is par excellence "The Cup of Kindness."

PRESENTATION OF GOLD HEADED CANES.—A very pleasant function took place at the regular meeting of the Brotherhood of Locomotive Firemen and Enginemen when Brothers H. J. Love and A. Flynn were presented with gold headed canes, suitably engraved, on their retirement from active service in the Government Railway, where they both had been valuable employees. The presentation was made by the President of the Lodge 413, Councillor P. A. Smith, who made a fitting remark to the Brother's worth as long and faithful members of the Order. At the same meeting a delegation consisting of the President, P. A. Smith, A. Cameron, H. J. Love, J. Donavan and A. Flynn were appointed to go to Summerside where the same pleasant function was performed to one of our worthy Brothers in the name of Council No. 10, McElman. The address to Brother McElman was read by the President P. A. Smith and the Cane was presented by His Worship the Mayor of Summerside, Brother McElman fittingly replied. All those brothers have had a continuous membership in the Brotherhood of Locomotive Firemen and Enginemen of over twenty five years.

## KNEES SWELLED TO THREE TIMES NORMAL SIZE

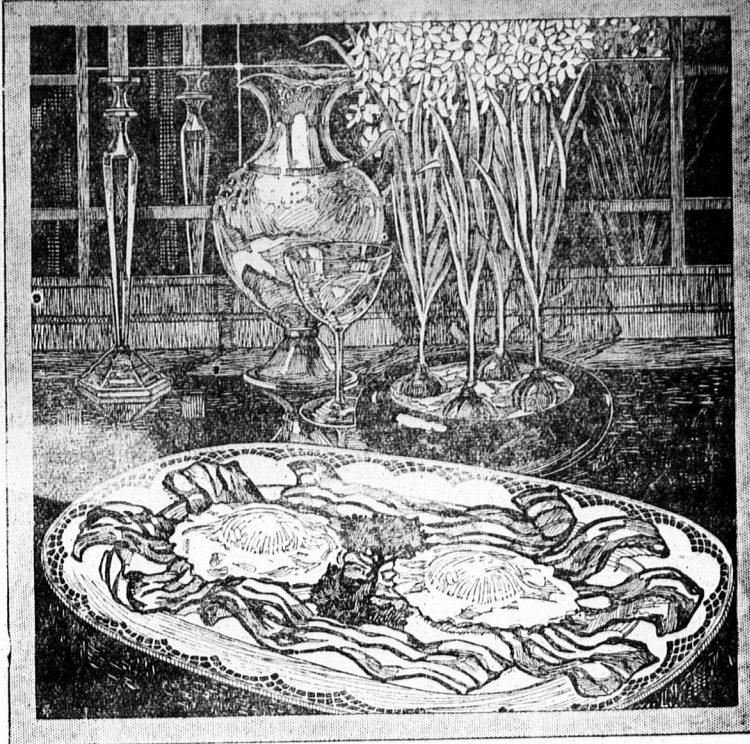

HALIFAX WOMAN WAS LAID UP IN BED FOR WEEKS AT A TIME BEFORE SHE GOT TAN-LAC—NOW DOES ALL HER OWN WORK

"I don't believe anybody ever suffered from rheumatism any worse than I did and its just wonderful the relief Tanlac is bringing me," said Mrs. Margaret Gummels, 218 Agricola St., Halifax.

"Nobody knows how I suffered during the past fourteen years. My knees used to swell up at times until actually they were three times their normal size. The sinews and tendons of my legs felt like they were tied in knots and my arms and shoulders were so sore that often I couldn't hold a broom much less do any work. When the spells were especially severe I would be laid up for five or six weeks at a time.

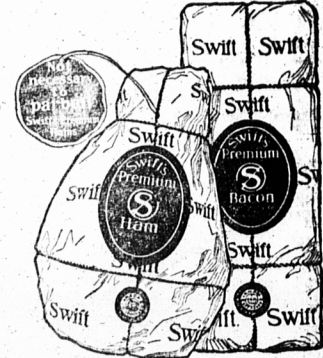

"The swelling has all gone out of my legs now and the rheumatism is leaving me day by day. In fact I'm so much better that I can get about the house and do my work something I haven't been able to do for years. I feel better in every way and owe a debt to Tanlac I can never repay."

Tanlac is sold by Reddin Bros. and by leading druggists every where.

## FREE TEXT BOOKS BILL THROWN OUT

TRONTO, April 9.—The bill introduced in the Legislature by R. L. Bracklin of Chatham, which would have compelled all public separate and industrial schools to provide free text books to the pupils was killed by the Municipal Committee today. The bill encountered a great deal of opposition in the Legislature on the part of many rural members when it came up for second reading last week, and the suggestion was advanced that it be made to apply to urban schools only. However, when it came up before the Municipal Committee today a vote was taken without any amendments to limit its scope and it was defeated 23 to 14.
