

RAILROAD ENGINEERS OUT WITH STATEMENT

MEN IN THE CABS FROM MANY STATES DECLARE TANLAC CONSERVES HEALTH OF RAILROAD MEN AND MAKES THEM FIT FOR RESPONSIBLE DUTIES IN MOST NERVE-RACKING SERVICE.

Nothing demands a clearer brain, steadier nerves, a more perfect state of health than that of a railroad engineer. The safety of thousands depends on guarding his health, which is as important to the public as the efficiency of his engine. Every engineer realizes this matter. That is why so many of them are using Tanlac—it steadies the nerves, clears the brain, corrects indigestion, strengthens the arm, insures the safety of the traveler, and keeps him on his job.

Railroad engineers everywhere endorse Tanlac because they have tried it and know. Read what they say: W. L. Nahers, Atlanta, Ga., engineer Southern railway, says: "I had lost appetite—liver and kidneys deranged—since taking Tanlac haven't had a pain—gained 14 pounds."

L. C. Bowers, 910 First avenue, south, Nashville, Tenn., engineer Tennessee Central, says: "Stomach trouble and nervousness overcome—nothing too good I can say about Tanlac—gained eight pounds."

D. A. Middleton, 1717 Chenover street, Houston, Tex., engineer Southern Pacific, says: "Was in bad shape—couldn't walk—Tanlac built me up like new man—gained 11 pounds."

T. G. Ayers, 107 Raines avenue, Nashville, Tenn., engineer Louisville & Nashville, says: "Kidney trouble, nervousness, poor appetite—Tanlac put me in good shape—gained seven pounds."

J. T. Toy, Atlanta, Ga., former engineer Seaboard, says: "Nervous indigestion—kidneys in bad shape—pains in back—am satisfied with what Tanlac has done for me."

R. H. Owens, 2700 avenue G, Birmingham, Ala., engineer, says: "Run down—indigestion—palpitation of heart—had to give up job—since taking Tanlac eat anything—have gone back to work."

T. G. Burrows, 3915 McKinney avenue, Houston, Texas, engineer St. Louis, Brownsville & Mexico, says: "Catarrh of head and stomach—headaches—nervous—Tanlac is railroad man's friend—feel like new man."

Lynn Sills, 440 North Bellevue avenue, Memphis, Tenn., engineer Louisville & Nashville, says: "Headaches—pains in back and kidneys—strained every nerve to keep up—Tanlac relieved me entirely."

S. T. Watkins, Birmingham, Ala., engineer Southern, says: "Suffered 27 years—stomach troubles—Tanlac has ended my troubles."

G. G. Geiger, 133 Linden street, Atlanta, Ga., engineer Georgia railroad, says: "Tanlac relieved my wife of rheumatism—she gained 25 pounds from using it."

...MILTON CROSS.—The semi-annual examination was held in the Milton Cross school June 30th. About twenty visitors were present. The pupils were examined by a few of the visitors, and by their teacher, Miss Catherine MacLeod. After a short programme of recitations and songs Miss Annie Moore read the following Address and Miss Florence MacBeth presented their teacher with a beautiful gold ring set with four opals.

Dear Teacher,—With an expression of sincerity we the pupils of this school deem it our duty to in some suitable way manifest our appreciation of your services rendered as our teacher in charge of our school. During your stay here you have by your kind disposition won the favor of both scholars and parents. Now as you are about to sever your connection with our school we earnestly hope that success will crown your efforts wherever your lot may be cast or what ever your vocation may be. Those few lines are but a faint expression of our good feeling toward you. Trusting this short address and accompanying gift as a small token of appreciation will be acceptable to you. Wishing you every success in your future life, we are the scholars of Milton School on behalf of our school.

...F. F. Hammill, 1192 Dunnivant St., Memphis, Tenn., engineer, says: "Rheumatism—tried everything, including trip to Hot Springs—Tanlac did more than everything else combined."

P. C. Hooks, Rome, Ga., engineer Southern, says: "My wife was almost complete nervous and physical wreck—Tanlac set her crutches aside—she gained 16 pounds."

J. B. Watson, Mobile, Ala., engineer on Southern railway between Selma and Mobile, says: "Was completely broken down—couldn't work—since taking Tanlac am working regularly—gained 28 pounds."

O. B. Haines, Nashville, Tenn., engineer Louisville and Nashville, says: "Gave up engine account accident, bad health—Tanlac is fine—gained 8 pounds—sleep and eat fine."

G. T. Newman, Dalton, Ga., engineer Western and Atlantic, says: "Was tired and worn out—nervous—Tanlac only thing that gave me relief!"

H. M. Telford, 617 Third ave., Birmingham, Ala., engineer Louisville & Nashville, says: "Wife had nervous indigestion—splitting headaches—gave up all housework—Tanlac gave her new life and energy—she gained seven pounds."

Evidence from such sources as these is unassailable. These men are exposed to all conditions of weather as no others are. Their runs take them from mountain to seashore, through rain and storm, cold and sleet, and they never falter in their duty. They must always guard against disease. These men speak from personal experience; no wonder they pin their faith to Tanlac, for it has served them well.
