DOES TOBACCO AFFECT THE HEALTH?

In a Thousand Ways its Excessive Use is Injurious to the System. Causes Heart and Nerve Troubles.

That tobacco exerts a very decided influence upon the body is unquestioned. Thoughtful physicians prohibit smoking in convalescence just as they do in the formative years of youth, when the system is so susceptible to the action of narcotics.

In functional heart trouble the tobacco habit is often looked for as a cause, and many a smoker wakes up at night feeling all the terrors caused by a fluttering palpitating heart.

If there is something wrong with your heart that makes you wake up with a start, you ought to take Ferrozone regularly, because it is the best heart medicine made. All the muscles and nerves about the heart are strengthened and given new force by Ferrozone, which is noted for its prompt cures of heart disease.

As a rule weak heart and weak nerves go together, so it is important that Ferrozone should be used until the nervous system is completely restored. From every part of America comes convincing evidence that Ferrozone possesses merit far beyond the ordinary. It cures are lasting, like that of a well-known merchant in St. Johns, Mr Philip T. Drayton, who writes: "I can give good advice to everyone suffering from heart weakness. I was in a very low condition a few months ago, and was unable to work. Without any apparent cause I would jump and start. I could not sleep more than a hour without being awakened by pain and palpitation of the heart. I used different preparations, but found Ferrozone the best. It improved my general health, strengthened my heart and nerves and enabled me to go to work again. Nothing else ever helped my heart like Ferrozone which has cured me perfectly. I would advise others troubled with either nerve or heart trouble to use Ferrozone also."

No one every used Ferrozone without least benefits. It builds up weak people, nourishes the starved nerves, and tones up the muscles of the heart. Ferrozone is prepared in tablet form, and is simple and convenient to take; it is sure to help you.

Do not allow an unscrupulous dealer to recommend anything in the place of Ferrozone. Get what you ask for. Insist on Ferrozone which will be mailed to any address, price 50c per box or six boxes for \$2.50, by N C Polson & Co., Kingston, Ont., and Hartford, Conn., U S A.
