**FORWARD MOVEMENT**—The forward movement in Evangelism and Christian service which was planned for Cornwall Circuit in October and November but which was held up by the closing of churches on account of the epidemic, has been announced by Rev. J. Heaney to begin on Thursday evening next in the Cornwall Church. If time permits other points on the Circuit will be visited by the movement and so far as possible the congregations will co-operate. All denominations are invited to participate in the benefit of the movement. Decision cards will be used on which there is space for the statement of church preference and relation and these will be handed to the ministers of the branches of the church for which preference is expressed. In connection with the movement groups for prayer and Bible study will be formed and also young peoples' societies. The meetings will be held every evening, excepting Saturday and Monday.

**MARITIME CHAMPIONSHIPS.**—The track championships of the Maritime Provinces, which were held annually before the war, will in all likelihood be held in Halifax next September. It is understood, say the Halifax Mail, that President C. H. Graham, of the Wanderers, will take hold of the matter early in the spring so as to have the athletes of his club in condition for the meet. Several of the best athletes in the city, and in fact all over the province, are keen for the revival of the meet, which was, ten years ago, a feature event in these parts. The Sheaffers, Fritz and Ned, who were good for two or three firsts in the meets, are expected home from overseas shortly, and with a few newcomers to the game, Halifax no doubt would be well represented. The famous Abegweit Club of Charlottetown scored the highest number of points for years and brought to Halifax many a sterling performer. It was at the Maritime Championships that Billy Ross and Hans Homer made their marks, which still stand good on the record books.

**WEDDING BELLS.**—St. Anthony's church was the scene of a very pretty wedding on Monday morning, Jan. 27th when Mr. James E. Leo McCabe of Charlottetown led to the altar Miss Mary Ethel Saunders, daughter of Mr. Stephen Saunders of Bloomfield. The marriage ceremony was performed by the zealous pastor Rev. F. X. Gallant. Miss Thelma, sister of the bride, acted as bridesmaid, while the groom was supported by his brother Mr. J. E. McCabe. The bride gown was a brown tulle with black plush coat and hat to match looked winsome. After the ceremony the happy couple drove to the home of the bride, where a magnificent spread awaited them. A pleasing feature of the evening was the unexpected arrival from the Fields of Flanders of their son William, brother of the bride. The reception in the evening was pleasantly spent and enjoyed by all. The popularity of the bride was shown to the full extent by the numerous and valuable gifts which included a number of substantial checks.

The Nova Scotia "Lumber King" says: "I consider MINARD'S LINIMENT the best LINIMENT in use. I got my foot badly jammed lately. I bathed it well with MINARD'S LINIMENT and it was as well as ever next day."

**RECEIVED HONORS.**—On the list with those of the brave lads who have been awarded the Military Medal for conspicuous bravery on the field is the name of Corporal Donald Hume, Wood Island North. This stalwart lad when but 16 years of age enlisted with the 10th Battalion. Soon after crossing to England he was transferred to the 14th Battalion and crossed over to France. After several months fighting at the front he was shot through the right arm and was taken to a Hospital in England. When sufficiently recovered he trained for a sniper and returned back to France where he remained in the thicket of the fighting until a few days before the close of hostilities when he was granted leave of absence for fourteen days. He was visiting his uncle in Scotland when the joyful news of peace was sounded over the world. "Dannie's" many friends hope they may soon have the pleasure of welcoming him home.

Practically all acute and contagious diseases are caused by the presence in the body of minute organisms which we call germs. Acute inflammation and blood poisoning come from the same source. The slightest scratch upon the skin may result seriously if the wound becomes infected with certain germs. Proper heed for health demands that a reliable antiseptic and germicide be kept on hand.

**Lantic Old Fashioned Brown Sugar**

There is nothing better for the school child's lunch, and the addition of a red apple makes it perfect. Many people have forgotten how good old-fashioned brown sugar tastes. It is more than mere "sweetening"; it is a deliciously flavored and highly nutritious food. It gives a new zest to cereals and makes plain old-fashioned dishes as appetizing as they used to be in the days of our ancestors.

Lantic Brown Sugars come in three varieties—Light Brilliant and Dark Yellow and are packed in 50 lb. and 100 lb. bags, from which your grocer will give you as much or as little as you want.

Send 2c. stamp for our new booklet "Grandmother's Recipes". Tells how to use brown sugar and how to keep it fresh and moist.
