TRADE BOARD MEETING AT SUMMERSIDE

The regular monthly meeting of the Summerside Board of Trade was held yesterday, Mr. R. S. P. Jardine, president, presiding. Routine matters were disposed of.

A letter of resignation was read from Mr. W. E. MacDonald, Manager of the Bank of Nova Scotia, regretting that as he was leaving shortly for Ottawa he would be obliged to sever his connection with the Board. The secretary was instructed to send a letter to Mr. MacDonald on behalf of the Board congratulating him on his promotion and also to express appreciation of his work for the Board at all times and especially during his two years as president.

A letter was read from the Canadian Chamber of Commerce expressing their disapproval of the recent Alberta legislation and asking for the support of the Board. On motion of J. F. Arnett, seconded by Hon. L. R. Allen, a resolution was passed supporting the Canadian Chamber of Commerce in this matter and requesting the secretary to send the resolution to the federal members at Ottawa. The Airport Committee was asked to see the inspector of airports for the Dominion Government on his expected visit to Summerside in the near future.

The president referred to the recent death of J. A. Brace, a charter member of the Board. On motion of J. F. Arnett seconded by S. G. Merriam it was decided to send a letter of condolence to the family of the late Mr. Brace.

TIGNISH CONVENT

Honor roll for May:

FRESH WATER SUPPLY AT TIGNISH RUN

The Trask Well Company have just completed an artesian well for the Provincial Government to supply fresh water at Tignish Run. Hundreds of P. E. I. fishermen as well as those from New Brunswick use this Run and the lack of fresh water has always been a great handicap to the fishermen.

The well has been built on the main pier and has been under construction since last fall. It was one of the most difficult jobs undertaken by the Trask Well Company, Ltd., the greatest difficulty being to completely shut off the salt water. To do this the well was cased with wrought iron to a depth of 230 feet and drilled to a depth of 320 feet. The result is a complete shut off of all salt water, and an outflow of pure fresh water.

This fresh water supply is a boon not only to the resident fishermen but to the New Brunswick fishermen and shipping, who depend on Tignish for their water supply. Hitherto, the water supply was very brackish and salty and often had to be carried three miles.

Kensington and Vicinity

Mr. and Mrs. George Webster were visitors to Charlottetown on Wednesday.

Miss Linda Hardy, nurse in training in the Prince County Hospital, Summerside, is enjoying a pleasant holiday with her brother Keith and friends in Kensington.

Miss Mary Campbell of O'Leary was a visitor to Kensington Wednesday the guest of Mr. and Mrs. Howard Boyles.

Mr. Daniel Whitlock was a visitor to Hunter River on Wednesday.

Mr. William LeBlanc of Moncton, N. B., was a business visitor to Kensington on Wednesday

Mr. Charles Adams, Mr. William Lawson and Mr. Samuel Reeves were business visitors to Charlottetown Wednesday.

Dr. A. A. Lockhart and daughter Enid of Summerside, were visitors to Kensington Wednesday afternoon.

Mr. W. E. Brooks of O'Leary was a visitor to Kensington Wednesday.

Mr. and Mrs. William Roach of Summerside visited Kensington Wednesday.

Mr. M. Gaudet, Mr. Roland Sheen Mr. E. Sullivan and Mr. A. Sullivan of Summerside were in Kensington on Wednesday afternoon.

Mr. S. Henderson of Charlottetown was in Kensington on Wednesday

Mr. Joseph Condon is busily engaged in painting Mr. Oliver Profitt's residence which is situated on the Irishtown road.

Mr. Allan Wedlock of Summerside came to Kensington on Wednesday.

M. F. Schurman & Co., lumber dealers, of Summerside are making a great improvement in the appearance of their business stand here by having it newly painted, Mr. Earl Crane and Mr. Roy Woodside are the painters.

The first Wednesday half holiday which is usually taken advantage of for the summer months, beginning the first of June, by nearly all business establishments throughout the province, was only taken by our barbers, the others will, however, be falling in line with them, at an early date, so rumor has it.

Her many friends will be pleased to hear that Mrs. Wm. MacLean, who has been a patient in the Prince Edward Island Hospital, Charlottetown, for the past two weeks or more is now well on the road to recovery and hopes to be home once more, at an early date. —H

Maple Tree Grove Destroyed By Fire

MONCTON, June 2 —(CP)— More than 5,000 young maple trees valued at over $1,000, and more than 100 acres of woodland at the Gorge, about five miles from Moncton, were destroyed by a forest fire which broke out early yesterday afternoon. At midnight it was thought to be under control.

The maple stand was owned by Edward Lutes who purchased the property a year ago for the maple sugar purposes. The fire practically ruined the property.

Late last night the flames jumped the roadway to the dance pavilion at the Gorge and set fire to woodland at the rear of the home of Manning Renton. A large crew of firefighters managed to put the blaze out after a strenuous fight.

WEBSTER'S CORNER SCHOOL

Honor roll for May:
Grade VIII-1. Margaret Coyle.
Grade VII-1. Elmer Smith.

PILOT OFFICER KILLED

CAMP BORDEN, Ont., June 2—(CP)—Pilot Officer Peter F. Birks, 27, of Montreal was killed today when the training airplane he was flying solo crashed into a field six miles south of Camp Borden.

Free From Sciatica For 35 Years

In Perfect Health at 73 —Thanks to Kruschen—

Thirty-five years ago this septuagenarian was helpless with sciatica. Then he heard of Kruschen. Since that day, he has enjoyed perfect health. Here is his remarkable story:—

"Thirty-five years ago, I had a severe attack of sciatica, and could scarcely move for about six weeks. Then I started taking Kruschen—about half-a-teaspoonful every morning in hot water. In a few weeks, I got rid of the awful pain in my hips. I have never had to consult a doctor since, and am still in perfect health at 73 years of age, which I can only attribute to taking Kruschen Salts every morning"—T.A.

Most people grow old long before their time because they neglect one vital need of health—the need of internal cleanliness. Eventually they start the healthy Kruschen habit. Then, probably for the first time in their lives, they start getting rid every day, of all waste matter from the system. The result is renewed health and vigor. Ailments due to clogged systems vanish, youth returns, and life becomes really worth living.

O'Leary and Vicinity

Mr. Lloyd Matthews was a weekend visitor to Kensington.

Mr. Arthur Holland and his mother, Mrs. Holland, motored from Searleton to O'Leary on Monday.

The Y. P. U. of O'Leary United Church presented their three act play "The Man in the Green Shirt" in Capt Wolfe Hall on Tuesday night. Refreshments were served at the close of the play by the Y. P. U. of Cape Wolfe.

Congratulations to Mr. Judson Black, Mr. Manville Williams, Mr. Douglas Black of O'Leary on their successful passing of examinations in Prince of Wales College.

Mr. Douglas Adams and Miss Janet Dennis, students of the Union Commercial College are spending their summer vacation at their homes in O'Leary.

Miss Edith Sobey, Searletown, motored to O'Leary on Monday.

Mrs. Sylvang Arsenault of Howlan passed away in the Sanatorium. Her remains were brought to the home of her parents, Mr. and Mrs. Joseph Gallant, O'Leary.

The regular monthly meeting of the W. M. S. of O'Leary United Church met at the home of Mrs. A. J. Matheson. A very interesting report from branch was given by Mrs. G. L. Black at this meeting.

Mrs. Harry Boulter, O'Leary, spent a few days in Moncton, N.B.

Mr. Arthur Perry, Duvar, is doing nicely at the home of Mrs. Turner, O'Leary. Mr. Perry had a bad case of blood poison in the hand.

Mr. Larry Hatfield, agent for Family Herald and Weekly Star spent Saturday guest of Mr. and Mrs. John Matthews, O'Leary.

Mrs. Daniel A. MacLean, wife of Section Foreman, O'Leary, spent Thursday in Summerside.

Mrs. John A. Matthews and little daughter Blanche motored to Summerside on Thursday.

The O'Leary C. G. I. T. girls held their meeting at the home of Mrs. John Matthews on Friday evening, May 27th.

Mrs. John Wedlock, Mr. Watson Silliker, Miss Iva Silliker motored to Summerside on Thursday.

Mr. George Matthews, O'Leary, motored to Summerside on Thursday.

Mr. Waldo Phillips, Miss Marjorie Sharp, Mr. Thomas Brooks motored to Tignish on Wednesday. —O

McColl - Frontenac Limited Elect New Slate Of Directors

MONTREAL, June 2 —(CP)— Shareholders of McColl Frontenac, Limited, at a stormy six-hour meeting climaxing a battle for control of the huge Canadian oil company, elected tonight a new board of directors that included only three of the old directorate.

Seven of the old board were voted out of office as the proxy fight, started when Texas Corporation accumulated a large block of McColl-Frontenac stock, was finally carried to the floor of a special session after an attempt had been made to block the meeting by a court injunction.

At a subsequent meeting of the new directorate J. A. Wales, Montreal, was elected president to succeed John Irwin, Montreal; H. H. Bradburn, Winnipeg; C. P. Tomlinson, Hartford, Conn., and air vice-marshal W. Avery Bishop, Montreal, Fred Hunt, Montreal, remained secretary-treasurer.

The new directors are:
H. H. Bradburn, Winnipeg; K. H. Gundy, Toronto; George S. Hanna, Montreal; A. A. Magee, Montreal; Hon. E. L. Pateanuade, Quebec; J. M. Pritchard, Montreal; H. W. Thorpe, Montreal; C. P. Tomlinson, Hartford, Conn., and K. A. Wales, Montreal, and William Zimmerman, Toronto.

Of the new group, only Bradburn, Pritchard and Wales were on the old directorate.

15 PERSONS DROWNED

BREST, France, June 2—(AP)—Fifteen men were drowned off the northwest coast of France today when a sudden storm upset their small fishing boat, Le Petit Pierre. Rescue boats found the bodies of five victims who were trapped in the little craft.

CANNERY AT SUMMERSIDE IS DESTROYED

Loss Estimated At $3,000 In Early Morning Fire.

A lobster cannery, owned by Thomas M. Linkletter, M. L. A., Summerside, and located at Lot 16, near the Grand River ferry, was destroyed by fire early yesterday. Loss was estimated at approximately $3,000, partly covered by insurance.

Cause of the fire was not known. Contents of the building, such as packing equipment, boilers, retort, gasoline engine and a number of packing cases were also caught in the flames.

The building was purchased by Mr. Linkletter 10 or 12 years ago. The cannery employed normally from 10 to 12 hands and about 25 during a rush period.

For the balance of the lobster season, Mr. Linkletter will pack his lobsters at Matt Gallant's cannery.

PRESBYTERIAL OF W.M.S. HELD YESTERDAY

Large Attendance Marks Sessions At Bideford.

The Presbyterial of the W. M. S. of the United churches of P. E. I. was held at Bideford yesterday. There was a large attendance of delegates. The sessions were presided over by Mrs. W. E. Aitken, St. Peters Bay, president. The morning session opened with worship conducted by the Lot 16 auxiliary. Mrs. H. R. Pound gave the address of welcome, which was responded to by Mrs. T. M. Linkletter, Summerside. The different reports were then received. Afternoon session opened with worship by the Montague auxiliary Other business followed after which the communion service was held. The ladies of the local W. M. S. served supper in the hall, at the conclusion of the afternoon session. The evening session opened with worship by the Freetown auxiliary, Rev. G. Christie brought greetings from the P. E. I. Presbytery, replied to by Mrs. W. E. Aitken. Mrs Arthur Long was the guest speaker of the evening. Special music was rendered by the Summerside octette. The installation of officers took place just before the closing Mrs. W. E. Aitken being reelected president.

PRESENTATION OF HISTORIC INTEREST MADE

(C.P. By Guardian's Special Wire)

ANNAPOLIS, Md., June 2—President Roosevelt, attending the graduation exercises of the United States Naval Academy, today received from Mayor D. L. MacLaren of Saint John, N. B., the quadrant used by Commodore John Paul Jones, "father of the American navy."

Before the gathering of the 435 graduating midshipmen in white uniforms and their girls, the Maritime Mayor made the presentation, which was hailed by Mr. Roosevelt as another evidence of Canadian-American good will. Sir Herbert Marler, Canadian Minister to Washington, also was present.

In a short address, Mayor MacLaren declared:—

Mr. President, it is my great privilege and high honor to stand today in such illustrious company and complete the mission that has brought me from my own Saint John, New Brunswick.

"The object of that mission is to present to you and through you to the great American nation the quadrant of the illustrious Commodore John Paul Jones, the father of the American navy.

"Mr. President, I pay tribute to the gallantry of John Paul Jones. It is fitting that this remain at this hallowed shrine of the American navy. It is proper that you always preserve this quadrant. It is my pleasure to present it to you."

MacLaren told the President that Saint John and New Brunswick were "happy and proud" to greet him as "one of ourselves when you come to your summer home on Campobello Island."

The navigation instrument had been a possession of the Mayor's family for many years.

In accepting the quadrant, Mr. Roosevelt recalled that a number of years ago "our close neighbor, the government of the sister nation of Canada" sent back to the United States flags captured in the war of 1812. Shortly thereafter, he said, the United States returned a mace of the Canadian Parliament captured by Americans during the same war.

The President, one of whose greatest loves is the navy, advised members of the Annapolis graduating class to study world problems, then gave a diploma to each of the men who had successfully finished his four years work.

The President ended the naval academy graduating exercises in the setting of flag and bunting draped Dahlgren Hall.

SHREDDED WHEAT

MADE IN CANADA - OF CANADIAN WHEAT

Central Bank Head Heard By Commission

(By Carl Reinke, Canadian Press Staff Writer)

OTTAWA, June 2—If public finance generally was placed on an organized basis in Canada, "bringing the major factors of fluctuation more into the orbit of concerted action," the standard of living of the people could be raised, Graham Towers, Governor of the Bank of Canada, said today.

Living standards were bound to be affected by the present lack of organization which made it impossible to follow a concerted policy and occasionally saw the cancelling out of the policy of one Government by that of another, he told the Rowell Commission in private session.

There might be merits in the existing division and lack of organization which made it preferable to the people, despite its lowering of living standards, he said, but if the people wanted to change that situation it would require concerted control of the fluctuating factors.

Mr. Towers conferred with the Commission and its research staff for two hours today, to complete the Commission's six months' hearing of submissions from Governments, organizations and individual experts. Its final public hearings will begin here Sept. 7, when representatives of all the Provinces will be invited to attend a discussion of the reports of the commission experts.

The interdependence of the various Governments of Canada from a financial point of view was emphasized by Mr. Towers. The financial situation of any one Government was affected by the actions and involuntary economic stresses of another. The taxation and expenditures policies of one affected others, so that an unwise policy of one might sway neighboring governments which found it necessary to "keep up with the Joneses."

While Governments might be legally independent of each other, their structures were so interwoven it was impossible for them to be independent financially, and they never had been, he said. Moreover, the citizens of one Government had a stake indirectly in another by holding its obligations.

Calgary Jobless In Search Of Relief Commissioners

REGINA, June 2—(CP)—Three unemployed Calgary men arrived in Regina today seeking three members of the Alberta Legislature Commission, appointed to investigate unemployment conditions. The members have been campaigning in the Saskatchewan elections.

The workless are J. Dickson, J. Hynman and Frank Wahtmough and the people they are looking for are Mrs. Edith Gostick, A. V. Bourcier and Dr. J. L. Robinson, Social Credit members of the Alberta Legislature.

Delegates Dickson Hynman and Whatmough had two companions, W. D. Rooinson and C. Cohen, when they set out from Calgary on Monday night but they became separated in the 500-mile journey after dodging police patrols on freight trains.

"We have sent telegrams to Premier Aberhart at Edmonton asking him to send the unemployment Commission into Calgary to resume its work," said Dickson, "but the telegrams were not answered. We sent two wires. ....our association, the Calgary Unemployed Single Men's Association, took a vote among 700 men at the Calgary soup kitchen and our delegation was picked to try and find the Commission there."

Appeals Dismissed Re Miller Will

(By The Canadian Press)

TORONTO, June 2—The long legal battles that featured the Millar will "stork derby" came to a close at Osgoode Hall today when the court of appeal dismissed three appeals over division of the prize money.

The appeals consisted of actions by Mrs. Lillian Kenny and one by Mrs. Pauline Mae Clarke. The two women agreed to drop their cases when they received $12,500 each in settlement from the four other mothers who each received $100,000 earlier this week under terms of the will of the late Charles Vance Millar, whose estate was bequeathed to the Toronto mother giving birth to the most babies in the 10 years following his death.

Two Ministers Are Nominated For New Posts

PRESBYTERIAN CHURCH BOARD RECOMMENDS SECRETARIAL APPOINTMENTS FOR HOME AND FOREIGN MISSIONS.

TORONTO, June 2 —(CP)— Recommendations for the appointment of two officials to carry on the secretarial duties of the church's missionary work are embodied in the report of the General Board of Missions of the Presbyterian Church in Canada to the 64th General Assembly in session at Calvin Church here.

Rev. Dr. W.A. Cameron, Central Church, Vancouver, is named by the Board for the post of home missions secretary with Rev. A. A. Lowther to take charge of foreign missions. Mr. Lowther has been attached to the church's staff in India for some years but at present is on sick leave in Australia.

The proposals mark another stage in the church's efforts to put the secretarial work on a permanent footing. Since the death of Rev. Dr. A.S. Grant, veteran general secretary, three years ago, Rev. Dr. J.W. MacNamara, Clerk of the Assembly, has been in charge. Nominations for the positions were received by the board from the various presbyteries in Canada.

In the home field, the board states, encouraging reports have been received from many quarters, especially from Northern Ontario mining districts, indicating steady progress at Kirkland Lake, Hawk Junction and Geraldton. Attention has been called to rapid developments in the Val D'Or area, Quebec, and in the Goldfield's district in Northern Alberta and Saskatchewan. In British Columbia it has not been found possible or advisable at the present time to follow up the results of the survey made of the interior valleys.

Referring to conditions in Saskatchewan the board reports; "Continued drought and consequent crop failures made it necessary that your board should respond to the appeal of that synod, for one year to treat the pastoral charges in the province on the basis of a frontier field. In this connection we wish to pay tribute to the W.M.S. (W.D.) which at once contributed $1.000 for this purpose."

Co-operate in Survey

The board has agreed to co-operate with the Saskatchewan synod in making a survey of Northern Saskatchewan with a view to formulating definite plans to minister to the large number of families moving into the district.

While the board is concerned over the conditions in China and Japan, work at the North Formosa station has been carried on without serious interference. The requirements of the Japanese authorities with regard to the use of the Japanese language are placing a heavy burden upon missionaries and upon the board's finances. It now is necessary for missionaries to visit Japan for extended periods for language study.

The board recommends no change in present scale of salaries for different foreign fields but proposes the maximum salary, including all allowances, be fixed at $2,600 a year. "It should be noted," the report says, "that the board is not responsible for the payment of income taxes."

Negotiations with the foreign mission board of the Presbyterian Church in the United States are being carried out with a view to closer co-operation. Plans are also being worked out looking to a solution of problems connected with agricultural and industrial work which, it is hoped, will open the way for a larger measure of evangelistic activity.

In regard to the three year rule for members of the board, it is proposed that one-third of those due to retire be eligible for re-appointment.

Urges Democracies Rally To Combat "Volcanic Forces"

BIRMINGHAM, England, June 2—(AP)—Winston Churchill, Conservative veteran, tonight declared Great Britain's hope was to rally "all the power of democracies the world over" and then "persuade" the dictator-ruled nations to disarm.

He appealed for a worldwide front to combat the "volcanic forces" of Europe's dictators and said "kind words are of no use." He addressed a League of Nations Union meeting here.

Mr. Churchill deplored, as he has before the resignation of Anthony Eden as foreign secretary in March when Mr. Eden disagreed with Prime Minister Chamberlain over negotiations with Fascist Italy.

Premier Mussolini of Italy, Mr. Churchill conceded, as a man "of historic and bold qualities above the ordinary run of human beings," but the one-time chancellor of the exchequer added:

"I still wish Mr. Eden had been allowed to develop his plan for negotiating with Italy." (Mr. Eden opposed any negotiations with Italy without a prior pledge of withdrawal of Italian troops from Spain and other Italian moves to ensure she genuinely desired a settlement with Great Britain.)

Newfoundland Paper Firm Changes Hands

NEW YORK, June 2—(CP)—R.J. Cullen, president of the International Paper Company, tonight announced at head office here that an agreement was concluded today with Bowater's Paper Mills, Limited, of London, for the purchase by Bowater's of the entire common share capital of International Power and Paper Company of Newfoundland, Limited.

The important British company thus obtains control of the large newsprint mill situated at Corner Brook, on the west coast of the Island colony. The mill is located at the mouth of the Humber River, tapping immense forest reserves in western Newfoundland. The company has its own hydro-electric plant at Deer Lake, 31 miles away.

More Attention For Junior Chapters

VANCOUVER, June 2—(CP)— Work of junior chapters will be given more attention in future by the Imperial Order Daughters of the Empire as a result of action by today's convention of the Order.

A resolution was adopted which provided for establishment of a special committee to investigate the possibility of allowing junior representation and junior reports at national meetings of the order.

The committee was given authority to draw up a general program for junior chapters after consultation with provincial presidents.

GERMAN GENERAL DIES

KOLBERG, Germany, June 2—(AP)—Major-General Eugen Von Kutzschenbach, oldest surviving officer of the Imperial German Army died today at the age of 100.

ANNOUNCE DATES FOR PRO TOURNEY

MONTREAL, June 2—(CP)— Annual championship tournament of Canadian Professional Golfers' Association will be held at Cataraqui Country Club, Kingston, Ont., Sept. 13-14, it was announced today by Jame Patton, honorary secretary.
