MONDAY

Mr. C. E. Cameron who has been manager of the Tignish branch of the Provincial Bank since it opened here a year ago has been transferred to Head Office at Montreal. Since coming here he has made many friends both in a business and social way and these are all sorry to see him leave. All are pleased, however, to see that his business ability is being recognized and that he is being advanced to a higher and more responsible position. He is being replaced Jan. 2nd by Mr. John Cameron of Summerside.

The following inspiring message was received on New Year's Day from the Canadian Prime Minister by P. Kirby Stewart: "Hon. J. D. Stewart,

"Premier, Prince Edward Island.

"Personal cordial New Year greetings to Mrs. Stewart and yourself. I am sure you will agree with me that Canadians may well look back upon 1931 with pride and forward to 1932 with confidence and join in the hope that the continued display of the indomitable spirit with which they faced the difficulties of the past year will enable the people of Canada to establish the foundations of a greater and more enduring prosperity.

"R. B. BENNETT"

DEATH OF MRS. D. F. POWERS—There passed away at the home of her parents, Mr. and Mrs. D. MacNeill of Summerside, in the early hours of New Year's Day, Mrs. D. F. Powers, at the age of 51 years. The deceased had been in falling health for the past three years. Last October she came to Summerside from her home in Clearmont, N. H., and entered the Prince County Hospital, where she underwent a serious operation. After a few weeks she left the hospital and remained until her death in her girlhood home. Mrs. Powers was a woman of many fine qualities and much sympathy is expressed for the bereaved family in their sorrow particularly at this season of the year. There are left to mourn her husband and two sons, Lawrence and Harry Croake of Clearmont, N. H., her parents, Mr. and Mrs. D. MacNeill of Summerside, two sisters, Mrs. J. E. Blager of New York and Miss Margaret at home, also four brothers, William and Harry in California and Eben and James at home, to all of whom sympathy is extended.—S

POLICE CHANGES IN SUMMERSIDE—As a sequel to a meeting of the Summerside Town Council last Wednesday, when a motion was passed appointing Peter White as special policeman in place of Mr. Jamieson, the latter to be given two weeks notice. Mr. Jamieson sent in his resignation on Thursday. Police officer Linkletter also resigned on Thursday which left only Chief Kane to carry on the police duties. Hazen McDonald, who has served and was honorably discharged from the North West Mounted Police and served for one year in Edmonton, Alberta, was sworn in on Thursday. He is a son of Mrs. John MacDonald of Summerside and has lately returned from Denver, Colorado. Percy French, of Alberton, formerly of the Provincial police staff has also joined the police force and was sworn in on New Year's Day. Peter White as special policeman does not commence work until February. These new men are all highly recommended and should restore the confidence of the public in the police force; but all the blame cannot be attached to the police as Summerside with a population of over four thousand people should have at least four regular policemen and extra men for special occasions.—S

The Province was visited Saturday night by another destructive fire, this time at O'Leary, which completely destroyed the large general store of Kennedy and Kennedy, Limited. Both buildings and stock, including a large supply of general merchandise, were lost. Saturday night by another destructive fire, this time at O'Leary, which completely destroyed the large general store of Kennedy and Kennedy, Limited. Both buildings and stock, including a large supply of general merchandise, were lost.

The value of the store property and merchandise is between \$50,000 and \$55,000, with insurance of between \$30,000 and \$35,000.

The fire broke out about 11 o'clock Saturday night, some fifteen minutes after the store had been locked up for the night. It is believed to have caught from the flue. Children passing the store noticed signs of fire and gave the alarm. The flames made such headway that despite every effort of the citizens of O'Leary it was impossible to save either the building or the stock.

The flames spread through the doomed building to the adjoining warehouse, formerly used as a cafe, and this building also was destroyed.

The repair shop of W. H. Dennis, adjoining the Kennedy store on the other side, also caught, but was saved without much damage.

The fire burned furiously all Saturday night and Sunday morning, and was still smouldering on Sunday evening.

Shelton Sharp, President of the Association and the local directors in the directors room at their head office in Summerside and presented with a valuable wrist watch and address as a token of the high esteem in which he was held.

PRESENTATION TO MINISTER—The members of St. James Young Men's Bible Class on Sunday afternoon presented their instructor, the Rev. R. Moorhead Legate, B. D., with a New Year's gift in the form of a handsome Weterman fountain pen, accompanying the gift with the good wishes of the class for a happy and prosperous New Year. Mr. Legate appreciated the good wishes and gift very highly and informed the young men that when he was writing his sermons and preparing his studies for the class he would ever remember their kindly action in presenting him with this pen.

The splendid quality of Prince Edward Island potatoes and the high reputation which Island tubers have established in the Cuban market, were referred to enthusiastically by two distinguished visitors to Charlottetown over the week end, Dr. Manuel Piedra de la Concha, a leading lawyer of Havana, and Mr. Antonio Bacardi, also of Cuba.

Dr. Piedra is the son of the Cuban ambassador to China and he himself has acted for the Chinese Government in his native country. His father and grandfather were prominent in military matters and took a distinguished part in the revolutions which led to the independence of Cuba.

Mr. Bacardi is the grandson of the founder of the celebrated Bacardi distilleries of Cuba.

On Saturday, January 2nd, Mr. J. Garfield Ross, of Rosebery, had the misfortune of losing his residence by fire which broke out at 10.30 a.m. in the ceiling in the sitting room. Mrs. Ross and one of the children were the only occupants of the house at the time and Mr. Ross was in the office at the mill when the alarm was sounded.

The neighbors quickly gathered and with their aid the greater part of the furniture was saved but the house was completely destroyed.

The building, which was one of the finest farming residences in that section of the country, contained eleven rooms and had all the modern improvements including electricity, etc. It was built quite a number of years ago, but was remodelled in recent years. It was valued at least \$4,000 on which there is but a small amount of insurance.

Mr. and Mrs. Ross and children lost most of their clothing and other personal effects.

Mr. Ross had a very narrow escape from death during the fire. He had run upstairs to his bedroom in order to salvage some important articles belonging to his wife. Shortly after that his brother had gone to take down a commode at head of stairway. As he was doing so, he thought he noticed somebody falling. When he got down to notified his brothers and they were asked where Garfield was. They rushed up and found that he had tripped over a roll of linoleum which had been torn from the floor and he was lying unconscious beside this.

The house was then filled with smoke and with considerable difficulty they managed to carry him down and out into the open air into safety.

When the fire was first noticed, there was abundance of water close by, also buckets and axes, etc., but

unfortunately the blaze had assumed such progress that nothing could be done to save the building.

That the fire fighters did excellent work is evident from the fact that they were able to save the adjoining building which was only eight feet away from the house.

Mr. and Mrs. Ross are at present staying with relatives and intend starting rebuilding at as early a date as possible.

SEASON'S GREETINGS—The Guardian has received the following telegram which speaks for itself: "New Year's greetings to Prince Edward Island from Old Kentucky—signed George W. Stewart."

Hon. G. Shelton Sharp and Dr. J. A. MacPhee were guests.

Another veteran citizen of Charlottetown has entered into his eternal rest, Mr. Peter Newsom passing peacefully away at his home, 10 Ambrose Street, yesterday morning.

Mr. Newsom, who was in his 84th year, suffered a slight stroke of paralysis last July to which he finally succumbed, having been confined to his house for the past six months.

For many years he has been a resident of Charlottetown, having removed here from Crapaud where he formerly carried on business.

He was a partner for a number of years with the late John Saunders in the meat business in this city, the firm being known as Saunders and Newsom. Mr. Newsom retiring in 1912.

He was a man of excellent business ability, of strict integrity, and enjoyed a wide popularity. He was very highly respected and esteemed not only in Charlottetown but throughout the province, wherever he was known.

His wife, Alice Wadman, daughter of the late Henry Wadman of Victoria, predeceased him five years ago.

There are left to fondly cherish his memory two sons, Fenton E. Newsom, formerly of the business staff of the Guardian Publishing Company, Lowman Newsom, manager Canadian Bank of Commerce Branch Elgin, Manitoba, and one daughter, Miss Mabel Newsom, at present at home. She gave up her position as United Church Deaconess to nurse her father during his last illness.

He followed this with reading from Gareth and Lyonesse. This talk was very much appreciated, coming as it did, after Rev. G. Carlyle Webster's splendid lecture on Tennyson of the previous meeting. All who heard Mr. Webster discovered a new interest in Tennyson and Mr. Rogers met that interest in his interesting talk yesterday.

The scripture lesson was read by Rev. R. Moorhead Legate, the address of the evening being delivered by Rev. W. L. Outhouse, pastor of Central Christian Church, who spoke on the subject "What Jesus has meant to the world."

The subject was one which the speaker stated could not be done justice to in the course of a half hour's address; but Mr. Outhouse held the attention of the audience as he brought vividly to mind the high peaks of Christ's mission to humanity. Dealing with modern world problems he emphasized particularly the necessity of the nations of the world recognizing the authority and teachings of Christ in the settlement of international questions and the discussion of world peace and disarmament. With no other name in history, he pointed out, is associated the title of "Prince of Peace."

The progress made in bringing closer employers and employees in the industrial world through an understanding and wider application of the principle of the Golden Rule, was also referred to.

After the address Adjutant Timmons led in a brief prayer, and the meeting was brought to a close by Benediction pronounced by Rev. G. Carlyle Webster.

It was announced that this evening's meeting will be under the auspices of the Bible Society and will be held in Zion Presbyterian Church.

INCREASE IN FOX PELTS—That the number of foxes pelted this year is considerably in advance of last year is shown by the figures of the Canadian National Silver Fox Breeders' Association. Up to January 5th, 1932, nearly 18,000 pelts were taken in, almost double the quantity received up to that date last year. As the season advances, the quality of the fur shows improvement. Mr. Thomas Caruthers left Halifax on Monday for Paris to attend the sales there and also in London.—S

He was lovingly cared for by his devoted nephew, Mr. Nell Morrison and Mrs. Morrison who did all in their power to make his home life a life of comfort. God called him to his Heavenly Home to await the glorious resurrection of a life well spent in doing good for others, his kind deeds should long linger in the lives of the dear ones who are left to mourn the loss of a kind and loving uncle, he was well known in Georgetown. He leaves one nephew, Mr. James MacMillan, Somerville, P. E. I. and two nieces, Mrs. Catherine Gordon, Westwood, N. J., and Mrs. A. MacMillan, Melrose, Mass. The many mass cards and messages of sympathy show the high esteem in which he was held. His funeral was largely attended, May his soul rest in Peace. Amen.

FRIDAY

groom were in attendance. Mr. and Mrs. A. H. MacCannell then left on a short honeymoon trip to New Brunswick. Previous to her marriage Miss Drake was the recipient of many pretty and useful gifts. OLD COPY PRESERVED—A copy of The Guardian of April 10, 1891, was left at this office yesterday by Mr. Samuel Clow, 169 Water Street, who found the newspaper preserved in an out of the way corner in his home and rightly considered the discovery would interest the present staff. The issue contains many items of interest, both of news and advertising, and gives a birds-eye view of the social, business and political events transpiring in Charlottetown forty-one years ago.

BRIDAL SHOWER—A very interesting event was a miscellaneous shower tendered, Miss Marion Drake, in honor of her approaching marriage, at the home of her school chum, Miss Violet MacCannell. After the guests had assembled, the guest of honor was ushered into the room while Miss Annie MacLennan, played Lohengrins Wedding March. Miss Drake seated beneath an unusually artistic wedding bell, hung from the chandelier, while around the bride's chair was formed a lattice work of pink and white streamers. Miss Jesse MacNaughton, little cousin of the hostess, then gracefully wheeled into the room a carriage ornamented in pink and white and filled with gifts. After the gifts were opened and the accompanying verses read, Miss Drake rose, and, while thanking her friends for their thoughtfulness was greeted with a shower of confetti from the wedding bell. Her thanks was responded to by the singing of For She's A Jolly Good Fellow. Refreshments were served and the remainder of the evening passed in music, games and social discourse.

MEETING OF MINISTERIAL ASSOCIATION—The monthly meeting of the Ministerial Association at Summerside was held at the residence of Rev. W. H. Harding on Wednesday afternoon, when the ministers were the guests of Rev. Mr. Harding and Mrs. Harding at a goose dinner. This delightful function has become an annual event and looked forward to with much pleasure. After a vote of thanks for their hospitality had been extended to the host and hostess by Mr. A. S. MacKay and Rev. Mr. Jeans, the regular meeting was held and matters of importance discussed. The two main features were the advisability of having a Protestant organization to assist the needy families of the town and to do what they could to find them employment. It was felt that the combined efforts of all the churches could accomplish more than if each church endeavored to solve the problem individually. Civic affairs were brought before the meeting and a resolution passed to have the churches adopt a civic Sunday and to appoint the last Sunday in January for that purpose. Ministers present were Revs. C. J. Jeans, L. B. Campbell, Barry MacLean and Mr. Wilson, Mr. A. S. MacKay was also a guest. Rev. Mr. Harding, as president of the Association was chairman.—S

It was mentioned that the first meetings of the Union 30 years ago were held in a stable in the City. Since that time it has grown to a powerful organization, owning its own hall on which an annex is being built at the present time and having a substantial surplus of funds.

Last evening's entertainment was announced by President Arthur Gormley in his opening remarks was for the purpose of promoting the progress achieved by the

Laborers Protective Union during the past 30 years since its formation in 1902 was vividly shown in speeches by charter members and other older members of the organization at a re-union meeting celebrating their thirtieth anniversary held by the members in their hall last evening.

The Keir Memorial Church was generously remembered at the Christmas season on the arrival of a church bell from London England—the gift of Mr. Walter Owen, Malpeque. It is a gift well worthy of the gift giving season and is one that will add greatly to the solemnity and sanctity of any service. It is sincerely hoped that the donor may hear the tolling of the hour for many services and this memorial he has given to one which will echo and re-echo the call to worship throughout the century.

Further spirit of good-fellowship among the old time and present members.

The president at the close of his remarks called forth the guest of honor, Mr. James A. Trainor, who at the close of the following address read by Secretary Daniel Coughlin was presented by the President with a fine new pipe and can of tobacco.
