

A Great Picture Admirably Depicted

In a letter to Mr. L. D. Murray, President of the Boy Scouts Association, F. G. Spencer writes under date November 26:-

You will be interested to know that in Truro this week, the Rotarians sponsored "Make a Wish", the Picture being used next month in Charlottetown by the Boy Scouts Organization.

We found it impossible to accommodate the business in our Truro theatre which is about the same size as the Prince Edward, and the Picture was one hundred per cent satisfactory—everybody enjoyed it.

It is one of those clean, wholesome stories, with which your Mother, also Grandmother, if she is living, will not find any reason to adversely criticize.

We are endeavouring to arrange Short Subjects that will in every way be in accord with the Feature, which I hope you will be as well satisfied with personally, as were the Truro Rotarians."

Remember the Dates—Prince Edward Theatre Thursday, Friday, Saturday, December 9th, 10th, 11th.

Buy your tickets in advance from the Boy Scouts.

Mrs. J. D. Seaman

In the passing of Mrs. J. D. Seaman, whose death occurred at her residence, 78 Upper Prince Street, yesterday morning the city has lost one of its oldest and most highly esteemed citizens.

Born in Rosemeath eighty-four years ago, the late Mrs. Seaman returned to the city with her family about sixty years ago, where as the years passed she acquired a large circle of friends.

Although not closely identified with society activities she took a great interest in the work of Trinity United Church, of which she was a devoted member.

She leaves to mourn the loss of a kind and loving mother, the following members of her family: Lee, Halifax, N. S., Arthur, Montreal, Dr. R. F., C. J., Alfred, London, Eng., Lily, of the staff of the Prince of Wales College, city, Nellie, Gladys and Bessie, New York, to all of whom the Guardian tender its sincere sympathy. A son surviving is one brother Byron Norton, city.

Her husband predeceased her about ten years ago.

The funeral, which will be private, will be held from the home of her son, Dr. R. F. Seaman, 190 Euston Street.

Makes You Forget You Have FALSE TEETH

No longer does any wearer of false teeth need to be annoyed or feel ill at ease. FASTEETH, a new improved alkaline powder, sprinkled on your plates will keep them firm and comfortable all day.

Non-gummy, gooey taste or feeling. Gums and mouth will not get sore. Avoid embarrassment. Get FASTEETH from any good druggist. Accept no substitute.

Too Late To Classify

CONFEDERATION LIFE INSURANCE L-689-7-12-312

NOTRE DAME HIGH TEA TONIGHT, Thursday, December 2nd. Sale of Christmas gifts. A chance to win a ton of coal and other prizes. L-402-12-1-11.

BARN DESTROYED—A barn owned by Mr. Fred McAdam, Donagh, was destroyed by fire last night. All live-stock was successfully removed, but implements and hay stored in the barn were lost. The fire was started by children upsetting a lamp.

DECORATIONS HERALD CHRISTMAS—Decorations in many stores throughout the city herald the approach of Christmas. Along Richmond and Queen Streets Christmas trees are being placed on the light standards in front of business houses.

THE CHARLOTTETOWN Fox Club demonstration day has been postponed until Monday. Mr. Bannister cannot finish in Summerside in time for Saturday. Will those members who are bringing foxes have them in by ten o'clock so that they can be classified. L-445.

THIEVES TAKE FLOUR—Some time during Tuesday night some one entered the warehouse adjoining the rear of McPhee Bros. Prince and Gloucester Streets, and made a getaway with three 24 lb. bags of flour. Entrance was made by removing a board from the cellar hatch. The intruders were unable to open the door leading to the main store.

LAST TRIP OF SEASON—The S.S. New Northland, Captain Boucher, arrived in port yesterday on her last call for the season. After discharging general cargo miscellaneous freight will be loaded for Pictou, N.S. From Pictou the New Northland will sail for Halifax for fuel before the regular schedule between Nassau and Miami will begin.

TRACADE FURNERAL POSTPONED—The remains of Mrs. James Corrigan who died recently in Waltham, Mass., arrived in the city last night and were conveyed to the residence of her father-in-law, Mr. John Corrigan, Tracadie. The funeral will be held at St. Bonaventure's Church, Tracadie, Friday morning at 8:30, not Thursday morning as previously announced.

CAR ACCIDENT TO CHILD—On Monday evening last about six p. m. Forrest (Bobbins) Rowy, aged 6, was struck by the projecting corner of a truck opposite his home on Grafton St. He was carried into his home, and Dr. D. L. Smith called, who took him to the Charlottetown Hospital. He is still in a serious condition though resting comfortably. No blame is attached to the driver of the truck as he was practically blinded by the glare of a passing car.

HOME FOR BURIAL—Funeral services for Mr. Thomas Bell Grady, at one time superintendent of the Prince Edward Island Division, Canadian National Railways, were held yesterday at St. Peter's church, Tracadie. Burial will take place at Summerside, P. E. I. The body will be accompanied to Summerside by Mrs. Grady and two daughters, Mrs. H. S. Brown and Mrs. Dr. Sullivan. They will leave St. Peter's church as soon as Mrs. Grady's health will permit her to travel. Miss Carrie Grady of this city is a sister of the late Mr. Grady.

PERSONALS

Mr. Von Clure Gay has left for Daytona Beach, Fla.

Mr. and Mrs. James McKay, Tides, N. B., have been visiting relatives in Borden, P. E. I.

Mrs. Harry Miller returned Tuesday evening from a very pleasant visit to friends in Truro, N. S.

Councillor Geo. W. McLeod and Mrs. McLeod have returned from an enjoyable visit to Portland, Me. and Boston, Mass.

Mr. and Mrs. M. V. Mathews, Moncton, N. B., are the guests of Mr. and Mrs. Earl C. Baker, city.

Mr. and Mrs. Bernard Allen and children, Bernard Jr., Miriam and Lyman, Fredericton, Junction, arrived in Charlottetown where for two weeks they will be guests of Mrs. Allen's mother, Mrs. Fred Worth.

WASHINGTON, Dec. 1—(CP)—Samuel Bronfman, president of Distillers Corporation—Seagrams Limited, Montreal, received \$50,000 annual salary it was shown in a list of corporation salaries made public today by the United States securities commission.

WASHINGTON, Dec. 1—(CP)—The trustee board, under whose supervision the up-to-date school was built, include Mr. John Hearn chairman, Mr. Neil D. Walker and Mr. Joseph Gaudet. Mr. Warren Burns is secretary.

Miss Ena MacFadyen, Malpeque Road, has been appointed principal of the new school and Miss Fanny Leigh of Charlottetown in

ed by vile and lying instinct, and inspired by Jewish-Bolshevik sources."

"A Government which allows such articles to pass without intervening renders itself blameworthy for news inciting to war," the Nazi organ declared.

Contending that the three powers grouped under the anti-comintern pact (Germany, Italy and Japan) have aggressive designs against no outside country and are at war solely against domestic Bolshevism, the Nachtausgabe cited The New York Times editorial as new proof of the need for pushing Germany's four-year plan for economic self-sufficiency.

Re-opening Of Hampshire United Church

The United Church at Hampshire, P. E. I. which has been closed for repairs since early September, was re-opened for Divine Worship on Sunday Nov. 28th.

Large and attentive congregations were present at the different services, which were conducted by the Pastor, Rev. W. A. MacQuarrie.

In the morning, a deeply impressive service of rededication was held. The morning preacher was Rev. Geo. W. Tilley of Cavendish, who delivered an inspiring sermon on Real Religion from Mic. 6:8.

In the afternoon, the Church was filled to overflowing, and Rev. Hugh Miller, of Trinity Church, Charlottetown, after bringing the greeting of his Church to the Hampshire congregation, preached a helpful and stimulating sermon on the Urgency and Importance of Christian Service from the words of Jesus in John 9:4. Rev. E. R. Woodside of Cornwall, who had cancelled his service at Kingston to be present, assisted at this service and brought the greetings and best wishes of his churches.

Although the evening service was not announced to begin until 7:30, the Church was crowded by a large and expectant congregation three-quarters of an hour before that time, while a large number were unable to gain admittance.

Rev. J. A. Nicholson, of York, brought his congratulations to the people of Hampshire on the energy and initiative they had shown in renovating and beautifying their Church, and preached an earnest and comforting sermon from Mark 4 verses 38 and 39.

The choir under the direction of Mrs. Cecil Stewart assisted with suitable music and anthems. It was assisted by members of the North Wiltshire Choir, and other guest singers. In the morning, the soloist was Mr. Murdoch MacLeod of Hartsville; in the afternoon Miss Verna Rodd of Milton and Mr. Roderick Gillis of Charlottetown rendered solos, while in the evening Miss Rodd and Mr. Walter Shaw sang suitable and impressive selections.

The offerings for the day were for the building fund and amounted to a substantial sum. Many visitors were present from near and far, and a telegram of congratulation was read from Rev. F. E. Boothroyd of Shediac, N. B., a former pastor.

The renovated and redecorated Church reflects great credit upon the Committee of Trustees who were in charge, as well as on the workmen who performed the work. It is a credit to this prosperous and progressive community.

ST. AVARDS

(Continued from page 1)

provided with slate blackboards. A heated cloak room is in the basement where provision is made also for a 17 by 28 foot play room. Lavatories are on the first floor.

Will Accommodate 140 Pupils

On the second floor is the assembly or community hall. Provision is made in the hall for a folding door partition which will provide two additional classrooms. At present only the two main floor rooms will be used to accommodate the seventy-five pupils of the district. Next year, however, it is thought that an additional classroom will be necessary. The building is designed to seat 140.

Total cost of building and equipment was placed at approximately \$7,300.00. The architect was Mr. James Harris, Charlottetown. Vail Brothers were general contractors. Sub-contractors included E. L. Bernard, electric wiring, Bevan Bros., plumbing, Bruce Davison, painting. Air conditioning equipment was supplied by T. G. Ives and the oil burner by Palmer Electric. Seats were prepared through Mr. H. M. Simpson.

The trustee board, under whose supervision the up-to-date school was built, include Mr. John Hearn chairman, Mr. Neil D. Walker and Mr. Joseph Gaudet. Mr. Warren Burns is secretary.

Miss Ena MacFadyen, Malpeque Road, has been appointed principal of the new school and Miss Fanny Leigh of Charlottetown in

CONFERENCE

(Continued from page 1)

meeting at 4 o'clock when plans for the next annual meeting of the organization in February were made.

Banquet at C. N. Hotel

At six o'clock a banquet was held in the Canadian National Hotel. Speakers included Hon. W. H. Dennis, minister of agriculture, Mr. W. N. Jenkins, Bedeque, Mr. W. R. Shaw, deputy minister of agriculture, Mr. S. C. Wright, fieldman, and Mr. J. A. Dewar, New Perth.

Mr. Benton, who presided, announced winners in the DeLaval Company butter-makers competition for educational butter scoring. They included:

Morton Larkin, buttermaker, Hazelbrook Creamery; J. A. Murphy, buttermaker, Stanley Br.; Leo F. Hughes, Kensington; Lloyd Rogerson, Crapaud; G. Vessey & K. Acorn, buttermakers, Central Creameries; Irving Thompson, buttermaker, Dunstaffnage; J. Wesley Glennie, buttermaker, New Glasgow; A. Sullivan, buttermaker, Union; Hiram Lane, buttermaker, New Perth; C. M. Johnson, buttermaker, Dunk River; C. E. Gamble, buttermaker, Tryon; G. B. Noy, buttermaker, Wiltshire; Wallace Murray, buttermaker, Perfection Dairy.

Prizes were presented by Mr. J. D. Frier, Maritime representative of the DeLaval Company.

Mr. Edward Larkin, manager of the Grand River Cheese Factory was the prize, a beautiful pen and pencil set, for greatest efficiency during the year. The prize was donated by the J. B. Ford Co. Ltd., Ohio, makers of Wyandotte products, through their representative Mr. W. J. Wilson.

Problems are "Challenge"

Problems facing the dairy industry were a challenge to those engaged in the industry, the guest speaker, Mr. W. R. Shaw, deputy minister of agriculture, declared. Despite the difficult conditions of the past few years there had been producers who were able to survive and make a profit. People of character and initiative can survive hard times, the speaker said. The difficulty of getting that spirit across to people was facing the Department today.

A greater measure of aggressiveness on the part of dairy organizations would do much to foster the industry, Mr. Shaw said. Factory managers, too, had a wide field of work than just the work in their own plant. They should get out among the patrons and make contacts. The speaker suggested a survey of herds by managers in each factory area to find why some producers were able to make so much better showing than others. The value of leadership was a tremendous factor in bringing up production.

Mr. Shaw discussed briefly his Department's work in herd improvement and then went on to speak of study clubs. There had been a tremendous increase this year in the number of clubs de-

veloping to study agriculture. In urging the organization of adult study clubs the speaker said it would be one of the most potent factors in getting information to the producers.

Mr. S. C. Wright, fieldman, spoke briefly. Sometimes high production in a dairy herd was the result of what was grown on an acre or two of ground if it was devoted to growing mixed green feed. The speaker gave an illustration of one man whose herd fed through the winter on straw and turnips averaged about 150 pounds of butter fat to the end of October, while another man's herd, fed some grain and concentrates, averaged 300 pounds for the same period.

Never Greater Opportunity

He had been in co-operative dairying since 1892. Mr. J. A. Dewar of New Perth, vice-president of the Dairymen's Association, told the gathering and he believed that "there never was greater opportunity for a man with brains and willingness to work, to make a success of dairying."

He appreciated the work of the

department, Mr. Dewar said, but he believed the solution of their difficulties must come from the people themselves. "Don't put too much reliance on Government aid," he said. Despite the depression he believed there wasn't a brighter spot in the Dominion than this province.

Pheasants Are Distributed In Province

Sixty ring-necked pheasants brought here from Ontario, in exchange for partridge, were sent to 10 centres in the province, provincial agriculture minister W. H. Dennis announced yesterday.

Five females and one male were sent to each.

Those who received the pheasants for placement were, H. H. Acorn, Souris; Rev. John McDonald, Tignish; Mont Anne, Lower Montague; Horace Wright, Bedeque; E. C. Webb, Cavendish; William N. McWilliams, West Cape; Hon. Marlin Gallant, Weymouth; Harry Cox, Morell; Thomas Linkletter, Summerside; Turner Moore, Victoria East.

The Minister requested cooperation of farmers throughout the Province "in scattering a little feed for these birds should at any time they feel they are in need of it. We are doing the best we can to stock the island with those pheasants, with the hope that they will create an added interest for tourists in our province and that such will be appreciated our sportsmen at home."

dairy producer in proper care and use of equipment, separators, utensils, and stables, Mr. W. N. Jenkins, president of the Dairymen's Association, declared. He urged factory managers to be leaders in the communities in which they were placed; and suggested that they could do much to get producers to send the best possible product to the factories.

Problems are "Challenge"

Problems facing the dairy industry were a challenge to those engaged in the industry, the guest speaker, Mr. W. R. Shaw, deputy minister of agriculture, declared. Despite the difficult conditions of the past few years there had been producers who were able to survive and make a profit. People of character and initiative can survive hard times, the speaker said. The difficulty of getting that spirit across to people was facing the Department today.

A greater measure of aggressiveness on the part of dairy organizations would do much to foster the industry, Mr. Shaw said. Factory managers, too, had a wide field of work than just the work in their own plant. They should get out among the patrons and make contacts. The speaker suggested a survey of herds by managers in each factory area to find why some producers were able to make so much better showing than others.
