The Local Nine Baseball team and the St. Paul's team will play a return match at Victoria Park tonight at 6.30. In the last match the Local Nine won 10 to 5.

A COLORED lad named Upple Smith, who deserted from the schooner Severn yesterday was arrested in the afternoon by officers Doyle and Carter on complaint of the Captain, Harold C. Pickles. The case will come up before the Stipendiary today.

HORSE NOTES.—The following MacQueen colts and fillies were recently sold by their respective owners and as will be seen by the prices paid they are beauties: Henry Boswell, Marshfield, a two year old filly \$125.00; Albert Boswell, Pownal, a three year old colt \$225.00; James Matthews, Western Covehead, a two year old filly \$130.00. Aubrey Mutch recently bought a MacQueen filly for \$140.00. Richard Ford, Ebenezer, refused \$100.00 for a year old MacQueen colt.

The Crucifixion, a magnificent work by Dr. Stainer, will be sung in St. James' Church at the completion of the choir which is now being enlarged. The Crucifixion is under the direction of Prof. Tanton, the organist and choir master, and every thing is being done to make it a grand success. The admission will be 25 cents which will go towards the work of remodeling the choir. Tickets will be on sale at the usual drug stores and can be had from the ladies of the congregation. The principal soloists for the occasion, Rev. Leo Williams and W. Cook, both general favorites with Charlottetown audiences, will no doubt bring a large crowd of music lovers to hear them.

ORCHARD meetings were held on Thursday, May 26th at Gowan Brae, Friday at Morell, Saturday at Cove Head and Monday at Pisquid. A. McNeill, inspector from the Fruit Division, Ottawa, came to the island on Wednesday night and meetings were held as above stated by him and inspector Richard Burke. Mr. McNeill went to Nova Scotia on Tuesday last where he is to conduct a series of meetings for two weeks. He will then return to the island, and with Mr. Burke will begin holding meetings in the western part of the Province about June 20th. Announcements of these meetings will be made shortly. The prospect of a good fruit crop this season is apparent in the great quantity of blossoms now showing in the orchards.

The subject of this obituary notice, Thomas Morris Lane, son of Josiah and Susan Lane of Hermitage, Lot 49, left his home last fall to seek his health in Denver Col. This seems to be an ideal place for consumptives, as it is 6000 feet above sea level and a great number who go there in time are cured of this dread disease. But Mr. Lane was too late in going, and despite all that kind friends could do, he passed peacefully away on the 18th inst. To quote some beautiful letters received from Mr. McDonald, and Miss T. J. Boswell, of Parker Col., which say: "He was a true Christian and it was lovely to have him with us. They are so scarce here. He died a beautiful death. Three Christian ladies and Mr. McDonald were with him when the summons came." He leaves to mourn an aged mother, four sisters and six brothers. To the kind friends who did so much for her boy the grief stricken mother tenders her sincere thanks, and prays that God will bless and abundantly reward them both here and hereafter.

J. O. TRAINOR, principal of the shorthand and typewriting department of the Charlottetown Business College has received notice from the Phonographic Institute of Cincinnati that Miss Helen M. Anderson, daughter of Dr. Anderson, Chief Supt. of Education, has been awarded the certificate of the Institute. Miss Anderson, who is now in Albany, N. Y., visiting her brother, took her examination just previous to her departure and the news coming so quickly will be a pleasant surprise to her. Previous to taking up her studies at the Charlottetown Business College, Miss Anderson had spent nearly three years in France (principally in Paris) and something over six months in Hanover, Germany, further perfecting herself in a knowledge of French and German, in which languages she is most proficient. Since returning home, and while a student at the C. B. C., she has been secretary of the Historical Society and has also acted in the same capacity in the Women's Council. Many friends will congratulate Miss Anderson on her latest success, and the college on the graduation of this talented young lady.

GEORGE V. MOORE, the popular tonsorial artist and well known fisherman was lucky yesterday morning in getting the finest lot of speckled beauties yet caught by the Block House this season. They were on exhibition at his tonsorial parlors and admired by many.

The death took place at the head of Hillsborough on May 18th, 1904, after a lingering and painful illness borne with patience and resignation to the divine will of Ellsha A. Douglas, aged 59 years. He leaves a sorrowing widow, nine sons and three daughters to mourn the loss of a kind and devoted husband and father. Mr. Douglas was a man respected by all who knew him and his family have the sympathy of the whole community in their sad bereavement.

MILLVIEW ITEMS.—Farming operations have progressed rapidly this week and the sowing and planting will be mostly completed by Saturday.—Miss Winnie Brown has returned home after spending the winter visiting with friends and relatives in Cambridge, Mass. She reports the winter there more severe than she ever experienced on the island.—Miss Wealthy Weatherbie and Miss Georgina Young spent Sunday in Wood Islands and brought home some very nice specimens of the shells gathered on the Wood Islands shore.—Our school has opened again after the spring holidays. Miss Gilles has shown herself a very capable teacher by the progress the school has made during the past year, and her many friends will wish to see her remain another year.—Painting is very much in order around here now, some of the first-class painters working overtime in order to satisfy the demand for artistic finish.

Learn The Art Of Resting
Rest is a True Food for the Body and Strength for the Spirit.
Almost a Lost Art now.

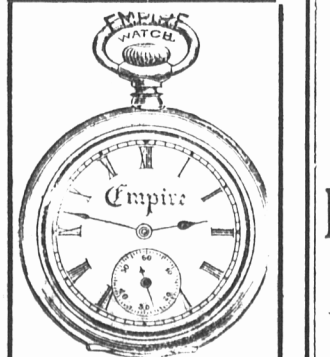

The absence of rest accounts for much of the ill-health, irritability and despondency that we find everywhere about us. We can't eat our pudding and have it, nor can we go on wasting our energies without soon reaching the limit of our reserve power.

Better not let it go on this far. Much wiser to take Ferrozone when that tired, overworked feeling is first noticed. Nervous collapse is avoided in this way. If you feel the need of rest, but can't get it because of overworked nerves, nothing in the world will do you as much good as Ferrozone, which is noted for promptly restoring perfect health in just such cases as yours.

Perhaps you wonder how Ferrozone does this. The first result of Ferrozone is a better appetite. Every thing you eat is digested and properly assimilated. The natural outcome of this is formation of pure blood, the fundamental basis of health. When the body is given a new supply of blood the circulation is quickened. This gives the weak nerves something to feed upon. They quickly lose their sensitiveness, and your old companions become a help instead of a drawback. Pretty soon you begin to feel the vim and buoyancy that Ferrozone always brings. Your strength increases, you can work longer, toil harder and sleep better than ever before.

If half the pale, nervous people could only realize how beneficial Ferrozone is, there would be a lot more happiness in the world. No remedy applies so directly to the peculiar ills women suffer. It is a specific for anæmia and brings a ruddy glow of health to pale cheeks in a remarkably short time. In all diseases arising from impairment of blood or nerve tone in cases where a tonic is needed to stimulate appetite and digestion, nothing is more helpful than Ferrozone. It replaces tiredness and lack of energy by a reserve of force, and maintains such a healthy condition of the system that sickle is impossible.

Every person, man, woman, or child who wants more strength, more flesh, stronger nerves, purer blood, should use Ferrozone. Price 50c a box or six boxes for \$2.50 at drug stores or by mail from N. C. Polson & Co., Kingston, Ont., and Hartford Conn., U. S. A.

Signor Visetti

The distinguished head of the local department of the Royal College of Music, London, Eng., writes:

"In returning you the Heintzman & Co. piano which I have been using during my professional visit to Montreal I wish to tell you how much I have appreciated its excellent tone and perfect touch. I had no idea that such good pianos were made here, and I wish Messrs. Heintzman & Co. every success in their efforts. It would be hard to imagine better pianos."

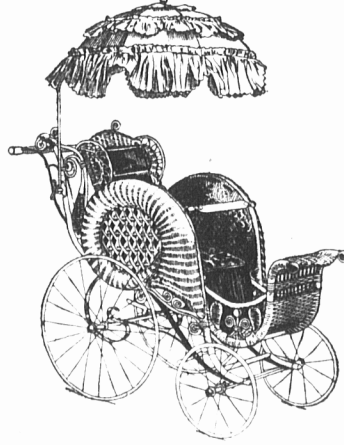

Yours truly,
(Signed) **ALBERT VISETTI.**

IF MEN

find delight in varied beauty the styles for this season should fill their souls with pleasure. Never before in the history of tailoring have fashions been more attractive, but unless placed in the hands of a good tailor they are useless. So be careful about your choice of a tailor. We are the ones to patronize. Give us a trial and be convinced that we are equalled by few an excelled by none.
