OBITUARY.

The Guardian regrets to record the death of Margaret Johnstone, beloved wife of James McLean, elder, St. Peter's Road, Lot 83, who departed this life on Sunday morning, the 24th ult., the day before Christmas. The deceased was 63 years of age. She had been in failing health for the past two years or more, during which time she had one or two severe bronchial attacks. Her last illness, pneumonia, was only of few days duration. She leaves to mourn, an aged husband, four sons and two daughters. Two of her sons, John and Joseph, are well-to-do citizens of the West-one a resident of Edmonton, and the other owns a large ranch near-by that city. Her other two sons, William and Hugh, are residents of Peter's Road. Her daughters are Katie, wife of Benjamin Gloy, merchant, Murray Harbor West, and Bessie, Mrs. Leath Graham of Boston.

Mrs. McLean was born in Dumfries, Scotland, in the year 1842. When about three years of age, her parents emigrated to P. E. Island, and shortly after their arrival settled in the vicinity of Peter's Road. She was one of a family of eleven children, and at the time of her death one sister, Mrs. John Morrison, Peter's Road, and six brothers, Neil, Archibald and Samuel, all residents of Peter's Road, and James of Portland, Maine, Joseph of Arizona, U. S., and Christopher of MacAdam Junction, survived her, cherishing the memory of a fond sister. The deceased was an intelligent and highly esteemed citizen of Peter's Road, a devoted and self-sacrificing wife and mother, a kind and sympathetic friend, a good neighbor, a humble

CARD

To the Electors of Ward 5. At a representative meeting of the electors of Ward five held in the City Building, I was nominated as a candidate for councillor to represent this Ward for the next two years. I have decided to accept the nomination and as announced at the meeting referred to, I do not intend making a personal canvass, believing the electors know how to vote without any solicitation or advice from me. I believe in keeping the City abreast of the times so far as our finances will permit, in the improvement of the sanitary conditions, thus preventing epidemics, typhoid and other diseases, and in the encouragement and fostering of local industries so far as possible.

If the citizens see fit to elect me, I will to the best of my ability, do what I can to maintain the very excellent position of our City and to improve it as far as possible. I will very greatly appreciate your support on election day. Yours Very Truly W. K. ROGERS. 16d4 tsif
