toronto, Ont. When ordering specify "Doan's."
