Those who believe in the lucky fur-leaved clover would have been much interested could they have seen a collection of these leaves shown to The Guardian on Saturday by Mrs. Allan Newson and Miss Newson of Cornwall. There were 51 with four leaves each, 21 with five leaves, four with six leaves and two with seven leaves each. All are perfectly formed. The six and seven leaved varieties are very rare. What is more singular still is that the collection above described all grew near together on the lawn in a bunches of from one root, and where there were the same varieties grown last year. The plant is the common variety of red clover and flowered beautifully. Good luck to Co. now!

BEST WAY TO REAR HEALTHY CHILDREN

Develop Their Strength With Ferrozone Which Makes Rich Blood, Hardy Muscle, Steady Nerves.

Children brought up on Ferrozone are known by their strong rugged frames, their chubby cheeks and healthful appearance. Mothers find it an indispensable tonic and body builder, and in thousands of homes no other remedy is used. Mrs. E. Montgomery, of Pittsburg writes: "A little niece came to visit me and noticing her pale looks and haggard looks, I started her on a course of Ferrozone. The change that girl underwent in a few weeks was marvellous. Her appetite chirped up, she had more spirit and strength and a rosy color came into her cheeks that I never saw there before. I was glad my niece about the time she started to pick up, and in seven weeks she gained almost eight pounds, and just looked the picture of health. I think this should be an example to many mothers, and I hope that others will try Ferrozone for their little boys and girls. I am thoroughly convinced that it's the most strengthening tonic. It has my strongest endorsement. The reason Ferrozone works so beneficially with children is that it acts directly on their blood, freeing it of all unhealthy matter, at the same time giving it an additional supply of iron. This at once results in more strength, new spirit and renewed vitality. Just one tablet at meal time works wonders. You must be sure to get Ferrozone. Refuse to accept any article the druggist may say is just as good. Get what you ask for Ferrozone, and the result we guarantee will be satisfactory. Price 50c per box or six boxes for \$2.50. By mail from N. C. Polson & Co., Kingston, Ont., and Hartford, Conn., U. S. A.
