SPORT NOTES

BOXING

The big fight is over and Tunney still holds the heavyweight title of the world. It was a hectic struggle from the first to the last.

Tunney concentrated on the back of Dempsey's neck and high to the head which eventually took on the ex-champion. To the minds of the fight spotting world the bout has told nothing more than the two toed boxers are the greatest tiger cats that ever entered a twenty foot enclosure, with Tunney shaping up more prominently than ever.

Dempsey did not come back as many of his admirers had looked for but he came back to a better man than he was when he swapped punches last year with Tunney in Philadelphia. And if Tunney learned nothing else about the fight he now knows that he was in a real one at Soldier's Field with Dempsey.

We cannot say whether Dempsey will pack away his mitts and enter the path of least resistance taken by many who have taken possession of the crown, but we will say that if ever Tunney and Dempsey meet six or eight months hence that both fighters will have just as many to back 'em and will draw just as large a net as they did last year. Tunney never to be forgotten night of Sept. 22nd. In the meantime Tunney is proclaimed the champion of champions.

NEXT WEEKS, TILTS

Next week in our own town fight fans will have an opportunity for themselves of witnessing a boxing match and also a wrestling match that is beginning to take hold as something of real value. John Patterson who has been among us since early summer is staking his Canadian title against Bob McWilliams in what promises to be a real mat struggle at the arena on Sept. 28th. Both wrestlers are fit and in condition to go the limit.

Morris McDonald and Jack McKenna in a ten round fistic encounter will be the main attraction on Sept. 30th with Steve McDonald and Johnny McIntyre in a ten round semi final to be the second best attraction with a couple of good preliminaries to get the fans in humor for the main go.

BASEBALL

The next attraction which will draw the baseball enthusiast will be the world's series and the Maritime play-off games, in the former it looks now as if the New York Yankees of the American League would fight it out with Pittsburgh of the National League.

The Yankees have already won their pennant race and Pittsburgh are the favorites to win theirs, how the outcome of the play-off will turn it is difficult to even surmise. The Yankees have a good pitching staff but their biggest asset is in wielding the bludgeon, with Ruth and Gehrig slamming out homers as they have been doing this season and a list of good batters behind them with homers, triples, doubles and long singles to their credit it looks as if the opposing team would have a stiff battle ahead of them in order to win out.

In the Maritime play-off the Abegweits of Charlottetown are the Island champs while Springhill has annexed the Nova Scotia title and the New Brunswick champs will likely be decided early next week and the arrangements for the play-off will be in order.

The Abegweits have been having a few work-outs lately but weather conditions have not been the best, necessary, but they will be out with the first sun again and we hope will keep going until the games are called so that they will be in tip top form to bring more glory to the Abegweits and P. E. Island.

FOOTBALL

We are indeed pleased to announce that the Abegweits are making a start in football this afternoon at the field back of the College of Wales College grounds at 4 o'clock at which the following are kindly asked to be present:—H. Saunders, D. Diamond, R. Jenkins, J. Morris, C. Campbell, A. Hogan, F. McCarey, S. Diamond, M. Diamond, G. Wood, J. Mackay, J. Loneragan, J. Connolly, L. Connolly, S. Bigger, St. C. Trainor, S. DesRoches, I. Horne, W. J. McDonald, F. McLean, A. Darrach, A. W. Campbell, W. Scantlebury, Ed. Lynds, and Fred McCabe.

Looking over the above names it can be easily seen that the material is of the best and that a bang up fixture can be picked to uphold the honor of the Abegweits on the grid-iron this fall.

The Dalhousie College team are desirous of playing in Charlottetown and also the Halifax Technical College Players, and Acadia are anxious for the Abegweits to visit them for a friendly contest and there is also other outside teams that would gladly give the locals a game on their home grounds.

Then there is the Island championship games with good old St. Dunstan's who always have a neck team for the fall series. It is now up to the above players to bring up to the above players with a bang this season. If there is any other fellows football back with a bang this season. If there is any other fellows

YACHT RACE

Weather permitting, the final yacht race of the cup series, will take place this afternoon at 2.30.

Jack Dempsey's Wife Collapsed

CHICAGO, Sept. 23.—Estelle Taylor, wife of Jack Dempsey, collapsed today while on a fashionable North Side boat, the Herald-Examiner says. Mrs. Dempsey heard over the radio that her husband had been defeated in his comeback against Gene Tunney.

YOUTH LYING IN BED IS WOUNDED

NEW WATERFORD, Sept. 23.—Not mentioned above who would accidentally shot as he lay in bed, like to link up with the crowd this morning. Emile Gansy, 16, will be perfectly welcome and need no mention at the General Hospital, being mentioned to keep 'em away. A shotgun, which hung on the wall was knocked down when his brother entered the shack in which Emile was sleeping, accidentally discharging, and the contents of the shell lodged in the young man's stomach.

The Morning Service, will be broadcast.

RECEPTION AT LONG CREEK.—On Wednesday evening, September 14th upwards of seven persons from Long Creek and vicinity, headed the way to the home of Mr. and Mrs. Daniel MacEwen whose marriage has been recently announced. After all had assembled Mr. A. K. MacPhee a former resident of Long Creek called the port-hering to order and on behalf of those present extended his hearty congratulations to the bride and groom, and expressed his congratulations to Mr. MacEwen for keeping one of our "Island girls at home. After a few words of complimentary remarks he called upon Miss Jean MacArthur who read an appropriate address while Miss Della MacLeod presented Mr. and Mrs. MacEwen with a beautiful mohair arm chair. The recipients although taken somewhat unexpect- edly retained their courage and briefly expressed their appreciation of the valuable remembrance presented them. The chairman then called upon Mr. W. R. Shaw who expressed a desire to attend more gatherings along the same lines as the present one and spoke in highly complimentary terms of the bride and groom. The evening was pleasantly spent with games, instrumental music, also singing by a large number of male voices. Needless to say the attentions to be by the bouquets presented served by the ladies present. At a late hour all dispersed to their various homes after wishing Mr. and Mrs. MacEwen many "happy years of wedded life.

DEAD HEAT.—The next heat was called a dead heat when the ball dashed under the wire together in 2.05 1/4. The Presque Isle contingent claimed Bessie McKillop had won the third heat and for some time demurred against bringing Bessie McKillop out for another heat. After a delay, both mares appeared and the pacing duel of the season was on. Bessie McKillop was rushed into the lead by Willard and they were at the quarter in 1.12 seconds. The heat was won in 1.12 and Ruby was up against Bessie McKillop when the clock struck the three-quarter mark in 1.33.

2 Canadian Women Continue In Race

GARDEN CITY, N. Y., Sept. 23.—The brilliance of Miss Ada MacKenzie's incoming nine holes and busy as matters getting things in the meticulous deliberation of Mrs. Fraser's entire round to make this Exhibition a banner quarter finals of the women's national in the history of the Association golf championship today and made the prospect of capture of the title by the Dominion better than a 50-50 chance.

Already the entries have surpassed a wide margin, thirty-eight men at the show look good right now on the books and when they get on the groups well there will be something in every department be paired with Miss Maureen Orcutt, Metropolitan, champion of New York.

Each year the best judges are selected by the Live Stock Department at Ottawa to act at the Charlottetown Exhibition, and on judges Mrs. Fraser of the Maritime Provinces has ever been selected, not but that there are good judges in these provinces, but because it might be thought that Maritime Provinces where the Canadian was three up, Lou Gehrig established a new record for driving in animals might be biased. Thus more chancy. She was two down runs when he sent two across to every precaution is taken to ensure a just and impartial award.

Now only a few days remain and they are busy ones, for the management to get everything in apple-pie order and for the exhibitors who are having exhibits at the fair and also for those who are coming to view the exhibits, see the horses De La Chausse fought to gain the title and Mrs. Fraser to hold her own today when pinch hit by Carley singled in the tenth, score snappy one.

The Athletics took a double header from Cleveland at Philadelphia, times to play here in a series for the first game by a score of 4 to 3 in 13 innings and the second game by a score of 5 to 2 margin. De La Chausse fought to gain the title and Mrs. Fraser to hold her own today when pinch hit by Carley singled in the tenth, score snappy one.

Originally, it had been planned to have a second team from the Maritime provinces to play here in a series for the first game by a score of 4 to 3 in 13 innings and the second game by a score of 5 to 2 margin. Yanks Win And Tie League's Record

NEW YORK, Sept. 23.—The Yanks tied the American League record for games won in a single season today by defeating the Tigers by 8 to 7 for their 105th victory.

That feat was accomplished by the Boston Red Sox in 1912. Detroit took the lead with a three run drive in the ninth only to have Babe Ruth sink his 50th home run in the tenth, but because it might be thought that Maritime Provinces where the Canadian was three up, Lou Gehrig established a new record for driving in animals might be biased. Thus more chancy. She was two down runs when he sent two across to every precaution is taken to ensure a just and impartial award.
